

ANNUAL REPORT 2023

NATIONAL ARCHIVES GRANT
AWARD RECIPIENT

LAKE FOREST-LAKE BLUFF

LETTER FROM THE EXECUTIVE DIRECTOR

Carol Summerfield

Dear History Center Supporters:

The year began with the last months of the Art of the Miniature exhibition, which brought record crowds into the museum. We then had the opportunity to do a pop-up exhibition on the History of Landscape Design in Lake Forest, which showcased our new collection of historical materials from the Lake Forest Garden Club. This contribution to the new Garden Initiative helps us to share with the larger world the role that Lake Forest and Lake Bluff played in landscape design and land conservation.

Following a valuable grant from the American Historical Association in 2022, we then kicked off the summer with Deeply Rooted and Rising High: African American Experiences in Lake Forest. This exhibition opened to the largest audience to attend an exhibition opening at the History Center! Developed in partnership with the Department of African American Studies at Lake Forest College, it provided wonderful opportunities for students to learn first-hand about research, oral history gathering, creating museum exhibitions, and developing public programming. The exhibition expanded in the fall to include a comparison to Joliet's historical Black experience. This exhibit is now touring Illinois.

We ended the year with wonderful news about our largest grant yet from the National Archives, to continue to develop the resources for archiving and sharing the stories of the Black community, with a new, expanded digital tool that will be a rich resource for the public and academic community. This grant is also done in partnership with Lake Forest College.

This momentum in research, exhibitions, and programming would not be possible without our members, donors, and supporters. We are here to bring history to you, and seeing this incredible outpouring of support has been a lovely reward for the staff, board, and volunteers.

Here's to keeping us growing in 2024!

Carol

IN THE GALLERY

The Art of the Miniature

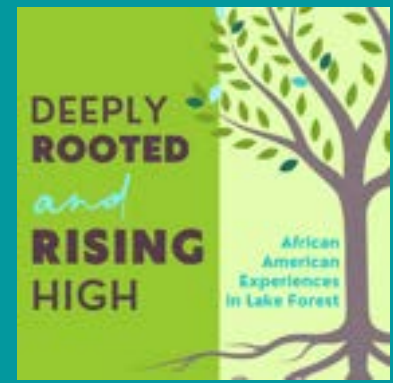

The Art of the Miniature explored the craft of miniature making through the lens of Lake Forest resident Narcissa Niblack Thorne, her workshop, and the many artisans and craftsmen who brought her visions to life. With rarely exhibited original Thorne miniatures and with contemporary masterpieces from The Kupjack Studios, museum visitors explored how miniatures are made and learned more about their historical context.

Deeply Rooted & Rising High: African American Experiences in Lake Forest

This extraordinary exhibit traced the history of the Black community in Lake Forest. Featuring stories, photographs and artifacts shared by residents past and present, it is based on research and oral histories conducted over the past two years by History Center staff, our community advisory team, and interns and fellows from Lake Forest College, Loyola University, and the University of Chicago.

Funding for research and the exhibit came from an American Historical Association/National Endowment for the Humanities grant, the Grainger Foundation, and Illinois Humanities.

Whistlestop Wonderland: A Model Train Exhibit

This special holiday event showcased a large electric train display in the Hunter Family Education Hall, put together by the Midwest RAILS RR Club, plus dozens of stationary model trains on display in the Katherine Bell Hale Gallery and a brief history of model train making. Model train loans were mostly from local residents and affiliates of the History Center. The History Center also hosted three hot chocolate parties, "Choo-Choos and Chew-Chews" for train lovers of all ages.

PROGRAMS

SPRING VIRTUAL & IN-PERSON

A combination of virtual and in-person programs kept members engaged while also growing our audience

A record number of 55 programs were planned and executed over the course of 2023! Miniatures-related programming continued for the first part of year to augment the Art of the Miniature exhibit, with additional programs including a series called Native Voices focusing on the unique ways that the native people who came before us used the land (offered in conjunction with Lake Forest Open Lands) and our very popular History Trivia Night.

CENTENNIAL AWARDS

Centennial Family Awards

JUNE 8, 2023 HONORING THE CASSELBERRY FAMILY

History Center honored the Casselberry family, who have been members of our community since the late 1910s.

Deputy Director and Curator Laurie Stein presented a program with historic photos and anecdotes shared by the family, including stories of their connections with local schools, businesses and churches, as well as familial traditions and achievements.

Jackie Casselberry King (pictured on the left) spoke on behalf of the family, with several family members in attendance to celebrate their deep connections to the social and cultural fabric of Lake Forest.

EDUCATION

Education continues to be a driving force behind our mission

In April, the History Center partnered with Lake Forest High School teacher Kelly McKee to put together a multi-day continuing education workshop for LFHS staff. The workshop featured a walking tour of Lake Forest along with presentations on local history and place-based learning, highlighting how teachers might use archives and exhibits from the History Center in their classrooms.

The History Center's "Deeply Rooted and Rising High" exhibition inspired all sorts of educational connections. Portions of the exhibit were produced in collaboration with Lake Forest College students - the timeline in partnership with Dr. Courtney Joseph and an archeological display about the AME church with Dr. Rebecca Graff.

Deeply Rooted and Rising High proved very popular for class field trips. We had visits from across several Lake Forest College departments, including Sociology/Anthropology, History, Theater, Art/Art History, Museum Studies, and Religion. All of Lake Forest High School's AP U.S. History classes visited the exhibit as well, completing a primary source analysis activity.

Over the course of the year, the History Center worked with interns from LFC, University of Chicago, and Loyola University, as well as volunteers from LFHS and Lake Forest Country Day, on various projects and exhibits throughout the year.

GARDEN & ENDOWMENT INITIATIVE

Celebrating history inside and outside.

The garden project has made significant strides over the past year, marking another chapter of progress. The plans for the gardens, parking lot and water mitigation were approved by the City of Lake Forest and the City's Historical Preservation Committee. The water mitigation plans and the permit applications have been submitted to the City's Engineering Department for approval. Once approved and depending on the weather conditions, the History Center expects to break ground on the project in early spring of 2024.

With the infrastructure plans finalized, we move our focus to the creation of the gardens. An ad-hoc committee has been formed with notable Lake Forest gardeners to assist in the advisement of plantings of each garden. To date, three of the five gardens are fully funded.

With the support of these donors of the project, the History Center was able to move forward in realizing the dream of telling the story of the history of gardens in Lake Forest and Lake Bluff and how the landscape designers, estate owners and landscape workers influenced gardens beyond the confines of our community.

PLANNED GIVING

A Nod to the Future: Chanticleer Circle of Giving

As part of the Garden and Endowment Initiative in celebrating 50 Years of the History Center, we proudly present the 1% Club of the Chanticleer Circle.

The 1% Club are for those supporters who give 1% or more of their estate to the History Center's Endowment. We will honor this gift in the new country garden that will be located near the rear entrance of the History Center. Please join other like-minded individuals and be honored in the gardens! If you would like to be a part of this opportunity, please contact Lisa Frey with your wishes.

If you are ready to make a planned gift, please contact our Director of Development, Lisa Frey, at lfrey@flbhistory or 847.234.5253.

History Center Board Members

Several board members took on special projects in addition to their board roles including everything from presenting programs and serving as docents, to assisting with scanning photos and transcribing archives. We owe them a special debt of gratitude for their hard work and dedication to helping us achieve our vision.

thank you!
