Directory Update

WELCOME NEW MEMBERS! Janice N. Schnobrich 766 Mawman, Lake Bluff

Stephanie K. Rives 116 Ravine Ave., Lake Bluff

> ADDRESS CHANGE: Rep. Lauren Gash 108 Wilmot Road. Deerfield, IL 60015 948-1080 948-1082 FAX

The Celebration Has Started!

More than 50 League members and triends gathered for tea with Carrie Chapman Catt on February 13. Suzanne Hales captured the energy and the resolve of this amazing woman.

Thanks to Diane for once again opening her home for us and to all who helped make the afternoon fun and successful. There were many new faces at the tea. Remember to include your friends in League activities!

And did you notice? Both the mayor of Lake Forest and the village board president of Lake Bluff issued proclamations making February 14 LEAGUE OF WOMEN VOTERS DAY!!!

The League was covered in The Lake Forester and The Lake Forest Journal and in several editions of The Chicago Tribune. We're watching the Tribune for coverage of our tea with Carrie Chapman Calt ...

N N	League	President's Message
$1 \star$	Lines	I am tooking forward to the PBS documentary "One Woman, One Vote"
President Diane Lloyd	615-9182	which airs tonight on PBS. My 11-year-old daughter, Carolyn, has been interested in the unfolding of events in this 75th anniversary year and f ar taping the program so that w e can watch it together later. Sounds like a
Man Desette	nt/Voter Service	recipe for disaster, but I have high hopes.
Phyllis Albrecht		
		The kinds of things that have impressed her so far are the tidbits (women were not allowed library cards in Philadelphia in 1923), the costumes
Secretary		(Sugago Halos was here as Carrie Chanman Catt where Carolyn arrived
Eleanor Knight	295-2542	home from school on Monday) and the stories told by women who
Treasurer		remember their mothers and grandmothers marching for the pohl to vote
Alice Sievent	234-4133	or voting for the first time. I am gathering tidbits and costumes and
		memories
Action		The most exciting development this year has been the community
Lynn James	295-1736	response to celebrating the 75 anniversary of a woman's right to vote. The

School Bond Referendum Forum in Lake Bluff

The Lake Bluff Citizens' Education Committee is working with the District 65 School Board to sponsor a forum to discuss the upcoming Lake Bluff school bond referendum. The Forum will be held at 7:00 FM on March 1st at the East School. All league members are urged to attend.

1995 LWVIL Legislative Seminar

Join us for an action-packed meeting in Springliekl on Wednesday, April 26 and Thursday, April 27. Meet with your legislators, observe them in action, receive training in being an effective citizen totby ist and attend information-packed seminars on League priority issues. Eat chicken again! Meet with informed League tobbysts who make up for the tackluster hotel ambience. Join us at the Governor's mansion to celeforate the League's 75th birthday.

Help Lake Forest/Lake Bluff beat Oak Park and Evanston for the League with the larc contingent. Registration for the full meeting is \$50.00 and hotel is \$71.00 plus 10% t either one or two people. We will be carpooling and staying at the Springfield Hilton. Call Diane Lloyd (51-9182) for more information.

State League Convention - June 2-4, 1995

The 47th LWVIL convention in 1995 promises to be something special and we hope you will consider attending addition to the usual convention activities of debate, caucus, parliamentary procedure, budget and bylaws, the be added opportunities for training. The convention this year will be held on June 2 - 4 at the Bismark Hotel.

Although the convention itself begins on Saturday morning, there will be a Friday, June 2 workshop on facilitation (reasonaby priced at \$55,00 including lunch). This year, Debrah Left, president at \$6,00 including, will be the featured speaker at the Friday barquet. Ms. Left is well known nationally for her support of gun cortrol. The Joyce Foundation focuses on election issues and was the major funding agency for the illinois Vder Project.

The Annual Benefit will be held on convention Saturday and the League will be celebrating its birthday with a politically prominent speaker. Plan to join us. Several league members will be carpooling and rooming together at the Bismark. If interested, call braine (615-918). This is league meat! If you have never been, you couldn't uy it out in a better year!

Reminder to Registrars

On March 2 registration re-opens for North Chicago, ward 1; Waukegan, wards 1, 2,4,6, and 7; Zion; and Highland Park.

This will allow only a four-day window for voters in these areas to register for the April 4, 1995 election. All voter registration closes for the April election on March 6.

New LWV Deputy Registrars Thanks and congratulations to our newest deputy registrars: Gent Barnett

> Jayne Gretz Marv Ann Kiehl

New Preschool Directory Available

The 1994-95 edition of "Childcate and Pre-schools in Lake Forest and Lake Bluff Is now available, thanks to Susan Phillips who compiled the current data and Sue Walsh who got it ready for the printer. It covers day care for children, day care for sick children, sources for baby-stifting, preschools, programs for young children and a community calendar for children.

The directory is available at Gorton Community Center for \$3.00 per copy. Multiple copies are available at reduced rates. Call Ginni Magda (295-6892) or Diane Lloyd (615-9182)

Secretary Donna Shalata, U.S. Department of Health and Human Services, selected the Kids 1st Fair program for an Outstanding Achievement Award in Community Health Promotion. The award was presented at a ceremony at the State of Illinois Building on February 9, 1995. Accepting the award for the Kids 1st Fair was Sharon Doney, BA, of the Lake County Health Department.

In addition to this award the Kids 1st Fair is now listed in George Washington University's Directory of Innovative Programs Providing Health Care Services to Poor and Underserved Communities in the U.S.

Ms. Doney, the Health Department person in charge of providing medical services for the Fair, also received the Donaki B. Stone Service Award from the Illinois Society for Public Health Education.

Now that the Fair is receiving national attention, it is time to remind everyone to be collecting school supplies at your churches, clubs and other groups.

Recommended Local Program

Linda Illes

- 1. A study of the nominating systems in both communities, with an emphasis in Lake Forest on nominations for school board.
- 2. A study of gun control and appropriate local action.
- 3. A study of the comprehensive plans in both communities, specifically as they address density and wetlands.
- 4. Action on Knollwood annexation if this is a ballot issue in November. The board recommends a program on annexation in the spring to keep the membership up to date.

All studies are recommended with the proviso that groups can be formed with an adequate number of leaguers to carry lied the study. or stall a brand of when all diseases in

For Consideration at the Annual Meeting-April 12, 1995

Proposed Bylaws Changes

Rather than print the entire eight page document of the LWVLF/LB Bylaws, the following highlighted Bylaws changes are submitted to the membership for review prior to the Annual Meeting. While they are not the sum of all changes recommendo by the Bylaws Committee (Joan Katlass, dr. T. Y Vales and Melanie Rummel), they are considered by the Committee to represent the substantive changes for consideration. Copies of the entire Bylaws, with changes, are available in the Leave mailtox at Gorton.

Three sections included here reflect significant change.

 We submit a more relevant attempt to eliminate a yearly audit of the books by allowing for the audit of the Treasurer's books biannually or upon her leaving office after a two-year term.

2.) We currently do not have a fee for dues specific to two members residing in the same household. Most Leagues do; we are simply catching up here.

3.) There is extensive change to the Article IX on Program. Two changes are recommended.

- 1 That all program be voted on as a block if nobody moves to separate.
- 2- Program is now categorized into those items relevant to members from Lake Forest or Lake Buff "governmental jurisdictions". With the program proposals this year, there is a third category – program items relevant to all the membership. This addition reflects a need for change in the voting procedure, allowing for a majority vote of the entire membership.

We are also clarifying the voting procedures for the first two categories. The rules now reflect a possibility that was not intended when the bylaws were rewritten as the Laagues merged: a majority vote by that part of the membership concerned with an item could be overridden by a simple majority vote of the rest of the membership being asked for concurrence. As recommended in these revisions, if no concurrence is to be given by the "nongovermmental jurisdiction" members, then the ten it to be put to a vote of the general membership. A simple majority vote of the entire membership will be required for acceptance of the original program proposal. Also note changes in non-recommended items.

[CODE FOR REVISION: Italics - additions; () - remove]

ARTICLE V - Officers

Section 5. The Treasurer.

[second paragraph of section]

The Treasurer shall present statements to the Board at its regular meetings and a Annual Report to the Annual Meeting. The books of the Treasurer shall be audited at the end of her term or binnually, whichever comes first. The audit and auditor is to be authorized by the Board. The audit report shall be published in the September builtein of the year of the audit. (each year prior to the Annual Meeting.) (by an auditor appointed by the Board.)

ARTICLE VI - Financial Administration

Section 2. Dues.

When two or more members reside at the same address in a common household, their combined dues shall be equal to one and one half times the amount of dues for an individual.

For Consideration at the Annual Meeting-April 12, 1995

ARTICLE IX - Program

Section 1. Authorization. The governmental principles adopted by the National Convention, and supported by the Leagues as a whole, constitute the framework for the authorization (lor) and the adoption of Local (P)program. No local program can be contrary to the principles and actions adopted by the National, State or County Leagues.

Section 4. Action by the Annual Meeting. The Annual Meeting shall act upon the program, using the following procedures.

a.) The Board (of Directors) shall consider all (the) recommendations for program submitted at least (sent in by voting members) two months prior to the Annual Meeting and shall formulate a proposed program.

b.) The proposed program shall be sent to all members one month prior to the Annual Meeting.

c) Items proposed for study and for action by the Board at the Annual Meeting shall be divided into three categories: (in the proposed program presented to the Annual Meeting by the Board of Directors shall) (1) a local study/program item involving the governmental jurisdiction specific to residents of Lake Forest, (2) a local study/program item involving the governmental jurisdiction specific to residents of Lake Bluff and/or (3) a local study/program item involving the governmental jurisdiction specific to residents of Lake Bluff and/or (3) a local study/program item involving the governmental jurisdiction specific to residents of Lake Bluff and/or (3) a local study/program item involving the combined interests of the LWVLF/LB.

At the discretion of the President, and if no member moves to separate and/or divide any proposed tigm(s) in the above three categories, the local program proposatic can be voted to as al bock. If the President decides, or a member moves to separate and/or divide, the item then requires the following action for adoption, depending on the category.

d.) In the case of (1) and (2) above, (require for adoption) adoption shall require:

(1) a majority vise of (voing) those members present, qualified and voing who reside within the local governmental jurisdiction the item concerns, followed by (concerned with the items.) (2) a concurrence voite consisting of a majority of the (Following shall be a majority vote of concurrence by the voting) members present, qualified and voting who reside in the governmental jurisdiction on (outside the government) concerned with the items.) If concurrence cannot be reached, a majority vote of the entire membership present, qualified and voting will be necessary for accentance of the proceed for oraram item.

e.) In the case of (3) above, adoption shall require a majority vote of those members present, qualified and voting.

f.) (d) Recommendations for program submitted two months prior to the Annual Meeting by voting members who reside in the local governmental jurisdiction concerned with the item(s) but not recommended by the Board may be considered and adopted by the Annual Meeting provided:

(1) (the Annual Meeting shall order consideration by) a majority vote of the (voting) members present, qualified and voting who reside in the local governmental jurisdiction(s) concerned must vote for consideration; and ()

(2) the (Annual Meeting shall adopt the) item shall then require for adoption,

a.) ((by) a two-thirds majority vote of (the local voting) members present, qualified and voting who reside in the local governmental jurisdiction concerned and

b.) (a majority vote of) concurrence by a majority of (voting) members present, qualified and voting who reside in the local governmental jurisdiction not concerned with the item. It concurrence cannot be reached, a two-thirds vote of the entire membership present, qualified and voting will be necessary for acceptance of the non-recommended item.

State and National Update . . .

LWVUS

Legislative priorities for 1995:

- 1. Protecting the national Voter Registration Act
- 2. Opposing the Balanced Budget Constitutional Amendment
- 3. Opposing a Term Limits Constitutional Amendment
- Ensuring that government can protect citizens by working against regulatory reform/"unfunded mandates" proposals in Congress
- Grassroots Lobby Corp has been established to promote and coordinate constituent support for the LWVUS legislative priorities
- 6. Decision not to endorse "Pledge to the Women of American" because of concern about the campaign's goal of electing to office only those who agree with the issue positions outlined in the agenda
- 7. Decision not to participate in NOW rally April 7-9 because of its partisan overtone

Claim: Education prior tion for 1980

Opening government to citizens:

- 1. Facilitate discussions with citizens on issues involved in finance reform
- 2. Participate in effort to broaden a successful pilot effort to provide information on-line for the 1996 election
- Continue the "Wired for Democracy" project to use innovative communication methods to reach out to larger and more diverse audiences with voter information
- 4. Focus on LWVEF's election-related activities on a Get Out to Vote Campaign

Early Intervention for Children at Risk

Support early intervention for children at risk with meeting-ready materials, development of several potential project components and information regarding available grants

Crisis in the Community

The September/October 1995 National Voter will feature coverage of the multi-faceted challenges facing our communities.

Health Care

- 1 on topics related to health policy and the federal budget will be published beginning in summer
- 2. Funds are being sought to follow up on the successful health care town meetings held in spring 1994

Other LWVEF Activities

- 1. A second round of nuclear waste community education grants to state and local leagues has been awarded
- 2. Local leagues' celebration of National Drinking Water Week May 7-13 is encouraged
- 3 The League UN observer's annual report is available from Diane Lloyd (UN's 50th anniversary is October 23, 1995)

75th Anniversary

The LWVUS travelling exhibit "Women in Action: Rebels and Reformers" celebrating the 75th anniversary of the 19th amendment and the LWV will be in St. Louis March 4-31.

Lawsuit

The League has joined as a plaintiff in a suit challenging the constitutionality of a new rule adopted recently in the House of Representatives requiring a three-fifths vote to pass a bill that raises tax rates.

State and National Update . .

LWVIL

Legislative Seminar

April 26-27 in Springfield. Opportunity to meet with legislators, observe them in action, receive training as citizen lobbyist and attend sessions in League priority issues.

Legislative Priorities for 1995:

First Level Priorities

State Fiscal Policies

Support initiatives to:

- increase the income tax and make it more progressive
- reform school funding to increase state funding and reduce disparities between districts

Oppose initiatives to:

- limit the access of local governments to property tax revenue

Election Laws

Support for:

- statutes and procedures to implement the provisions of the National Voter Registration Act

Second Level Priorities

Children and Families/Social Policies

Support for:

- Early intervention and prevention programs
- · Coordinated and adequate state services
- Initiatives that facilitate welfare to work

Opposition to:

- Measures to eliminate grant increases for additional children born to women receiving public aid

Reproductive Choice

Support for:

Medicaid coverage of full reproductive health care services including abortion

Opposition to:

Parental notification/consent legislation

Third Level Priorities

The League will also work on selected legislation on the environment, mental heath reform, criminal justice, oun control and health care.

Convention

June 2-4 in Chicago

Filed Sult

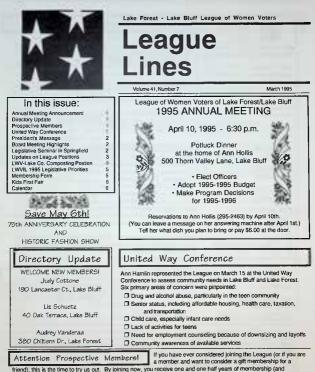

Against the state for failing to implement the National Voter Registration Act

receive League Lines.

President's Message . . .

What do Katherine Arpee, Lilace Reid Barnes, Mary Beattie, Mary Liz Carney, Margueits Sith Church, Helen Cory and Fran Goostrey have in common? They are only a few of the women who are being honored by Lake Bluff and Lake Forest organizations at our May 6 luncheon and fashion show at Great Lakes. Jane Addams and Eleanor Roosevett will be there. too

Bring your mothers, daughters and friends. The invitation will be mailed in April. Do you have friends you would like us to invite? Call in their names to me or to Judy Grisamore and we'll ack them to our list.

In the meantime, save the date. Wear hats and gloves or even vintage clothes if you like! This is our gift to the community in honor of the 75th antiversary of a woman's right to vote.

Board Meeting Highlights-March 3

☐ Treasurer's report included profit of \$232.25 for the February 14 Tea; member donations of over \$400.00 for the League's 75th activities; sales of the preschool booklet of \$163.00 to date.

Approved new membership rates between now and September to extend to September 1996, i.e. one and one half years for the price of one, and authorized recruitment letters to that effect.

Suggested an informational meeting in May to update members of the issue of Knollwood annexation and the League's position supporting annexation.

Discussed cablecasting of Lake Forest City Council meetings, the need for follow up and the possibility of circulating petitions before the March deadline date.

Announced voter registration at Lake Forest High School on May 3.

1995 LWVIL Legislative Seminar

informative and action-packed

et with your legislators, observe them in action, receive training in being an effective citizen lobbyist and attend information-packed seminars on League priority issues. Join us for tea at the Governor's Mansion to celebrate the League's 75th birthday.

Registration for the full meeting is \$50,00 and hotel is \$71.00 plus 10% tax for either one or two people.

We will be carbooling and staying at the Springfield Hiton. Call Diane, 615-9182 for information.

March 1995

Updates on League Positions

State and National

Several members met with the 59th District's new state representative, Tom Lachner, on March 13 to discuss the League's concerns and Tom's agenda for this legislative session. Leaguers in attendance included Judy Cottone, Bery Hom, Susan Garrett, Betsy Lassar and Diane Loyd.

Topics discussed included state fiscal policy, welfare reform, implementation of the National Voter Registration Act In Illinois, campaing finance reform, term limits and good management issues in goovernment. We enjoyed the opportunity to meet with Tom and look forward to working with him and with his new legislative aide (and League member) Ann Carpenter.

Term Limits

The League opposes term limits because:

- Term limits interfere with the fundamental right of voters to elect their own representatives. The League believes that voters can be trusted to elect their representatives without government stepping in to arbitrarily regulate their choice.
- Term limits would weaken the legislative branch of government and strengthen an already powerful Presidency, upsetting the constitutional balance of powers.
- 3) Term limits griore the need for experience in Congress, where complex public pokey issues are decided. Term limits would result increased reliance on congressional stafl, tobbysts and other unelected "insiders." THE LEAGUE HAS BEEN SAYING FOR YEARS 'WE ALERADY HAVE TERM LIMITS. THE YPRE CALLED ELECTIONS."

Composting

Because Lake Forest has appointed a committee to look at recent issues surroundin a composting and Lake Bluff will be establishing a compost site off Route 176, we are reprinting the Lake County League of Women Voters position on composting. See page 4.

Gun Control

By the time you read this, the Illinois House may have voted on HB 560 which preempts local authority for gun control. The League strongly opposes this bill because it is in direct conflict with two support home rule power and because we support legislative controls to stop the proliferation of the private ownership of handguns and their inseponsible use. We support the restrictive regulation of all handguns and ammunition, as well as enforcement of existing regulations at all levels of government. This bill was referred to the Agriculture Committee without public notice. Perhaps the democratic process would have been better served if an open and candid debate of the bill and its wide-anging implications for responsible gun control in flinos had occurred in committee. For more information, contract Barb Lippai at 432-8185. Our local League board is recommending gun control for next year's study and action agende. Come to the annual meeting to tell su what you think.

Cable

By the time you receive this issue, Lake Bluft will already have enjoyed the first broadcast of School District 656 board meetings for Tuesday, March 21. In Lake Forest, the diry council will soon be deciding whether to continue broadcasting council meetings. The League addressed the council on Thursday, March 16 to share the results of a telephone survey of communities on the North Shore which offer cable coverage to city council and school board meetings in a variety of ways (from fully equipped studies to volunteers using equipment borrowed at no cost from the location cable company. We pointed out the difficulty of measuring versaribia and using its as a side criterion for judging whether to provide the service. To date, Mayor Butter has received only 13 letters favoring vertice assigned and adjust. Results of the city survey, the green forms and the cable survey are no vert available. If you know someone who watches, please do encourage them to write to the mayor. If you think the service should be offered (whether or not you have it available or watch) or have its available.

LWV of Lake County Position on Composting

While backyand composing about the entropyle encouraged, education in this area must be stressed. Backyand composing can take several force, the norst describe hough deprojng grass conjung. Instead of cancing the wast severan, the clipping become a natural fartitizer. Another form of backyard composing is the individual composit hir or pite, but this must be regulated from the time, contents, animal pests, blowing materials. Such officances about lender provisions to content size, doed, distance from to the, contents, animal pests, blowing materials, and the noise and vibration attendant on the use of clinpers and eminders.

While the above are preferred methods of handling yard waste, areas which require any more extensive compositing should emphasize small, local, well-managed operations. Sites should be located as close to the source of material as possible would eliuniate long distance handling and reduce the possibility of materiokia constitutions developing in baged grass.

Truck traffic is one of the problems associated with large-scale composting. Sites should be located near major road systems. When vardwaste is hauled, it should be covered in transit to prevent escaping materials from creating a traffic hazard.

Current regulations may not be adequate to handle the scale of state-mandated composting operations. In order to ersure a well-run site which could be considered a good neighbor, hours of operation should be regulated to mitigate the potential anonynance of noise and vibration from trucks and other cupment. Regulations should be picket obscorage animal persts and to control blowing materials at the site. Ofoser must be minimized. The area should also be well-buffered and well awell from any residence. In addition, to parse-cale composition should be to there were available of the second state of

The Lengue is concerned about the danger of possible perticide and herbicide contamination of the compost and the spread of such contamination when the compost is used. Thus the League believes that the use of perticides and herbicides should be regulated. FOA standards should be used initially unli more definitive information on pesitied degradation is available. Commercial compost should not be used initially unli more definitive information on pesitied degradation is available. Commercial compost should not be used on food erops. Homeowners should minimize the use of pesitieds and herbicides, and such treated mental hould be trained by the homeowner after use by measo of muching and learning chapmage on the law. Property owners who have gameration by the homeowner after use by measo of muching and learning chapmage on the law. All public and private generators of yard wate have the responsibility of keeping wate close to the point of originy substances used by companies and citizens would be a good way to determine what is being applied to lawns and more in the community.

Governments at all levels should be involved in setting standards and regulations to protect the environment. The Federal government should mandhe that each state produce plasm for recycling and the composting of yardwase, as well as provide education to ensure the success of these programs. State government should write regulations and set minimum standards. It is should issue site permits and inspect and review sites to assure compliance with its regulations. The Department of Energy and Natural Recorrects should provide support through obtaction and funding grans. The State has minimal but underlabile enforcement obligations; particularly plasking, however, reforement is to state compliands at the county or multicipal level, where a shortenod response time and greater concern can make for greater efficiency. The county should provide duteation and design programs avell as set uno extingnt regulations with strong and efficient enforcement. The Zong David of Appeals should hold public hearings and set such rules for Confirmal Use Permits for composities as reflext public episition Municipal overments must provide leadership by resonanting and enforcement consistency with the standards.

Financial responsibility should rest primarily with the individual to encourage source reduction: municipanues should also be involved to guard against illegal disposal.

Large-scale composting should be operated by a combination of public and private interests, and the sites used can be either publiely or privately owned. However, since forest preserves exist for the purposes of preservation and recreation, the Lague believes that the Lake County Forest Preserve District should have no role in large-scale composting (1991 position)

League of Women Voters of IL 1995 Legislative Priorities

First Level Priorities

State Fiscal Policies

Illinois revenue system place a disproportionate burden on low-income taxpayers and lacks the natural revenue growth necessary to keep U with the economy. As a result, linois faces ortical problems, including Medicaid obligations; new state pension funding requirements; inadequate and inequitable school funding; inadequate funding for human services (particularly early intervention and prevention programs) and major instructure needs. A fairer and more productive revenue system is essential it llinois orizens are to receive the services they wart and need. The League will support initiatives to: "increase the income tax and make it more progressive.

The League will oppose initiatives to: Introduce the income tax and have in hote progressive. reform school funding to increase state funding and reduce financial disparities between districts. The League will oppose initiatives to: 'limit the access of local governments to property tax revenue. "divertisate host to non-public school non-public school".

Election Laws

Support for: *Statutes and procedures to implement the provisions of the National Voter Registration Act.

Second Level Priorities

Children and Family/Social Policies

Support for: *Early intervention and prevention programs. *Coordinated and adequate state services.

*Initiatives that facilitate welfare to work.

Opposition to: "Measures to eliminate grant increases for additional children born to women receiving public aid.

Reproductive Choice

Support for: "Medicaid coverage of full reproductive health care services including abortion. Opposition to: "Parental notification/consent legislation.

Third Level Priorities

The League will also work on selected legislation on the environment, mental health reform, criminal justice, gun control and health care.

Annual Meeting Highlights

On April 12, 1995, at the LWV-LF/LB Annual Meeting we passed the 1995-1996 budget, revised the bylaws, elected new officers, and approved the program:

- a study of the nominating systems in both communities, with an emphasis in Lake Forest on a school caucus;
- action on gun control consistent with state and national positions;
- action to monitor use of wetlands and the flood plain in both communities; and
- action to monitor density issues in the comprehensive plans.

VOTES MANOHEN

Join The Parade!

Join the League's suffrage entries in the Lake Bluff 4th of July and Lake Forest Day parades. We need women dressed as suffragists (anything white evoking the early 1920s) to carry our "A woman's right to vote" banner and women in white willing to wear our suffragist purple sashes and carry suffragist era signs. We also need 50 young people - all ages- to wear our "future voter" t-shirts, donated by Northern Trust Bank. For details, call Mary Ann Kiehl (295-9081).

April 1995

Perry, Elisabeth Israels. <u>Women in Action: Rebels and Reformers 1920-1980</u>. Washington, DC: League of Women Voters Education Fund, 1995. This book addresses the relationships between women's activism and grassroots politics during the post-suffrage era. It celebrates the 75th anniversary

of the 19th amendment as well as the 75th anniversary of the League. In six chapters: The Place of Women in American Political History, Women's Social Welfare Movements After Suffrage, Rights for Women, Women in the Civil Richts Movement. Labor and the Economy: and Women in Peace Activism and International Affairs.

Lake Michigan Inter-League Group (LMILG),

Summary Statements of Position, 1994-95

LMILG is an interstate league serving Michigan, Illinois, Indiana and Weconsin and technically including al local leagues in the Lake Michigan watershed. At its October annual meeting, heid this year in Kenceha, delegates review current positions and recommend new studies. This year, the delegates approved task forces to review the current positions on power plants and dredging and shoreline management in advance of the 1995 annual meeting. The task forces can recommend new wording to review, update or clarify a position; a restudy of part of a position; a consolidation of two or more positions; or an entire new study. The most recent LMILG newsletter and copies of the current position statements are in our mailox at Gorton. LWV of Lake Forest/Lake Bluff Annual Report, 1994-1995

rom the Treasurer

Alice Sievert, Treasurer, reports that the financial books have been audited by Ann Hollis.

The bank records and reimbursements of the League of Women Voters of Lake Forest-Lake Bluff as of March 9, 1995,were examined and found to be in agreement with the Treasurer's records and reports. The accounts payable were also audited and those transactions were found to be properly documented and records in good order.

The League of Women Voters of the United States

75 Vears

A Voice for Citizens: A Force for Change

FEATS AND FACTS

The Learne of Women Voters is one of America's unique and venerable political institutions. Throughout our 75-year history our members have beined share American political life. This factsheet eathers together a few of the memorable highlights illustrating what the League does and what we stand for.

The Founding: The League was founded in 1920 at the Chicago convention of the National American Woman Suffrage Association, six months prior to passage of the 19th Amendment granting women the right to vote.

"Winning the vote is only an opening wedge ... but to learn to use it is a bigger task." - Carrie Chanman Catt Founder of the League of Women Vaters, 1919

First legislative victory: Passage of the Sheppard-Towner Act in 1921, providing federal money for maternal and children's unorramy. This act offered proof that the League's grassroots lobbying and coalition-building were effective legislative tools.

"Daily the lobby met, late in the afternoon of a hard day of work, and compared notes on the day and planned for the morrow. Daily they consulted as to how soon it would be safe to press for a vote, as to the best way of meeting the apposition that came from a belief that the states should not be helped in this work by the federal government." ~ Dorothy Kirchwey Brown, Chairman of the League's Child Welfare Committee, 1921

Most recent legislative victory: The 1993 passage of the National Voter Registration Act, also known as "motor voter." This hill will belo enfranchise millions of Americans who have been shut out of the political process by making voter registration more uniform and accessible.

"When the barriers are broken down - and this legislation breaks them down - citizens will be able to assume their rightful place at the center of our nation's experiment in democratic government."

~ Becky Cain, League president, at the White House signing ceremony, 1993

Most famous member: Eleanor Roosevelt, wife of President Franklin D. Roosevelt and active member of the New York League.

Hardest-won victory: Passage of the 19th Amendment to the U.S. Constitution - a 72-year struggle to obtain the right to vote for women. The amendment was ratified on August 26, 1920.

"Let us be thankful we are voters today in this world of turmoil and warest. There has not been a time in our generation when such opportunities have been presented to the voters, such need for wise judgement and final intelligent actions based on careful investigation and sober thought."

- Maud Wood Park, first president of the Leapue, 1920

Most coursecous stand: In response to the abuses of President Truman's Loyalty Program, the League developed a program to educate citizens about their individual rights. In 1955 League president Percy Maxim Lee testified against Senator Joseph McCarthy's abuse of congressional investigative powers.

"I believe tolerance and respect for the opinions of others is being iconardized by men and women whose instincts are worthily patriotic, but whose minds are apparently unwilling to accept the necessity for dissent within a democracy. - Percy Maxim Lee, League president,

testifying before the Senate Subcommittee on Constitutional Rights, 1955

jobs. Later, the League's push for civil rights led to a parallel move vigeously for ratification of the amendment.

·We will turn our frustration and anger over the denial of ratification of the Equal Rights Amendment into determined efforts to achieve ERA's goals through other means."

- Dorothy Ridings, League president, International Women's Year Conference in Houston, 1977

Most frequent misunderstanding about the League: That taking positions on political issues makes us partisan. The League is a nonpartisan drganization: we don't support parties or candidates. Nonpartisan does not mean nonpolitical, however. After studying and debating issues, the League develops consensus positions that we then actively work to support through grassroots lobbying.

"Is the [League] political? Certainly, but not partisan. Its members are as free as other women to join and vote with the party of their choice. They make no pledge otherwise in joining the League." — Carrie Chapman Can. 1919

First League-sponsored televised presidential debate: 1976 debates between Jimmy Carter and Gerald Ford, for which the League won an Emmy Award. These debates followed a tradition of providing voter information; in 1928 the League sponsored "Meet the Candidates," the first national radio broadcast of a candidate forum.

How the League reaches its positions: A two-year process of study and consensus. At its biennial convention, the League selects issues to be studied. After conducting a nationwide study involving massive information gathering and public dialogue, the study committee develops a questionnaire. Each League then debates the issue to arrive at a consensus. This consensus is meither a simple majority nor unanimity; rather, it is the "sense of the group" as expressed through the exchange of idea and opinions.

The League of Women Voters Education Fund: Established in 1957, the Education Fund is dedicated to increasing citizen understanding of major public policy issues and to promoting citizen involvement in government decision making. To further this mission, the Education Fund conducts research and produces publications on a variety of environmental, social, international and government issues.

Best slogaa: "Take Back the System." In 1992, with the voters' confidence and involvement in the electoral system at an all-time low, the League of Women Voters Education Fund launched its Take Back the System campaign in an effort to reverse this trend.

"Our energy, experience and enthusiasm will be contagious. Our democracy will be stronger and better for the effort we make. It's our system. It was designed to work for us — and be responsive to us. It's time to take it back — Susan Lederman, League president, 1991

Most pervasive myth: There are no men in the League. In 1974, the League's bylaws were changed to allow men to join. Several men have since served as state League presidents.

Technological changes: In 1921, Carrie Chapman Catt used three quarts of ink in conducting her correspondence; in 1959, the League used 110 pounds of mimeograph ink; in 1994, League computer printers used 21 laser carridges — in addition, we are conducting more and more of our grassroots correspondence via the Internet. By 1996 we hope to have vider information on-line across the country.

The League's three wishes:

- · 100 percent voter turnout in elections
- · fair and informative political campaigns
- · more women and minorities in public office

SPECIAL SUMMER BULLETIN OF UPCOMING EVENTS!

Box Luncheon Discussion with State Representative Thomas Lachner

Tuesday, July 11th 11:00 am to 1:00 p.m.

Community Room, Lake Bluff Public Safety Bldg.

(45 E, Center Avenue across from the Lake Bluff Village Hall)

Lachner will discuss issues of education reform, crime, legislative ethics, welfare reform and the state budget. All league members and residents of the district are invited to attend.

A box lunch from Scranton Cafe will be available by prevotor for \$5.00. The lunch will include a choice of than, lurkey, roast beef, turns salad or chicken salad sandwich; a choice of cole slaw, polato salad or chips; a canned drink; and dessert will be provided. For reservations and lunch orders, call Susan Garrett (285-600) and if purchasing a lunch, send your check (for \$5.00 payable to LWV Lake Forest-Lake Bluff) to: LWV Lake Forest-Lake Bluff, 400 East lilinois RA, Lake Forest, Le 60045.

You are encouraged to park in the lot at Artesian Park ratifier than in front of the Public Safety Building. To get to the lot, going east on Center Ave, pass the Public Safety Building to the first stop sign. Turn right onto Evanston; go to the next stop sign. Turn right onto Prospect (which will lake you info Artesian Park).

Caucus Study Needs You . . .

The first meeting of the Caucus Study Committee will be the evening of July 11th at 7:30 pm at Gorton Community Center. All league members interested in this study are encouraged to attend. For further information, call Phylis Albrecht (234-7062).

Kids 1st Health Fair . . .

If you have not yet phonod Patti Pihl (382-1700) or Sallie Hamm (362-6993) to volunteer for the Kids 1st Health Fair on August 2nd, now is the time. There are three shifts: 8:45 am - 12:30 pm; 12:15 pm - 4:00 pm; and 3:45 pm - 8:00 pm (usually ending before 8:00 pm).

March with the League!

Join us for our suffrage anniversary entry in the Lake Bluff 4th of July Centennial Parade and the August 2 Lake Forest Day Parade. A special invitation is extended to any daughters who would like to march with their moms. Northern Trust has provided "Future Voter" ters-shifts for them and we have suffragist purple sables for anyone else marching. Join us for one parade or both. To sign up or for thriter information, call Mary Ann Kiehl (285-9081).

Voter registration will take place after the 4th of July Parade in Lake Bluff. Any interested registrars, please call Ginni Magda (295-6892). Northern Trust Reception for the League

On Thursday, August 24 from 5:00 to 6:30 pm, Northern Trust Bank, Lake Forest will host a reception for the League to mark the suffrage anniversary. We have worked with the bank staff and will honor Lake Forest and Lake Bluff women who have served as elected and appointed government officials. Reservations are limited, so please call Diana Lloyd (615-9182) if you would like to attend We will call to confirm your reservation if there are spaces. Suffrage materials collected by the League will be displayed in the lobby on that day and for the following week.

Suffrage Anniversary Celebration Tea in Glencoe - You're Invited!

You loved her at Great Lakes. Now see Annette Kolansinski (who played Susan B. to rave reviews) present a 50-minutes program including five suffragists: Elizabeth Cady Stanton, Susan B. Anthony, Carrie Chapman Catt, Lucretia Mott and Alice Paul. Our league is one of several sponsors of a summer tea with these wonderful women which will be held on Sunday. August 27 at 11:00 am at the Glencoe Women's Library Club, 325 Tudor Court in Glencoe. Cost of the tea and program is only \$5.00 per person. See you there!

State Committee to Review Child Welfare/Juvenile Justice

Are you looking for a short term project? Dying to sink your teeth into a meaty public policy issue? Want a chance to work with interested, thoughtful people from around the state? If your answer is yes, this project may be for you. A state committee is being formed to review the LWVIL position on Child Wetfare/Juvenile Justice. The committee will begin its work in the fail, meeting about five times over the course of six months to prepare a statement in time for the 1996 Interim Council. Expertise on the topic is not required. If you are interested, call Betsy Lassar at 708/432-5740.

League to Hold Joint Community Discussion

Wednesday, September 6 - 7:30 p.m. Lake Forest Fire Station (Telegraph Rd.)

The League will be hosting an informal joint community discussion with Cay Manager Robert Kiely and Vilage Administrator Kent Street on Wetnesday. September 6th from 7:30 p.m. to 9:00 p.m. at the Lake Forest Fire Station on Fielgraph Road. Kiely and Street will provide an update of current plans for their respective communities. Following their discussion, members of the audience will have an opportunity to ask questions.

League president Diane Lloyd said, "It's tradition for the League to hold this meeting. We believe it's an unique opportunity to hear from both communities at the same time and hope that many residents will attend." Please call Susan Garrett at 295-4001 to make a reservation.

Affordable Senior Housing Overview

The League will be sponsoring an "Overview of Affordable Senice Housing" on Tuesday, September 19th from 11.00 a.m. - 1:00 p.m. at Gorton Community Center in the Friendd' Room. Guest speakers will be Lake Forest alderman. Abigal Fassnacht, Lake Forest Plan Commissioner Corinne Wood and Chuck Crook, Director of Community Development in Lake Forest.

Both Mis, Fassnacht and Mis, Wood (who are League members) have been involved in on-going serior housing discussions and studies for several years and currently serve on the Senior Housing Commission in Lake Forest. "We have explored many siles appropriate for alfordable senior housing and are determined to create an attractive solution," commented Alfeman Fassnacht.

All members and guests are invited. Please bring a brown bag lunch. To make a reservation, call Susan Garrett at 295-4001

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels, the League works to influence public policy through education and advocacy. Any person of voting age, male or female, may become a League member.

All members receive League Lines

President's Message . . .

What would we include in a yardstick to measure the health of democracy in local communities?

- What institutions and patterns of civic behavior lead to a healthy score and what strategies could be used to strengthen those institutions and behaviors in all communities?
- What kinds of projects could be designed to stimulate greater citizen involvement?
- What would we include in an aggressive citizen education and voter turnout strategy?

"An Initiative to Renew Democracy" is the tille of a campaign proposal from the national office that would focus the league's efforts on coming to grips with the lack of confidence in government replacing the cynicism, anger and rhetoric with reasoned public policy debate. The initiative would be launched at the 1996 National Convention in Chicago and would include an emphases on legislative priorities such as campaign finance reform that further the initiative. Strategy sessions at convention, training, technical sasistance and pass-through grants to enhance local and state participation would alb epart of the campaign. Let a board member know what you think.

Fall Membership Luncheon

Thursday, September 14 at the home of Linda Bartmes 242 Ravine Forest Drive, Lake Bluff 11:30 a.m. - 1:30 p.m.

-- Bring a friend or prospective member--Please respond to Judy Grisamore (234-3510).

Parliamentary Procedure Workshop

Tuesday, September 26 Gorton Community Center 1:00 p.m. - 3:00 p.m.

Does the thought of an out-of-control meeting concern you? Do you long for more effective and efficient meetings? Learn the essentials of partianentary procedure and the manners of good meetings from a pro-This is agood session for the earnest beginner as well as a refresher for the more experienced. Cosponsored by the League and the Senior Center, this free workshop will be held at Gorton Community Center. Please call the Senior Center by Thursday, September 21 to reserve a space (234-2208). The Senior Center will serve lunch at 1:200 pm. If you are interested in making a reservation for tunch, please call the Center. Lunch s 3:350 per person.

Local issues and Update

Study Opportunities

Local Nominating Procedures Study Group: Our League's local study of candidate selection procedures in our two communities is just getting underway. We welcome - and need - the participation of League members from both Lake Forest and Lake Bluff. Please join us at our meeting on Wednesday, September 20 at 7:30 p.m. in the Friend's Room at Gordon Center.

To date a small group of us have met a few limes over the summer and have developed a survey to be used this fail in polling a broad spectrum of communities, both local and in other regions, to explore what variaties of candidate selection processes are in use. This timely study promises to be of great interest and benefit to our two communities. Please join us and help to whatever extent your schedule permits. Call Phylis Albrecht (234-7052) for more information.

Knollwood Annexation: We will review and discuss the December 1994 <u>Analysis of the Fiscal Impact of</u> Knollwood Annexation Report to see if it has a bearing on the existing League position which supports Knollwood annexation to Lake Bluff.

If you would like to participate, please phone Alice Slevert, 234-4133, as soon as possible, to obtain a copy of the report and to state your preference for either Thursday, September 21 or Friday, September 22 for an 8:00 a.m. breaktast meeting at Alce's home. Coffee, juice, baked goods, etc. will be ready at 7:30 a.m.

Welcome New Members!

We Won!

LWV Lake Forest/Lake Bluff won three awards at the State League Convention in June:

- outstanding fundraiser (for our May celebration of suffrage and women who make a difference);
- best appearance for a large league newsletter; and

honorable mention for growth in membership. Congratulations!

Bridge Anyone?

Anyone interested in playing with the League bridge group, please contact Margie Olincy at 234-0624

LWV- Lake County: Issues and Update

A preliminary report from Eleanor Knight is that over 1700 children were served at the Kids' 1st Fairt 140 volunteers helped make this possible. A more complete report will follow next month.

Lake County Study

Want to learn more about Lake County land use, growth patterns and transportation systems? Join the League of Women Voters of Lake County to study and educate the membership about Lake County today. If interested, call Jean Baencier, study chari, for details at 945-8197.

Great Decisions . .

What: Great Decisions

When: Friday, September 8, 1995

- Where: Betty Buker's 485 Oakwood Ave., Apt. A3 Lake Forest
- Questions? Betty Buker 234-4509

Great Decisions is an interest group, sponsored jointly by AAUW and LWV of Lake Forest, Lake Bluft, to discuss the topics of the Foreign Policy Association study guide. After taking a vacation in August, Great Decisions will resume meetings on September Bth. Topics to be read and discussed are:

September	8:	United Nations at Fifty: Reaching Out or Overreaching?
October November		Nuclear Proliferation: Can It Be Capped? Promoting Democracy: America's Mission?

After November an interval will occur until February when the study guide for 1996 will be available and the meetings will resume.

Celebrate the 75th!

You're Invited to a Tea Party!

To further celebrate the 75th Anniversary of the passage of the 19th Amendment, a special celebration - a tea party will be held October 29th at the Linconshire Marioti. This event is being planned by the Lake County Women's Coalition. In conjunction with the October celebration, there is to be alck-off event of march around the inside of Gurnee Mills on August 26th, the actual date the Amendment was signed. If you'd like to join the marchers, please bring your own placerd. For more information, contract Shirley Millsman, LWV-Lake County president (945-8048).

Time is Running Out

... On your opportunity to attend the Barrington Area CHAMPAGNE BRUNCH with SUZANNE CALDER Sunday, September 17, 1995, 11:30 a.m. at the Barn of Barrington (1415 South Barrington Road, Barrington, IL). If you wish to attend, a check for \$25.00 must be sent before August 30th. Send checks to LWVBA PO Box 1501, Barrington, IL. ACT FASTI SEATING IS LIMITED! This is another event to celebrate our 75th anniversary.

LWVIL- State Issues and Update

At convention, delegates requested the state board oppose cuts in Amtrat service. After research, I appears that the most effective way to influence the delate is for individuals to write their own members of Congress, Senators Mosely-Braun and Simon, and the President. They need to know the impact such service cuts would make on people's filestyles.

Looking for a Golden Opportunity?

Would you like an opportunity to wrestle with substantive public policy issues? Would you like to contribute and/or develop expertise and skills while engaged in a worthwhile pursuit? Would you enjoy working with other thoughtful League members from around the state? Being on a state-wide committee or task force can be just the opportunity you are looking for.

LWVIL is in the process of forming two committees and a task force to implement three new action items adopted by the 1995 State Convention for the 1995-97 bitemium: a Working Committee on State Tax and School Funding Reform, an Action Focus on Breaking the Cycle of Violence and a Task Force on Senior Care.

If you are interested in working on one of these items, call the League Office at 312-939-5935 or LWVIL Program VP Betsy Lassar at 706-432-5740.

Breaking the Cycle of Violence in the Lives of Children

"The problem of violence in America is unlike that in any other developed country... The interaction of poverty, racism, drugs and alcohol, the loss of jobs with decent wages in our inner cities, gangs, inadequate handgun regulation, lack of personal opportunity and responsibility, disinvestment in schools and after-school activities and family violence play a critical role on our culture of violence" (<u>Chicago Thume</u>, 12/18/93)

Join the League's Violence Prevention Action Focus of Breaking the Cycle of Violence in the Lives of Children Help us research the causes and effects of violence against children - both on the child and society. Work with us in identifying and evaluating current prevention programs. Assist in the development of our action program --Keeping Our Children Sate.

In the first year of this action focus, we will prepare educational materials on violence against children, the causes and effects. We will research such topics as drug abuse, alcohol abuse, sexual abuse, violence in the home, neglect, poverty, the entertainment industry and guns. Plan to meet experts a our committee meetings!

Phase two will focus on what local leagues can do in our communities and across Illinois to keep our children safe. How can we plug into Illinois' Violence Prevention Act? What in-place programs work? We plan to present a menu of items for local league action!

Ambitions? Yes! Do-able? Absolutely/ All we need are entrusiastic members who are vitally interested in kick 'issues and breaking the cycle of violence in Americal 'So join us! Our first meeting is scheduled for Thursday, September 7 from 10:00 a.m. to noon at the State office. Call Barb Lippa (708/432-8163) or Mary McLaughlin (708/831-1443) with your suggestions, comments . . . and to tell us you're joining us! Walk Against Handgun Violence September 10 - 1:00 p.m. Pioneer Court on Michigan Avenue for further information, contact: Barb Lippai, 432-8185

Update on ERA

At the state level, the Equal Rights Amendment, HJR 14 CA, was reintroduced with bi-partisan sponsorship in the Illinois House this past spring. There are five primary co-sponsors, led by Louis Lang (D-Skokie). It is currently in the House Executive Committee and was not heard this spring.

At the national level, Senator Ted Kennedy (D-MA) has reintroduced the ERA in the Senate without a time limit for ratification. Rep. Rob Andrews (D-NI) has introduced a resolution in the House stating that if three more states ratific ERA, congress will take whatever action may be necessary to validate ratification.

For more information, call Pat Polos, ERA Illinois (312/262-6039).

When time is of essence in contacting your members of Congress, you can call them at this toll-free number: 1-800-972-3524.

LWVIL 47th BIENNIAL CONVENTION SUMMARY

The 47th Biennial Convention of the League of Women Voters of Illinois was held June 3-4, 1995, at the Bismarck Hotel in Chicago, IL.

Plenary Sessions

The LWVIL Budget for 1995-96 in the amount of \$135,185.00 was adopted. PMP for 1995-96 will be \$17.50; PMP for 1996-97 will be \$18.00.

Bylaws were amended to change the wording in four articles. Each would require that convention materials be mailed six weeks, instead of the current two-months, prior to the convention and council.

Program: The recommended program items and one not-recommended item were adopted. The delegates voted to retain the current positions with a concurrence on the proposed revision of the Criminal Justice position. The program for the 1995-97 biennium will include:

A Working Committee on State Tax and School Funding Reform

Education of members and the public; advocacy at the state level; work with state-wide coalitions; support local Leagues who choose to work actively on these issues.

An Action Focus on Breaking the Cycle of Violence: Promote efforts to prevent violence in all forms in the lives of children:

Education of members and the public; collaboration to bring abut changes in local communities; lobbying at federal, state and local levels.

A Task Force on Senior Care

A) to develop a survey to be used by local Leagues to identify needs and strategies for living and care options for the elderly, and

B) to recommend what, if any, future activities LWVIL should undertake.

Two Will of Convention motions were passed. LWVIL will:

Support Cook County and Chicago Leagues' health care reform efforts by distributing periodic information to local Leagues;

Provide guidance and encouragement to local Leagues to speak to their legislators regarding the lack of reasoned discussion and public input in the legislative process during this past session.

LWVIL Officers and Board Members and Nominating Committee were elected unanimously. Delegates also voted to re-nominate LWVIL Past President Eleanor Revelle to the Board of Directors of the LWVUS.

The facilitator training opportunity and other workshops were well received. The address by Deborah Leff of the Joyce Foundation on campaign finance reform is available by request from the LWVIL office.

THE 75TH ANNIVERSARY GALA WAS GREAT!!!!

WORKSHOPS

Leadership Development

Is getting people to say "yes" – to join, to help, or to lead – a problem? Your prospective member, volunteer or Board member will say "YES!" more often when you take home proven strategies, cutting-edge ideas and hot tips from this LEADERSHIP DEVELOPMENT workshop. Ideal for Presidents, Board members, Nominating Committee members and others who want to help ensure fresh recruits for a re-cnergized League.

. Who's In Charge? .

Does the thought of an "out of control" forum or candidate debate concern you? How will changes in the Open Meetings Act impact public meetings? Attend this VOTEN SERVICE workshop to gain insight into: candidates and managing their participation in a forum Formats for moderating and/or facilitating public meetings Verything that you need to know about holding-or attending-a public meeting.

· Are We Having Fun Yet: Fundraising Tips and Techniques ·

Does the mere thought of "fundraising" make you cringe? Have you said, "I'll do anything for the League, but not fundraising!" This workshop will focus on proven strategies for success in fundraising that will improve three parts of the League's operation: the program, the membership, and the publicity. You will also discover the "fun" in fundraising by examining some of the successful fundraisers that other League's have conducted.

Local Action •

What is League "action"? Which action model should you use - advocacy, facilitation, community education? How can action help your League be more visible and attract new members? Join us to learn how to select and construct a visible local action campaign. We'll examine successful League action projects and help you design one for your community.

GENERAL SESSION

Violence Prevention .

Breaking the Cycle of Violence in the Lives of Children: A report card on the state of Illinois. How are we doing -what are we doing? How does the 1995 Violence Prevention Act affect our children? What actions can a local League mittate to help their community?

COST and REGISTRATION

The cost of this action-packed day of condensed learning, sharing and fun is \$17.00 per person (box lunch included). Please postmark your registrations 10 days in advance of meeting date to avoid the \$2.00 per person late fee Contact your local League previolent to register. Or call the state office at 12/039-5935. A \$2.00 per person refund charge will be deducted from any refunds, no refunds can be issued for cancellations received after the 72-hour catering deadline.

Esther Veide

Ester Velde, president of the Lake Bluff League from 1950-1952, died August 25, 1995.

Exert is fondly remembered by Lake Bioff Leaguer members as an intelligent and lively person. She was born in Cripte Creek, CQ, where her father was a mining engineer. She attendet the Universities of Arizona, and Colorado. Both she and her husband James A. Valde, a retired Chicago lawyer, worked at Hull House in Chicago during the life of its founder, Jane Adams. She was also a member of the governing board of Hull House and vice president of where.

She is survived by her husband; a daughter, Mary Margaret Finn Velde Uyeki of New York; four grandchildren; two great-grandchildren; and three sisters. Lake Forest - Lake Bluff League of Women Voters

PRESIDENT'S MESSAGE . .

We are off to a running start again this fall and invite you to take time to sample some of what the League has to offer. Susan Garrett and Cindy Morehead have planned an excellent lineup of programs and brown bags.

And thanks to Lorraine Bach, not only did we have our community update and senior housing brown bag on cable, but we are also looking forward to a cablecast forum this month for candidates in the contents of Lake Forest District 5 school board election. And now you can tune into Lake Forest Cable's information channel #17 for information about Leavue programs.

Special thanks to Char Kreuz and Joan Kaltsas who took time this summer to help identify the 250+ local women who have served in elected and appointed government positions. Without their background work, we could never have put together the outstanding reception at Northern Trust. And now we have a permanent record of the women who have served that we can deposit in both of our libraries and in our own files.

Thanks also to Phylis Albrecht and Alice Sievert from the togue and to Barbara Davis (Chy of Lake Forest), Sue Goursd (Ch15), Joyce Lieins (D65), Pauline Thorsen (Village of Lake Bluff) and Ann Whipel (D67) for their invaluable assistance in identifying names and addresses. Lorraine Bach, Judy Grisamore, Susan Kessler hosted for the League and Carolyn Lloyd heiped with the suffrage displays. Judy Grisamore has been working steadily this fall on the thankless task of collecting our membership renewals and the more exciting job of recruiting new members. Last year Judy won an award for our league for the largest increase in new members in the state.

If you haven't yet renewed your membership, do it today, and same judy some work! And, just as importantly, please forward to Judy the names of anyone you know who is seeking intelligent company or worthwhile work and who might enjor League membership!

Viane Days

WOMEN IN GOVERNMENT

More than 60 Lake Forest and Lake Bulf women who have served in elected and appointed government positions joined the League and officers of Northern Trust Bank for a champagne reception to celebrate the 75th anniversary of the passage of the 19th amendment on August 24.

Of just over 250 local women who have served since the 1920s, 120 still have local addresses and more than half were able to join us in late summer to mark the date! We celebrated the occasion by reminiscing about the achievements and some of the hurdles there were to jump. We renewed acquaintances and marked our own "firsts":

Women who were the first to serve in the particular position include:

In Lake Forest:

- Virginia Frederick, Alderman (1974-78) and State Representative (1978-95) Sue Gravenhorst, University of Illinois Board of Trustees (1984-present)
- Mary Casselberry, City Supervisor (1988-91)
- Mary Ann Hodgkins, Plan Commission (1980-81)
- Grace Murray, Zoning Board of Appeals (1980-83)
- Beverly Jane Sanchez and Nancy Paul, Construction Codes Commission (1994-present)
- Anne Adams, Cemetery Commission (1975-79)
- Virginia Clarke, Building Review board (1962-63)
- Kimberly Tunney, Lake Forest Cable Commission (1991)

In Lake Bluff:

- Theresia Yakes, Shields Township Assessor (current)
- Sybil Yastrow, Regional Superintendent of Schools
- Phyllis Albrecht, Village Trustee (1973-81) and Village President
- (1981-85)
- Babette Rosenthal, Village Clerk (1975-77) and Shields Township Trustee
- Helen LaCroix, Architectural Board of Review (1982)
- Virginia Brodbeck, Plan Commission (1972)
- Mary Clark, Zoning Board of Appeals (1980-82)
- Betty Ferris (1957-61) and Margaret McGhie (1957-63), Park Board

PUBLIC POLICY ISSUES ADDRESSED

□ KNOLLWOOD ANNEXATION

Annexation Review

Alce Sievert announces a meeting to review the League's position on the annexation of Konlwood. The group will took at a cost analysis and other issues. The trackats meeting will be held at 7:30 a.m. on September 21 at Alice's home (233 E. Washington Ave., Lake Bluff). Possibly more than one meeting will be needed. Call Arbic of you glan to stand (234-4133).

Public Meeting Moderated by League

A public meeting on the issue of Knollwood annexation will be held on October 19 at 7:30 p.m. at the West School in Knollwood. The League has been asked to moderate the meeting. Critzens must present their questions in writing.

Petitions

Petitions both FOR and AGAINST the annexation of Knotlwood can be signed at the West School.

LOCAL NOMINATING PROCEDURES SYMPOSIUM

The League will be hosting a symposium, "How We Become Candidates: Local Nominating Procedures," on Thursday, October Shi from 7.06 pm. -9.06 pm. In the Friender's Room at Goron Community Center, Guest speakers will provide a review of the causus process of nominating candidates for municipal offices and school bands in Lake Forest and Lake Bluff and an overview of candidates in one nonset by a causus.

Panel members will include M. David Cain, President of the Lake Forest Caucus; Glen Alexander, President of the Lake Bluff School Caucus; and elected officials who ran as independent candidates, Richard Ernest, Lake Forest Aleternan, and Douolas Scheutz. Lake Bluff Wildow Trustee.

Background information on the Lake Bluff Park District Caucus and the Lake Bluff Village Progressive Party Caucus will be given by Phyliis Altrocht, former Village of Lake Bluff Board President. Information with be provided on how citizens become candidates without the endorsement of any formal organization.

"How We Become Candidates" is part of the League's current study of reviewing local nominating procedures. If you are interested in participating in the League study, call Phylis Abrecht at 234-7062. If you plan to attend the symposium on October Sth, call Susan Garent at 255-4001. The symposium will be cablecast.

CANDIDATES' FORUM FOR DISTRICT 67 SCHOOL BOARD

Lake Forest Lake Bluft League of Women Voters is sponsoring a CANDIDATES' FORUM for candidates for the Lake Forest District 67 School Board on Thursday, October 12 from 7:30 p.m. -9:00 p.m. in the Friends' Room at Gorton Community Center.

□ ALTERNATIVES TO INCARCERATION

A workshop to be led by Ciscuit Judge Raymond McKoski, Greg Light and Mark Montenurro will give information on various, forms of Lateratives to traditional sentencing. The workshop will take place on September 21, from 4:30 p.m. to 7:30 p.m. in Courtorom 202 at the Warkegan County Building. There will be a \$5:00 channel for laterative for sentencing at the worksegan lunch.

□ ADDRESSSING THE NEEDS OF TEENS

On November 14th, from 9:30 a.m. to 11:30 a.m. a symposium of speakers will consider the needs of teens. A United Way study has shown that teens do not have a place to congregate and the League wishes to make a difference. The symposium will be held in the Green Room at Gorton Community Center. Local speakers will be announced.

The League of Worr	en Voters of

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels, the League works to influence public policy through education and advocacy. Any person of voting age, male or female, may become a League member.

All members receive League Lines.

PREVIEW OF LWVUS PROGRAM PLANNING 1996-98

Recently LWVUS has been urged by a significant number of members to undertake a grassroots campaign to rebuild citizen confidence in government. Those suggestions encouraged LWVUS to develop a concept proposal for an Initiative to Renew Democracy, to be the form for the League!s advocatey and education activities for the 1995-99 biennium. League!safeare statending Council '95 in June responded so enthusiastically that LWVUS is recommending the concept to all Leagues for consideration during the program planning process.

We will be asked whether this concept should be the focus of the League's national program for 1996-98 and what kinds of activities we would see as having the greatest potential to strengthen participatory democracy in our community and in the nation.

Our comments are welcome about the proposed concept at any time during the coming weeks. --- reported by Susan Kessler

LEAGUE OF WOMEN VOTERS - ILLINOIS

The 1995 LWVIL convention adopted a Will of Convention directing LWVIL to: "provide guidance and encouragement to local Leagues to speak to their legislators regarding the lack of reasoned discussion and public input in the legislative process during the past session."

The LWV LF/LB had a dialogue with Representative Tom Lachner during a box luncheon July 11th in Lake Bluff in which the following concerns were addressed when public participation in committee hearing is stiffed.

 The League believes that the legislative process must be open to the public and provide ample opportunities to evaluate and comment on legislative proposals, particularly during committee proceedings.

 "Fast track" legislation in which identified problems were ignored for the sake of political expediency.

 The League believes it is crucial to seek public and professional input and to proceed with measured deliberation on complex issues.

 Diminished input of individual legislators with the increasing control of party leadership.

5) The League believes that in order for our system of government to be representative, responsive and accountable, the viewpoints of individual legislators must be sought and respected. --- reported by Susan Kessler

MEMBERSHIP RENEWAL Dues are duel All members are urged to renew as soon as possible. If all members renew and we add our wonderful new members, our chapter will roceive a monetary award for our Education Fund. Send your check and form to our mailox as soon as possible.

-- Judy Grisamore

KIDS' 1ST HEALTH FAIR CONTINUES TO GROW

Attendance at the Kids 1st Health Fair on August 2nd was obviously much greater, according to volunteers who have worked more than one year. The lines of popole never stopped until mid-afternoon, but the breathing spell was short and the crowds returned after work. We have a more accurate account of the number of children attending this year. TYOO children came with their parents/guardians and 2430 toys and back/packs/totes were distributed. The following comparisons are now available, with much more yet to come:

> 1993 490 families 312 lead tests 585 kids immunizations 371 dental screenings

1994 606 families 374 lead tests 681 kids immunizations 828 dental screenings

1995 706 families 483 lead tests 938 kids immunizations 1208 dental screenings

We tried having local outreach committees in targeted towns; all of them ran buses/vans into the Fair, but it did not increase the percent attendance from outlying areas. However, since the total attendance was up, the actual number of families from outlying areas was greater, too.

Needless to say, virtually every book and most of the backpacks and toys were distributed to delighted kids effort that local Leagues put into collocing, as oning, and packing the loss munch appreciated. There were also lots of logal Leagues volunteering the day of the Fair. In fact, it was like old home week for some. It is these 600 volunteers that make the Fair so successful - and we can't thank you enough.

The Steering Committee is looking for some additional volunteers who would help with school supplies, fundraising (people are generally deliphted to donate to this cause), outreach, publicity, books, signing up volunteers, etc. If you would like to given us some time in the months ahead, please call Beryl Flom, 945-1937. — Eleanor Kright HAZARDOULS WASTE WASTE CAUSE & JEDICATION FUNDING &

HAZARDOUS WASTE

The Illinois Environmental Protection Agency, together with Baxter Healthcare and numerous Lake County communities, hosts a household hazardous waste collection day on October 7 from 8 a.m. to 3 p.m. at the Baxter Round Lake Technology Park, State Route 120 and Wilson Rd.

This event provides residents with an opportunity to safely dispose of items such as point, paint remover, insecticides, weed killer, fungicides, aerosol products, furniture stripper, solvents, household cleaners, metal polishes, presciptions, hobby chemicals, used motor oil, antifeeze, old gasoline, pool chemicals and drain cleaner.

For more information, contact Baxter Healthcare at 546-6311, or the Solid Waste Agency of Lake County at 336-9340. ENVIRONMENTAL SEMINAR The Lake Michigan Inter-League Groups is having an environmental meeting in Chicago in the form of a floating semirar. This is a waterways cruise and environmental seminar. The group will meet at the foot of the Wrigley Building in Chicago on September 30 at 8:30 a.m. and will return at 4:00 p.m. Cost is \$4500. I hintersets, County League Board president Shirley Williams at 945-8049.

GETTING TO KNOW LAKE COUNTY

Jean Baenziger is looking for people to help with this study. Issues to be addressed are still being formulated. The committee will drive around Lake County while pursuing this issue... and Shirley! Williams has volunteered her Jeepi! (i interested, call Jean at 945-8197.

EDUCATION FUNDING & SINGLE PARENT AND DISPLACED HOMEMAKER PROGRAMS

Join community leaders and area legislators to find out how proposed changes in education funding would affect single parent and displaced homemaker programs at Happer College on Thursday, October 12 from 5 p.m. to 7 p.m. in Happer Bilatine at the corner of Roscelle and Algonquin Roads. For information, call kathy Lindstom, 925-6558.

TURN ON, TUNE IN, DIAL 615-3437 . . .

The League now has several addresses on Lake Forest Cable's Information Channel #17. Watch the on-fine menu for our listings and then dial 615-4347 and the three digit number holding the information you wish.

We have posted information about membership in the League, the names of our board members and detailed information on upcoming programs.

Try it and tell us what you think!

Dates to Remember . .

THANKS!

Many thanks to Lorraine Bach who has arranged for the Leagues' symposia to be cablecast!

And to Mary Ann Kiehl and our suffrage entry in the Lake Forest Day parade which won third prize (and now we have a plaque to prove it!) in the civic/social/tratemal category. We were the only non-motorized entry. Kudos to Mary Ann who got the ball rolling!

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels, the League works to influence public policy through education and advocacy. Any person of voting age, male or female, may become a League member.

All members receive League Lines.

PRESIDENT'S MESSAGE

In the League, October is often the busiest month. This year is no exception. Our forum for candidates for Dismit 67 school board in Lake Forest and the panel discussion on the possible annexation of Knollwood to Lake Bluft were well attended, informative and essential norpartisan services we provide to our communities.

Not only did we provide these services locally, but several of our members served as moderators for pre-election forums in other communities. Next month, leaguers will be serving as election judges or election day field representatives for the office of the Lake County Clerk.

WHAT'S IT ALL ABOUT? BASIC LEAGUE

Join the board from 7:30 to 8:30 on Wednesday, November 1 for a one hour training session on League.

Betsy Lassar, our state league communicator, will be on hand to give us a once over from the ground up with no holds barred.

All members welcome. Gorton Community Center Friends' Room.

CABLECASTING IN

At its October 2 meeting, the Lake Forest City Council decided to include equipment for cablecasting council meetings on a list of capital improvements for the renovation of City Hall.

Contributions for these improvements will be sought from the community.

WELCOME TO NEW MEMBER Joy Hodgen 50 Maywood Rd., Lake Forest This is some of the most important work we do and how we are best known in the community. Special thanks to Phyllis Albrecht, voter service chair, Melanie Rummel, who moderated the panel in Knollwood and to all who helped!

We also presented a panel discussion on cable "How We Become Candidates" to kick off our study of local norninating procedures. We hope you will watch on cable channel 19. We now have a League time sion and our programs play a few times a week at either 5:30 or 6:30p.m. So now you can cook with the League!

Report on Knollwood Annexation Breakfast Mtg, 9/21/95

Fourteen highly molivated League members mel a locak of dawn to review the existing League position, which supports the anexasion of Knokwood by Lake Buth. This position was adopted by the Lake Buth. Eague before its merger with the Lake Forest League, and before a 1990's annexation attempt approved by Knoilwood, but rejected by 3 votes in Lake Bluft.

Hecently a group of Knollwood residents initiated a re-examination of annexation, and contacted the Village Board of Trustees. A Joint Task Force was set up, a consultant was hired and the report, "Knollwood Annexation Fiscal Impact Analysis", submitted in December 1994.

We reviewed his 50 page report. League members who had been involved with the previous annoxation attempt and with subsequent efforts by Knolvevod to incorporate, provided insights into the past. Members with expension in assessing costs for municipal services, evaluated the consultant's cost estimates.

We found that the report failed to address the major advantages which annexation would provide to Lake Bluff residents, and failed to investigate the possibility that annexation costs could be cut by phasing in municipal services and possibly by delaving a fire department merger.

The principal benefits of annexation to Knollwood were listed as: a more rapid police response time and regular patrols, twice-weekly garbage pick-up, greater zoning control, Lake Bulff Library membership and improved water pressure for fire department needs.

However, the isting of advantages to Lake Bluf relations laided to meniton that 1) Lake Bluf chickren attending Park District pre-school classes and the Lake Bluf Chickren's Center in Knolwood's West School would also benefit hom better police response time and improved water pressure in case of frie; that 2) contiguous boundaries for Schools, Park and Village would allow for cost savings due to excliment sharing; and that 33 contraig control by the Village over areas currently within the LB school and park districts, would be of themancial benefit to Lake Buft responses. This is because redevelopment of the increasingly valuable land in Knolwood, much of which is now occupied by single tamily homes could either result in greater housing density (which wood put a strain on occupied by and park facilities) for would provide increased tax revenues to Village. schools and backs.

Some Knohlwood residents lear that annexation would bring higher property values and higher taxes and usar fees. While tax raises for the Lake Polit Elementary School and Park Obstricts and the L-LB High School Obstrict would not be changed by annexation, tax rates for municipal services would increase somewhat, I existing services are taken over and addinous lakevices provided by Lake Buitt, A1 present, services are provided by Lake County, Shild's Township, other taxing bodies, or are contacted for the individual bomorgeners.

A major initial fundin shortfall is projected by the consultant, if Lake Bluff assumes responsibility for these services immediately after an annexation. This is due to the long lag between property lax collection in Lake County and distribution to municipalities. The Village is now investigating whether annexation can be followed by a gradual phase-in of Village services or an immediate transfer of tax revenues from governmental bodies which currently provide these services. Unless this can be done, the shortfalls in years 1 and 2 after annexation would be \$936.800 and \$211,500, respectively. Financing a bond issue @7% interest would add \$700,000 over the life of the bond. The shortfall would be much lower in years 3 through 19, and would become a surplus in year 20.

The outcome of any annexation referendum would most likely hinge on financial considerations. These would include the size and duration of the shortfall, how expenses would be apportioned between Knollwood and Lake Bluft residents, and whether residents of each area would have adequate assurance that they would not have to pay for near term infrastructure improvements in the other area.

Another major concern to both communities is that annovation to Lake Bluft laide, Knohwood would probaby net remain as us: Guenn he increasing Knohwood business tax base, Knohwood Sokas and Nomi Chaego. The latter has held of annevation maves because of an held of annevation maves because of an agreement with Lake Flutt but cocently sathed is intent to annex areas in Knohwood (Neves Sur, Sur, 9 L0, 1935).

Some votes may be cast on the basis of fears that annexation would change the character of a community, and some Knollwood residents are concerned that they might not have representation on the Village Board.

Hopefully some of these concerns were addressed at the October 19, 1995 informational meeting on Knollwood annexation, which was planned by Knollwoot residents and the Village Board. Village Trustees answered written questions which had to be submitted a month in advance to allow adequate time for well researched responses. Follow-up questions were accepted in writing during the meetino.

The League was asked to provide a moderator, question collectors, and petition circulators. Melane Rummel, former President of the Lake Forest Elementary District 67 School Board, was the moderator. Other League members from Lake Forest assisted at the meeting and are in charge of annexation petitions which are available for signature by Knotlwood property owners on the two Saturdays following the meeting.

-- reported by Alice Sievert

If Knoliwcod residents petition for annexation, the League will then decide whether to be active if the issue comes to referrendum in Lake Bluff.

THE LEAGUE IN ACTION

PROGRESS ILLINOIS

Good news! Progress Illinois, the tax reform coalition chaired by the League, has received a \$20,000 grant to develop a tool (or model) to evaluate proposals that will impact tax and school funding proposals.

Earlier Progress had received a grant to investigate whether the state has a structural deficit in its General Funds. That research has been completed by a team of professors from the institute of Government and Public Affairs at the University of Illinois and a report will be issued this fall.

The initial research will demonstrate how the growth of the Fund's revenue is unable to keep pace with the state's expenditures. The second piece will be valuable to help evaluate the effect of proposed programs or legislation on illinois' revenue growth, local communities and taxpayers.

PROJECT VOTE SMART

Project Vote Smart. a non-profit, non-partisan organization, is offering its "U.S. Government: Owner's Manual" to League members at no cost.

The 75-page paraphile includes a variety of information about each member of the U. S. Congress, including performance evaluations by a politically diverse group of rating organizations, campaign finance information and votes on a variety of issues.

To receive a copy free of charge, call 1-800/622-7627 and identify yourself as a member of the League of Women Voters.

LWY ILLINOIS UPDATE

The LWVIL is active on various fronts. Their September mailing contained information relative to involvement in:

LWVUS GRASSROOTS LOBBY CORPS

EVERYDAY.

WHAT'S MISSING?

YOU!

There are now approximately 400 participants in the LWVUS GRASSROOTS LOBBY CORPS. We have enthusiasm, drive and commitment, but if we don't have you, we haven't reached our mark. WE STILL NEED THAT STRENGTH THAT COMES FROM NUMBERS! Won't you join us?

When have so many League-supported programs and positions been under attack? Let's stand up for our beliefs! By responding to special, targeted lobby requests, members of the Grassroots Lobby Corps are doing just that, enhancing the effectiveness of the League's advecace work at the national level.

Participants agree to contact their members of Congress promptly -- by phone, letter or e-mail -- in response to special lobby requests sent directly to them by LWVUS. Your local League has been invited to participate as an organization and YOU are invited to join as an individual

Complete the form below and send it to Cathy Sullivan, LWVUS Grassroots Coordinator by e-mail at 75444.3132@compuserve.com or by fax to (202) 429-0854. Or mail it to LWVUS, 1730 M Street, N.W., Washington, D.C. 20036.

Deputy Registrar Training - Jan. 31 at Gorton

A representative from the County Clerk's Office will conduct a one-hour deputy registrar training session for League members who wish to register voters. The session will be held from 7:00 - 8:00 p.m. on Wednesday, January 31 in the Green Boom at Gorton Community Center. There is no charge.

If you are planning to attend, please call Diane Lloyd (615-9182) or Ginni Magda (295-6892) as soon as possible so there will be adequate supplies and ID cards can be prepared in advance. However, don't hesitate to come if you learn you are available at the last minute. Once you complete this session, you are immediately able to register voters and could help out at Lake Forest High School on February 5 for an inspiring start!

Voter Registration at LFHS - Feb. 5

The League will be registering voters at the Lake Forest High School in the student cafeteria from 10:30 a.m. - 1:30 p.m. on Monday, February 5. Any new or current registrars who are interested in helping please call Ginni Magda, 295-6892

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels, the League works to influence public policy through education and advocacy. Any person of voling age, male of female, may become a League member.

All members receive League

PRESIDENT'S MESSAGE .

Happy New Yearl Much has happened since our last newsletter in Novembert Our panel "Addressing the Need of Our Teens" was a good first follow-up on the United Way study and drew well over 100 peopte in November. Thanks to our program chairs Susan Garrett and Cindy Morehead and to Arme Casar who pulled together an excellent panel and resection following the discussion.

Thanks to all of you who supported the State League phonathon in November. Lake Forest and Lake Bluft League members contributed a total of over \$1600 to the State League. Fifteen percent of that was returned to us and, with a \$50 bonus for the number of callers we sent and a local match from an anonymous donor in our League. we served over \$800 in three hours.

Ann Hollis and I served as election day field representatives through the County Clerk's office during the November elections, became better acquainted with the election process (and with Deerlield and Zion) and earned \$200 for the League.

Best of all, Sue Engelhart, our fundraising chair, put together a cookie exchange, light holiday luncheon and raffle early in December which was great tun and raised \$374. Thanks to Sue and her committee (Susan Garrett, Ann Hollis and Elaine Stayton) and to all who contributed times for the raffle. Finally, dramatist Annette Kolasinski brought Alice Paul, Elizabeth Cady Stanton, Lucretia Mott, Carrie Chapman Catt and Susan B. Anthony to our Holiday luncheon. Thanks to everyone on the board who provided the meal and became the clean up committee.

Now, we're looking ahead to the last few months of the League year, which ends with the Annual Meeting in April. The nominating committee and bylaws committee are at work and are happy to receive your suggestions.

We have an excellent speaker on the topic of violence in the lives of women and children for our February meeting. Local and national program planning will take place at the February board meeting (members are great) encouraged to attend and to suggest into activities surrounding the General Primary Election in March.

We need leaguers to work on a candidate forum (call Phyllis Albrecht) and to help with some of the election day jobs offered through the County Clerk's office and more leaguers trained to register voters. We worked with the Highland Park League to set up a training session on January 31

Jump in and help us get off to a good start in the New Year!

distant.

BOARD HIGHLIGHTS

- Treasurer reported a total of \$11,417.80. \$1,100.00 was raised from November and December fundraising events and activities.
- Board decided to put \$4,000.00 in a six-month certificate of deposit.
- Board decided not to participate in the student/parent mock election unless league members can be found who would like to organize the program.
- Board agreed not to plan an all-League event before or after the Capitol Steps event on March 30 since the date falls during the Lake Forest and Lake Bluff public school spring break.
- Board agreed to plan a single evening Candidates' Forum in late February for the contested elections in the March General Primary Election (state senator, state representative and county board member)

BROWN BAG LUNCH & PROGRAM - Wednesday, February 7

Preventing Violence in the Lives of Children presented by Detective Portia Wallace

> Wednesday, February 7, 1996 Ragdale (White House) 1260 Green Bay Road, Lake Forest 11:30 a.m. - 1:00 p.m

Bring your own brown bag lunch; coffee will be provided. Reservations: Susan Garrett, 295-4001 Detective Wallace of the Juvenile Office of the Lake County Sheriff's Office has been dealing the criminal investigations for 15 years. She has made numerous presentations on child-related issues and has been involved in training other officers and social workers who deal with domestic violence and sexual abuse.

An active volunteer working with children's programs especially Big Brothers-Big Sisters of Lake County, she has received numerous awards for her volunteer and professional work. In 1993 she was named one of the Top Ten Volunteers of the Year by North Shore Magazine.

CANDIDATES' FORUM

Phylis Albrecht, Voter Service chair, is organizing Candidates' Forum for the contested election in the March General Primary Election for the offices of state senator, state representative and county board member.

The time and place of the forum are yet to be determined. <u>Watch your mail for a special notice of</u> this forum. Leaguers are needed to assist. Please call Phyllis at 234-7062 to help.

The election date is Tuesday, March 19, 1996.

NEW, EXPANDED LEAGUE DIRECTORIES

Many thanks to Alice Sievert and Ann Hoiks for their work on our new membership directory. In addition to the usual names and addresses of League members and elected officials, new information includes background on the League, League positions at the national, state, regional, country and local everys and FAX numbers!

If you have a change or addition, please notify Alice Sievert.

NEW LEAGUE BOARD IN FORMATION

With the Annual Meeting fast approaching (April 10), the nominating committee is now looking for leaguers willing to serve on the board or in a committee position.

If you are interested or know someone you think would be interested in serving, please contact one of the members of the nominating committee: Susan Garrett, Ann Hamiin, Ann Holfis, Mary Ann Kreih or Jilf Lauer.

The committee will be working in January and February and will present a slate to the membership through League Lines in March.

FUNDRAISING REPORT

Thanks to League Friends Northern Trust Bank, Sunset Foods and Jewei for their in-kind contributions to the League in December! And to all League members for their support of these events!

Phonathon:	\$600
Holiday Cookie Exchange and Raffle:	\$374
Holiday Luncheon and Program:	\$125

ELECTION DAY OPPORTUNITIES TO SERVE . .

COLLECTION STATION WORKERS (6:30 p.m. - 10:30 p.m.)

At the twelve Lake County collection stations, these workers will initially process the voted ballots, voter registration files and do the "After the Polls Close" envelope. They will also process the election judges and their materials.

FIELD REPRESENTATIVES (5:30 a.m. until poll closing)

Problem solvers for the County Clerk's Office who visit each poling place in their assigned area twice during the Election Day, once in the morning and once in the afternoon. They oheck to see that the poling place is set up and running properly, check the booths for tampering, took for decisionsering concerns and answer any questions judges may have. After the rounds, they may be asked to return to spots where there are problems to relay the appropriate responses to the Clerk's Office

MID-POINT REPRESENTATIVES (6:30 p.m. to completion)

Teams of two to travel to the twelve ballot collection stations throughout Lake County to pick up the voted ballots and drive them to the County Building for tabulation. The Lake County Clerk's Office is looking for League members to serve on Election Day in many capacities. Earnings (ranging for \$35 to \$125) would go to the League of your choice. This is a good way to serve in a nonparitisan role, become more familiar with Election Day procedures and problems, and help the League at the same time.

Call Diane Lloyd soon at 615-9162 if you are interested in any of the following nonpartisan Election Day assignments (work times are listed with each position):

RECONCILIATION TEAMS (6:00 p.m. to completion)

These individuals help the election judges as needed after the polls close. They may assist with election judge paperwork and initial ballot counting.

UNVOTED ABSENTEE REPRESENTATIVES (8:30 a.m. - 1:00 p.m.)

Three teams of two to go to the off-site voting locations (townships and municipal offices) to pick up the unvoted absentee balloting materials, unvoted ballots, voting machines, specimen booklets, etc.

VOTED ABSENTEE REPRESENTATIVES (noon to 5:00 p.m.)

Groups of two to take the absentee ballots which come in the morning mail on Election Day and take them to the polling places.

There will be training sessions for the collection station workers, field representatives and for the new reconciliation teams, probably on the two Saturdays prior to the election in the County Building in Waukeaan,

ELECTION JUDGES

Election judges are partisan positions. League members in many communities serve as election judges.

In our League, only the president and the voter service chair may not serve as election judges.

If you are interested in serving as an election judge, call the Clerk's Office at 360-6827 and plan to attend one of the following training sessions:

9:00 a.m. -12:00 noon College of Lake County 19351 W. Washington, Grayslake

Thursday, February 15 7:00 p.m. - 10:00 p.m. Hyatt Hotel 1750 Lake Cook Rd., Deerfield

Saturday, February 17 9:00 a.m. -12:00 noon Hyatt Hotel 1750 Lake Cook Rd., Deerfield

Tuesday, February 20 9:00 a.m. -12:00 noon Ramada Inn 200 N. Green Bay Rd., Waukegan

Wednesday, February 28 9:00 a.m. -12:00 noon Holiday Inn 510 E. Rt. 83, Mundelein

FROM THE COUNTY BOARD . .

Route 53 Extension

A committee of four drove Rt. 53 to Rt. 120 and on to Richmond. It was noted that there is an enormous amount of development in the area and roads are overcrowded.

There is no relationship between the availability of good roads and the building of new housing. More roads seem to be desperately needed.

IMPACT OF ROADS ON THE ENVIRONMENT: Beryl Flom reported attending an environmental meeting in Libertyville. Studies show that roads affect vegetation for 400 feet on each side.

As to wetlands, the kind of wetland is what is important; wetlands cannot be generally categorized. The U.S. Fish and Wildlike Service, the Army Corps of Engineers, the EPA and the Federal Highway Department have to agree on environmental issues. The Federal Highway Department makes the final decision.

THERE WILL BE PUBLIC HEARINGS ON RT. 53 ON JANUARY 18 AND 23.

January 18, 1996 2:00 p.m. - 8:00 p.m. Lake County Fairgrounds Building 7 50 South Rt. 45, Graystake (Use entrance gate on Rt. 120 which is west of the intersection of Rt. 120 and Rt. 45.)

<u>January 23, 1996</u> 2:00 p.m. - 8:00 p.m. Holiday Inn at 2025 South Rt. 83, Mundelein

Criminal Justice

A workshop has been planned for late February or the beginning of March. Themes discussed include child abuse, the growing violence in society, alternatives to incarceration, and how to select a judge.

Input is needed from local leagues since the aim of the workshop is to educate local leagues. Linda Bartmes, Peg Hafner and Sally Zeit are in charge of arrangements for the workshop.

Fort Sheridan

Beryl Flom reported that the Joint Planning Commission has been dissolved. Lake County and Lake Forest will develop open space. Highwood and Highland Park will work on selling the Historic District which first must be environmentally cleaned up.

The clean-up is slow and detailed and may take three years before it is finished. A land appraisal of the district is needed before it is eventually sold to a developer. Now Highwood and Highland Park are the only ones concerned with that aspect.

NEW YEAR FOR GREAT DECISIONS

Great Decisions is an interest group sponsored jointly by League of Women Voters and American Association of University Women to discuss the foreign policy topics covered in the Foreign Policy Association Study Guide.

The group meets monthly on the second Friday from 1:00 p.m. - 3:00 p.m. at the home of League member, Betty Buker. Outside reading is recommended. Persons of international affiliations are sought to aid insight about their cultures. Topics in the 1996 Study Guide are:

- Foreign Policy and the US Political Scene
- The Intelligence Community Reform
- III Mexico
- IV Economic Operations in the World
- Water Worldwide
- VI Failing National States
- Vil Africa
- VII NATO

Ó

The study guide will be available in early January in time to read for the first meeting on Friday, February 9 at 1:00 p m. at Betty Buker's. Chapter 1: Foreign Policy and the US Political Scene is the topic for discussion. At the March meeting the topic is The Intelligence Community - Reform. All League members are welcome to join the group and/or wish to set if this activity interests them. Questions? Call Betty Buker, 234–4509.

Across the country local leagues will meet to help determine the focus for the LWVUS's advocacy and education work for the 1996-99 bionnium. On February 7 our league will discuss the national program at our board meeting. All members are encouraged to attend this meeting.

The LWVUS believes that this task is particularly significant this year in light of evidence that Americans have a growing loss of faith in government.

Idees are being discussed concerning what can be done to make the system work again. The LWUS board is proposing that there be a sweeping campaign to revive democracy, restore confidence in government and engaga citizens in the work of shaping better communities and a better country. Thus, the LWUS is taking the unprecedented step of proposing that just such a campaign be the sight focus of the League's hailowal program. Our league must now review this concept to an inklaitive, for Beave Quanancary. decide if we support such a campaign as the nationwide focus for 1996-98 and, if so, suggest activities we believe have the greatest potential to strengthen democracy in LF/LB and the nation.

Should we as a league decide to reject the LWVUS's concept we may recommend an alternative program. Our response, along with that of every other league from across the county, will be submitted to the delegates for debate and possible adoption at the 1996 convention in June.

Details of this program proposal and its ramifications follow.

1994-96 LWVUS National Program

GOVERNMENT

Promote an open governmental system that is representative, accountable and responsive; that has a fair and adequate fiscal basis; that protects individual libertice stabilished by the Constitution; that assures opportunities for citation participation in government decision making; that provides sound agricultural policy; and that preserves public health and safety through gun control messares.

Agricultural Policy

Promote adequate supplies of food and fiber at reasonable prices to consumers and support economically viable farms, environmentally sound farm practices and increased reliance on the free market.

Citizen Rights

Citizen Right to Know/Citizen Participation. Protect the citizen's right to know and facilitate citizen participation in government decision making

Individual Liberties. Oppose major threats to basic constitutional rights.

Public Policy on Reproductive Choices. Protect the constitutional right of privacy of the individual to make reproductive choices.

Congress and the Presidency

Congress. Support responsive legislative processes characterized by accountability, representativeness, decision-making capability and effective performance.

The Prosidency. Promote a dynamic balance of power between the executive and legislative branches within the framework set by the Constitution.

DC Self-Government and Full Voting Representation

Secure for the citizens of the District of Columbia the rights of self-government and representation in both houses of Congress.

Election Process

Apportionment. Support apportionment of congressional districts and elected legislative bodies at all levels of government based substantially on popula-

Campaign Finance. Improve methods of financing political campaigns in order to ensure the public's right to know, combat compution and under influence, enable candidates to compete more equitably for public office and promote citizen participation in the political process.

Election of the President. Promote the election of the President and Vice-President by direct popular vote and work to abolish the electoral college; support uniform national voting qualifications and procedures for presidential elections.

Fiscal Policy

Support adequate and flexible funding of federal govemment programs through an equilable tax system that is progressive overall and that relies primarily on a broad-based income tax; promote responsible deficit policies; support a federal role in providing mandatory, universal, old-age, survivors, disability and health insurance.

Gun Control

Protect the health and safety of citizens through limiting the accessibility and regulating the ownership of handguns and semi-automatic weapons.

Voting Rights

Protect the right of all citizens to vote; encourage all citizens to vote,

INTERNATIONAL RELATIONS

Promote peace in an interdependent world by cooperating with other nations, strengthening international organizations, fastering long-term development, negotiating arms control measures and encouraging the successful resolution of conflicts through nonmilizary means.

Arms Control

Reduce the risk of war through support of arms control measures.

1994-96 LWVUS National Program

Military Policy and Defense Spending

Work to limit reliance on military force; examine defense spending in the context of total national needs

Trade

Support systematic reduction of tariff and nontariff trade barriers and support broad long-range presidential authority to negotiate trade agreements.

United Nations

Support measures to strengthen the United Nations, in recognition of the need for cooperation among nations in an interdependent world.

U.S. Relations with Developing Countries

Promote U.S. policies that meet long-term social and economic needs of developing countries.

NATURAL RESOURCES

Promote an environment beneficial to life through the protection and wise management of natural resources in the public interest by recognizing the interrelationships of air quality, energy, land use, waste management and walter resources.

Resource Management

Promote resource conservation, stewardship and long-range planning with the responsibility for managing natural resources shared by all levels of govern-

Environmental Protection and Pollution Control

Preserve the physical, chemical and biological integrity of the ecosystem, with the maximum protection of the public health and environment.

Public Participation

Promote public understanding and participation in decision making as essential elements of responsible and responsive management of our natural resources.

SOCIAL POLICY

Promote social and economic justice, secure equal rights for all, achieve universal health core coverage at reasonable cost, promote the well being of children, and combat discrimination, poverty and violence.

Child Care

Support programs, services and policies at all levels of government to expand the supply of affordable, quality child care for all who need it.

Early Intervention for Children at Risk Support policies and programs that promote the well being, development and safety of all children.

Equality of Opportunity

Support equal access to education, employment and housing. Support ratification of the Equal Rights Amendment and efforts to bring laws into compliance with the goals of the ERA.

Health Care

Promote a health care system for the United States that provides access to a basic level of care for all U.S. residents and controls health care costs.

Meeting Basic Human Needs

Support programs and policies to prevent or reduce poverty and to promote self-sufficiency for individuals and families.

Urban Policy

Promote the economic health of cities and improve the quality of urban life.

Violence Prevention

Support violence prevention programs in all communities.

Whatever the issue, the League believes that government policy, programs and performance must meet these criteria:

 competent personnel with clear responsibilities,
 *coordination among agencies and levels of government,

*adequate financing,

*effective enforcement,

well defined channels for citizen input and

1994-96 ISSUES FOR EMPHASIS

- · Opening Government to Citizens

Questions and Answers About Program Planning 1996-98

- Q. What will happen to League work on issues at the national level if the Initiative to Renew Democracy is adopted?
- A. The LWVUS will give high priority to work on issues addressed by our Government positions, taking a strong leadership role in promoting legislation that will further the initiative, such as campaign finance reform. This will include work at the national level and, where appropriate, at the state and local levels.

Rebuilding citizens' confidence in government and their role in the governing process is an essential first step in making real progress on issues addressed by League positions in other program areas. We must help citizens rediscover what binds us together as a nation if we are to succeed in finding shared solutions to the many complex problems that confront our communities today.

- Q. How will the initiative affect our League's work on state and local issues?
- A. Leagues may continue to adopt issues for state and local study and action at their conventions and annual meetings. They may also continue to make use of national positions in their work on state and local issues. By reafirming existing national positions in Government, International Relations, Natural Resources and Social Policy, convention delegates will provide the basis for such work.
- Q. Will adopting the initiative prevent the League from responding to changed circumstances?
- A. No. The League must continue to retain the flexibility to take action in any area if the national political outlook changes. Furthermore, the policy for state and local League action on national issues will remain the same. After consultation with the LWVUS, Leagues may contact their own members of Congress on any issue, providing the action is consistent with League policions and does not conflict with other advocasy efforts.
- Q. Can our League recommend an issue for emphasis in addition to the initiative?
- A. The national board believes that the initiative, to be effective, must be the sole focus for the national level of the organization. Adopting an issue for emphasis in addition to the initiative would signal "business as usual" for the League at a moment when the organization needs to concentrate its message and resources on a single common goal.
- Q. How should our League go about recommending a study or issue for emphasis?
- A. Your League may recommend an alternative to the initiative, such as a study or an issue for emphasis, for the 1996-98 biennium. Describe your proposal in detail on page two of the Program Planning Report Form. Indicate what the problem is that needs to be addressed, how the League's involvement can help resolve the issue, and what specific activities the League should undertake to address the issue. If you are proposing a study, describe the intended scope.

Questions and Answers About Program Planning 1996-98

- Q. Why is the national board proposing a focus at the beginning of the program planning process rather than waiting to hear from the grassroots?
- A. During the last few months, we have heard from an unsually large number of members of the Largue and the public, asking the Largue to do something about the atmosphere of distrust and hostility that increasingly dominates the public debate in our country, no matter which party is in power. Many longime Largue members likened the current situation to the crisis America faced in the 1950s when the Largue initiated its "Freedom Agenda."

These messages encouraged us to develop a concept for a League campaign to renew democracy as the focus for the organization's advocacy and education work during the 1995-98 binnium. We presented this concept to League leaders attending Council '95 in June. Their enthusiastic response helped us decide to recommend the campaign to all Leagues for consideration during the noveram planning process.

The final decision on the program focus for the coming biennium, however, rests with the grassroots membership. The response from local and state Leagues will determine whether the program that is submitted to convention delegates in June includes some version of the campaign to renew democracy outlined here.

- Q. What was the Freedom Agenda?
- A. The Freedom Agenda project was the League's response to the erosion of the democratic process threatened by Senator Joseph McCarthy's attacks on civil liberties during the 1950s, The League published is pamphiles written by acknowledged scholars that were designed to build public understanding of the Bill of Rights. Leagues across the country used direse materials as the basis for a series of unprecedented community discussions across the country.

O. Does the Initiative to Renew Democracy imply a major restructuring of the League?

A. No. The unparalleled challenges now facing our country seem to demand an extraordinary response from the Lague. Dedicating our 1996-98 biennium to the task of renewing democracy could be that response. It does not aller the basic nature of the Lague as a multi-issue organization that both encourages citizen participation and influences public policy.

O. How will the national board use the information in the report forms?

A. The board will look first of all as whether there is strong support for the initiative, from Leagues of all sizes and from all parts of the country. If that is the case, the board will develog goals and a blueprint for the campaign based on the strategies and activities that Leagues suggest on their report forms. The results of League surveys of community leaders also will be an important source of ideas. The board would then submit the campaign as the proposed program for the 1996-98 biennium and plan convention strategy and training essions to help members implement the initiative. If the report forms indicate stronger support for an alternative to the initiative, the board would develop a proposed program based on those recommendations.

Rebuilding Citizen Confidence in Government A Challenge Unique to the League of Women Voters

"What is the greatest challenge now facing our nation and our community? What role will the League play in addressing this challenge?"

These are among the questions that we will be discussing at our upcoming program planning meeting as we decide what we think should be the focus for the League nationwide during the 1996-98 biennium.

Lending urgency to our discussion is the growing evidence that our democratic system is in crisis. Furstration with government is mounting, and many citizens seem to have lost sight of their role in the governing process. Excessive partisanship dominates public policy debate, and extremis thetoric endangers our search for the common good—no matter which party is in power.

A Proposal for Our Consideration In response to this challenge, the LWVUS board is taking the upprecedented step of proposing that an Initiative to Renew Democracy be the sole focus for the League's national program for the next two years.

The board believes that the League is uniquely qualified and trusted to help rebuild our political and civic infrastructre. And only by restoring citizens' faith in government can we make real progress on issues addressed by League positions on the environment, social policy and international relations.

The Initiative to Renew Democracy would include both legislative work simed at restoring confidence in the political process and educational projects designed to engage more clitzens in civic life. Possible activities might be:

 Advocacy campaigns for legislation to strengthen democracy and the voice of citizens in shaping public policy, such as campaign finance reform.

* Public journalism projects that would link Leagues with media partners interested in providing citizen-oriented news coverage to stimulate increased civic participation.

 Civic education ventures that would create opportunities for citizens to come together in new ways to explore public problems and develop effective problem-solving skills.

What Will Be Our Recommendation? The LWVUS board is looking for our input.

* What do we think our community and our country need from the League right now?

Do we believe that a campaign to renew democracy is the best way for the League to pursue its mission in the coming two years?

 If we agree that such a campaign should be the League's nationwide focus, what kinds of activities do we think would be most effective at strengthening democracy in our community and in the nation.

We hope you will join us for this important discussion. Your ideas are needed!

Program Planning at a Glance

November 1995-February 1996

 Leagues interview community leaders and hold program planning meetings.

March 8, 1996

* Program planning report forms are due.

March 28-30, 1996

 Based on Leagues' recommendations, the LWVUS board formulates a proposed program to be sent to all Leagues in late April.

June 8-11, 1996

 Delegates to Convention '96 debate and adopt a national program for 1996-98.

Concurrence at Convention

Convention '94 passed a motion asking the LWVUS board to develop a "standard concurrence process that ensures the same high level and standard of informed member agreement that the League, in its wisdom, has required of consensus." In response to that request, the national board adopted the following guidelines in April 1995.

Guidelines for Concurrence at Convention

These guidelines supplement the program adoption process as detailed in the LWVIS bylaws. Thus, any state or local League that whits to propose an item for concurrence on the floor of convention must begin by submitting its recommendiation to the national board at least three months before convection, a part of the program-planning process. This will ensure that the item is eligible for consideration by the convention in the event that it is no included in the proposed program formulated by the national board.

Notice

Any League that plans to propose the adoption or amendment of a national League position by concurrence on the floor of convention shall give notice to all Leagues of its intent to do so at least six weeks before convention.

Rationale: Advance notice of major items of butiness to come before the convention gives delegates an important opportunity to discuss helps them come to convention "informed but not instructed", and permotes good decision making. The six-week time frame coincides with the notice requirement for proposed program, budget and bylaws amendments as detailed in the LWVUS bylaws.

Background Information

Any League that plans to propose the adoption or amendment of a national League position by concurrence on the floor of convention shall send background information, including pros and cons on the issue and an explanation of the rationale for using this form of member agreement, to all Leagues at least six weeks before convention.

Rationale: An essential appent of any member agreement process in the Lague is that members have an opportunity to become informed about all issles of the issue. The proconvention distribution of objective, balaned background material enables their tagging is make all informed decision, provides the membership with a common base of knowledge, and lays the groundwork for effective advocacy.

Super Majority Vote

A two-thirds vote is required to amend or adopt a national League position by concurrence on the floor of convention.

Rationale: In determining whether a potition study involving garstroots member participation, the autional based looks for substantial member agreement rather than a simple najority. A similar level of member agreement should be required of a position exabilished by councrence on the floor of convention, a process that directly involves only a fraction of the total membership. The two-thirds vote requirement corresponds to the the rules of convention, to amend the bylaws and to adopt nor-commended adistion motions.

[Note that the two-thirds super majority refers, only to the vote equirate 10 armedio or slopt a national League position by concurrence. A simple majority vote would continue to be required to gain convention consideration of any not-reconnected program inter, including any state or local League concurrence proposal. Note also that, should the national board white to propose aloption or amendment of a national position by concurrence at convention, the same two-chirds vote requirement would apply.] Lake Forest - Lake Bluff League Lines

WELCOME NEW MEMBER! Linda Hinde 517 Rockland Ave., Lake Bluff

CONGRATULATIONS NEW DEPUTY REGISTRARSI Ann Hollis Emily Jennings Char Kreuz Jan Schnobrich Elaine Siayton

ATTENTION

PROSPECTIVE MEMBERS! If you have ever considered joining the League (or if you are a member and want to consider a gift membership for a riend), this is the time to try us out.

By joining now, you receive a year and a half of membership -- and publications - for the price of one. Dues paid between now and September will not be renewable until September 1997. Just fill out the form on page 2. Lake Forest - Lake Bluff League of Women Voters

League Lines

Volume 42 Number 5

March 1006

Date: Tuesday, February 27 Place: Gorton Community Center, Lake Forest

7:00 - 7:45 p.m. - Primary Candidates for <u>Lake County Board - District 16</u> (Sponsored by LWV/LF-LB)

* Republican Candidates: Mary Beattie, Lake Forest Mark Shaw, Lake Forest

8:00 - 9:45 p.m. Primary Candidates for <u>Illinois State Senate - 30th District</u> (Co-sponged by Highland Park LWV & LWV/LF-LB)

*Democratic Candidates Panel Candidates: (40 minutes) Larry Krulewich, Tarry Link Wall

Larry Krulewich, Buffalo Grove Terry Link, Waukegan

(1 hour)

Thomas Adams, Green Oaks Thomas Lachner, Lake Bluff Christopher Stride, Lake Bluff

*The order in which the two panels of candidates appear will be determined by lots drawn by a representative of each party shortly before the forum begins. The allotted length of each panels forum has been adjusted to reflect the number of condidates participating, so that individual candidates from both parties have equivalent opportunities to respond to questions.

This forum is covering those local offices which are contested in the primary. Party candidates who are unopposed in the primary will be invited to participate in candidates' forums at election time in the fall.

League volunteers are needed as ushers, time keepers and question screeners. Please call Phyllis Albrecht (234-7062) to help.

TO HONOR OUTSTANDING MEMBERS OR EVENTS If you wish to honor one or more League members or some outstanding local League activity or significant historical event, your message can be included in the historic LWUS 1986 Convertion Provam.

> Cost: First 2 lines, \$15.00 each Each subsequent line, \$10.00 See Diane Lloyd for application blanks.

TIME FOR ACTION . .

TIME FOR ACTION

To: Presidents, Natural Resources and Action Chairs From: Rosemary Ashworth, Natural Resources Specialist, 708/279-8726 Date: January 15, 1996

ACTION NEEDED TO SUPPORT REPEAL OF RETAIL RATE LAW

Who Should Act: Your League and members as individuals

When Immediately

Action Needed: Contact Governor Edgar and urge him to sign HB 1523 as passed and presented by the General Assembly

The Hon. Jim Edgar, Governor State House Springfield, IL 62706 PHONE: 1-900-642-3112 FAX: 1-217-524-1678, Attn.: Erica Mair

Why: The League has long worked for the repeal of the fletair Rate Law and is pleased to report that on January 11, 1996; HB 1523 was passed by both the Illinois House and Senate. It is now availing Governor Edgar's signature. However, incincrator lobbysts and some aides to the governor are urging Governor Edgar's is amendatory verb to continue the retair' at subsidy for incinerator projects where "investors have put up money, started building or received some level of approval for their projects." The League opposes special eventions and believes HB 1523 should be simed with no changes.

Background: The Flexill Rate Law was passed by the Illinois General Assembly in 1988 to promote "wasteto-energy" technology as an alternative to landilits by subsidizing the sale of electrical power generated by indinerators. As a result of such subsidies, incinerator projects that would otherwise not be economically viable are very lucrative. Illinois communities are currently laced with over 20 new incinerator proposals from out-of-state companies. These could cost liniosi taxparers 310 billion over the next twenty years.

In addition to the financial treat, the Retall Rate Law posses are health threat Incincrators spew toxic chemicals into the air, such as down and furans whose as health threated to cancer, and reproductive, developmental and neurotogical damage. The ash left over from the incineration process must be handled as hazardous and surawate.

Also threatened are the "reduce, reuse, recycle" components of the waste management hierarchy because the Retail Rate Law promotes incintration at the expense of competing waste reduction and recycling methods which do not receive the same subsidies. Success with waste reduction and recycling is reducing our waste stream and the need for additional landfill space.

MORE ACTION NEEDED . .

CITIZENS ACCESS TO POLLS PROJECT (CAP PROJECT)

From Suzanne B. Calder, LWVIL president, and Mary-Lou Aagaard, Elections Law Specialist we have the good news that the Joyce Foundation will underwrite expenses for the CAP Project for the March Primary election. The goal of the project is to increase the awareness of the problems inherent in illinois two-lier voter registration system.

Neil Richardson has been hired as the CAP project coordinator (312/339-5935, ext. 31). Neil's first assignment is to survey county clerks to determine how they plan to administer the two-tier system and what additional preparation they will undertake to train election judges. Other potential CAP project activities may include (but are not limited to) poll-watching, an 800 number, press releases and conferences.

Since it is now too late to register for the primary election, the second step of the CAP Project will be to alert the media and public to flaws in the registration system and to mobilize a demand for change. The third component of the project is poll watching on primary election day. With each of us doing a little bit we can make a big difference in limois CALL Nail with questions or suggestions.

□ COLLAR COUNTIES COUNCIL FOR CHOICE (4 C's)

State Representative Resemany Multigan was the featured speaker at the January 30 meeting of this new Council. Our League and Leagues throughout the collar counties attended with members of the AAUW, Planned Parenthood, NOW, the ACLU, several main line churches and other interested groups. The Council is a network of independent organizations located in Cook, DuPage, Kane, Lake, McHenry and Wil counties which cooperate to raise the visibility, increase the effectiveness and further mobilize the pro-choice community.

Cur League is looking for a representative to attend the quarterly meetings of the Council and report back to our board and membership. Each meeting includes an information update and a training/strategy session. At the last meeting, the strategy session involved brainsforming on responses to the tactics of the reliajous right.

The next meeting is April 9 at the College of DuPage. Call a board member if you are interested. Carpool possibilities are available.

COALITION FOR EDUCATIONAL RIGHTS

Lorraine Bach and Diane Lloyd attended the January meeting of the Coalition which focuses on "Fair Funding for School Kids."

Although Illinois is the 9th wealthiest state in the nation, we rank 49th in our level of state revenue altotted for school funding, lilinois spends 32% of its total state revenue on education. The average state revenue received by school districts per pupil in librois- for the 1994-95 school year was \$4,62,10.0

L or y, the lc il per pupil releaned for the 1994-95 school year ranged from a high in Rondout High Sch il D tilt #72 f\$14.682 to til G

The Coalition's goal is for Illinois to adopt an education funding system built around several principles;

- that the state, not the local school district, is responsible for the quality of our children's education;
- that the state must ensure that every child, regardless of need, has a fair chance to receive a high quality education;
- · that illinois needs a fairer, more progressive tax system:
- · that the state should provide the majority of funding for public education;
- that equity should not be achieved at the expense of adequacy i.e. reform should 'level up' the educational opportunities available to every child in the state; and
- that adequately funded schools should be held accountable to provide effective and high quality education.

Lake County Medical Society Seeks Interns

Because of the League's interest in health care, we have been invited to send a representative to a mini-internship program sponsored by the Lake County Medical Society on Apri 1 and 2. Each Intern is assigned to several different physicians -- from primary care, surgery, emergency medicine, and other specialities. The intern will spend hait a day accompanying each physician. The internship program has been available since 1989 and has included a toroid range of community leaders including leaglators, educations, and members of the business community, all of whom share an interest in health care costs, quality and access to care. If your are interested, please call Diane tor further details.

Good News for Informed Citizen Participation

At the May 6th meeting of the Lake Forest City Council, retiring Mayor Rhett Butler announced a gift to the city of \$45,000.00 from the Butler Family Foundation. This money is to be used to purchase video equipment to ensure continued cablecasting of Lake Forest City Council Meetings and also of some board and commission meetings in the newly renovated City Hall.

Thanks to any of you who may have communicated your interest in cablecast meetings to the city and special thanks from all to the Butler family.

1994-1996 Biennial Report - LWY of Lake Forest/Lake Bluff

It was a busy two years. The following is a brief summary of our league's activities in the past blennium. Many thanks to an active and dedicated board and to all of our members whose continued support and encouragement make it all heppen. Web your, League membership and support. The League past accomplished much. Thank you of

We welcomed 45 new members (19 in 1994-95 and 26 in 1995-96)

Summer 1996

Kids 1st Health Fair Volunteer Opportunities

Mark your calendars! Wednesday, gust 7, is the date of our fourth kids 1st Health Fair! The Fair, coordinated with the Lake County Health Department, serves the back-to-school needs of low income families throughout the county.

Mandatory school physicals for children entering kindergarten, fitth and ninh grade. high school sports physicals; immunizations; and a variety of health screenings are provided free of charge to qualifying families. Backpacks, lifed with necessary supples to start the year of necessary supples to start the year of the given to school age children - pre-schoolers will receive back and the our youngest participants will get an age appropriate toy!

To serve the 2,000 children who attend the FAIR requires the coordinated efforts of a large cadre of concerned volunteers! There are a variety of volunteer opportunities at md before the FAIR:

The League of Women Voters of Illinois Education Fund is the coordinator for Illinois Students Vote, a statewide education project for future voters. Honorary Illinois co-chairs for this project are Governor Jim Edga and Senator Paul Simon.

tinois Students Vote is part of a national program, the National Starting July 8 we will pack 3000 backpacks and totes with the greatly appreciated and needed school supplies. We'll be packing everyday until the job is done (2 too East - tentative times, 9 am to 2 pm. This is another volunteer opportunity where kids or groups can participate. Call Bonnie Bates (374-8913) or Information and directional

 You can also contact your favorite nurse, dentist and doctor and ask them to volunteer their time. We need to provide 500 school physicals, 1,0000 immunizations and 1,200 dental screenings during the 10 hours the FARI is open I We are asking for three volunteer hours from these medical volunteers... ask someone you knowl

 On the day of the FAIR, we will need volunteers to perform a variety of tasks. There will be three LAKE COUNTY

shifts throughout the day - 7:45 to 12:30, 12:15 to 4, and 3:45 to 7:30. Please call our volunteer coordinators Patti Pihi at 382-1788; Kathy Dorn at 362-0897 or Marlie Rand at 680-9770.

 Are you fluent in Spanish? Do you know someone who is bilingual?
 We need them! Halt of the participants at the FAIR are Hispanic and many will need tanguage assistance. Call Patti, Kathy or Marile!

Illinois Students Vote

StudentiParent Mock Election, to increase students' political awareness and to encourage parents to vote on November 5th. The students will hold their "mock election" one week earlier, on October 30th.

Activities are focused on future voters who will make up a new generation of voting adults within a few years. Students in grades K-12 and their parents are eligible to participate. Involving students in a hands-on project like the Mock Election is a valuable teaching tool to increase understanding of the election process. Parents who, along with their children, get excited about the issues and candidates are more likely to vote.

The process is simple. Interested schools register to participate in the program and receive curriculum suggestions and activities. Discussion of issues and a variety of activities designed to learn about the electoral process lead up to Mook Election Day. October 30. Students and parents cast their voles and await the results broadcast from State and National Election Central Headquarters. CNN will broadcast the national results.

So far, Lake Forest High School and District 65 schools have indicated interest in the project. Over the summer plans will be made to make the election a reality for the students of our community.

If you like to be a part of what Time magazine has called "the largest voter education project ever," contact Ann Hollis (295-2463) in late August when plans will be more definite for our area elections.

Improving the quality of public education must be a shared priority. Ensuring that our children acquire the knowledge and skills they will need to be successful in their education, career and community life requires a joint effort of educators and school board members, as well as business, community and civic representatives.

In order for such cooperation to take place, the intended results of schooling must be defined and communicated in ways that all participants can understand and use.

The presenters will review the contents of the Preliminary Draft: Illinois Academic Standards for Public Review and Comment which proposes the essential academic knowledge and skills all students should learn as a result of their public education. When this document is finalized, it will serve as a guide to help our children acquire the essential learning. It will also serve as a basis for communicating the expected results of Illinois schooling to our residents and the rest of the nation.

Please make time to hear the review of this work in progress. Become an active participant in the ongoing process of developing a set of academic standards that will focus the work of schools as they prepare our children for the future.

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels the League works to influence public policy through education and advocacy Any person of voting age, male or female, may become a League member.

All members receive League Lines

President's Message

Dear League Members

Cur League has clearly demonstrated its strength and vitality, both on the national level and on the local community level. In June, Judy Grisanora and J represented our League at the League Of Women Voters of the United States 42nd National Convention hed in Chicago. (See page 6 for a summary). The convention established direction of the League for the rexit two years. After much dehate, we as delegates voted to support the broad theme, "Making Democracy Work".

Making Democracy Work has specific and limely meaning for our League. Initially the national there was to be "Initiative to Renew Democracy." When the delegates deded they didn't like its working, Judy and I proposed Waking Democracy Work. It was one of three final thermes and delegates volded to accept is as the new theme to characterize the national program.

The program, Making Democracy Work has already been "put to work" at a local level. Recently the League was asked to asked the Village of Lake Birth in opticating 305 signatures of Lake Birth registered voters. These signatures would ansure that the Knoliwood annexation is sue would be placed on the balot as an advisory retending Normal St. By adhening to the democracity process, those who are effered for or against annexing Knoliwood into Lake Burt with have an opportunity to cast a balot and vote on this size.

Since 1982, the League has taken a position in support of the annexation of Knolwood into Lake Bluft. We have continued to endorse that position over the years, based on zoning issues and a sharing of schools and parks by both communities.

However, as a board we wanted to be updated. We invited John Kaltsas to provide background information at a special meeting. After a review of the annexation history, and discussion on the current role of the Loague, we agreed we would continue to support annexation, based on reasons for establishing our orginal position in 1982. We have set to determine whether the financial impact estimates or details of the special service distinct plan should influence our future support of annexation.

Each League member was sent an update on Knollwood annexation which listed the steps we will be laking. We will be laking in we will hold an information mession in Colcoler and call an membership meeting to assess our annexation position. The date for this membership meeting will be set as soon as the date for the informational meeting has been established. We velcome all support and assistance. If you are interested, please over me as call.

As you can see, our program achtedue is nill. Candidale forums have been agreed upon, and as an organization wa are intent on reaching out in ways that will beneft our communities, always striving to make democracy work! Please review our program schedule and mark your calendar for at least one event. Our strength and vitality, nationally and locally, is a reflection of our membership. The enline board thanks you for you support and participation.

1996-1997 LWY-LF/LB Financial Audit Report

I have examined the bank records of the League of Women Voters of Lake Forest-Lake Bluft as of April 10, 1996 and find them to be in agreement with the Treasure's records and reports. I have also availed the accounts payable and find everything to be properly documented and in good order. The bank balance as of 4/10/96 is \$4.162.49.

Respectfully submitted, Ruth Anne Sorsen

MORA.

MAKING DEMOCRACY WORK - Help Register Voters !!!

Friday, October 4 Lake Bluff Farmers' Market Lake Bluff Village Green Gazebo 7 a.m.-11 a.m.

Illinois Students Vote Mock Election October 30, 1996

As of mdAugust 120 schools have registered to participate in the *Timos Students* Vice Student Mock Election. These schools will be receiving two resource guides, "how to Do B Ouder from Meanile/IN/60/arw-Hiti and Stude to the Issues" from Time Magazine, to assist elessnoom teachers with materials and teaching advivity suggestions related to the 1996 Genoral Election. The UV/UI with se exacting packets of teaching materials developed for participating likinois schools to further assist teachers.

On October 30 sech school will be responsible for calling or targing the results of this school's election vale to a central election site. These bolds will be forwarded to ONN which will report results by 700 pm. FST. Local Leagues are are asked to save as facilitators for participating schools in terms providing resources, assisting with the actual mode election, and providing incentives for children to more fully participate in the democratic process.

We are inalizing our local plans and will be encouraging all schools in our area to participate in a mock election (There are others being offered. The advantage to this one is there is no cost to the school to participate in a rationwide vote.) Lake Forest high School, Lake Build Central Elementary. Lake Build Middle School, St. Mary's, and Lake Forest Country Day School have indicate interest in this activity.

If you are the parent of a school age child, please encourage your school to incluse this actively in the school's curriculum. We will be sharing our plans at a Brown Bag info-Sassion al Schoon on Sglenbert 16 at 11:30 a.m. Our primary locus will be to facilitate the actual vote on October 30th and will need memoisn in the schools. Please plan to attend and help. For more information, cail Ann Hollis (265-2463)

September 100

Candidates Forums

Voter service co-chairs Anne Csar and Mary Claite Briggs have been busy this summer trying to schedule Candideles Forums for contested local and stete offices. Information will be sent to League members (either by mail or in the next newsfetter) when the dates are finalized. League volunteers will needed as ushers. Ime keepers and question screeners. Please call Anne or Mary Claire to help.

The LWVIL is responsible for scheduling the Candidates Forum for the office of U.S. Senator. If able to be scheduled, information of the forum will also be forthcoming.

Moderator Training Workshop

A two-hour Moderator Training workshop is scheduled at the LWVIL office on Saturday. September 7, 1996. Mariyn Scheft will be the presenter and will cover procedures and techniques to enable persons to feel confident in the role of moderator. This training will help you'if you are asked to moderate a candidates form orresent issues or debates for other organizations to which you might belong.

The cost will be \$10.00 for League members and \$20 for the general public. To register for the training, mail your check to the LWViL office at 332 S. Michigan Ave., Suite 1142, Chicago, IL, 60604.

Election Day Positions: Represent the League

For the past two elections our League members have served on election day and donated their pay for the day to the League treasury. Its a great deal: making democracy work and building our financial base

The Lake County Clerk's office is seeking approximately 250 individuals to work at the Tuesday, November 5, 1996 General Primary Election. According to Lake County Clerk Willard R Helander voter turnout for the presidential election is histoncally very high and a very lage team to administer the many election day durities is needed.

If you can do any of these jobs, contact the County Clerk's office at 360-6827. Please have your name, address, telephone number, and social security number available and tell them you are representing the take Forest Lake Bluft League.

For those positions where individuals must provide their own transportation, mileage will be reimbursed at 30 cents per mile. The County Clerk's office will train election day workers in mid September. Positions available are: Each Representatives with poling places in assigned areas to ensure that each is set up and functioning properly, check voling booths for tampering, address electioneering concerns, answer guestions from election judges and nake repars to volting equipment. Field Representatives provide their own transportation. Hours: 5:00 a.m. to approximately 6:00 a.m.

Unvoted Absentee Representatives pick up unvoted absentee bailot materials at off-site voting locations and return them to the County Clerk's office. The Clerk's office provides a mini-van. Hours: 8:30 a.m. to early-afternoon.

Voted Absentee Representatives deliver voted absentee ballots to the polling places. Representatives provide their own transportation. Hours. 12:00 p.m. to approximately 5:00 p.m. Mid-Point Bepresentatives pick up voted ballots at collection stations throughout Lake County and deliver them to the County building. The Clerk's office provides a van. Hours: 6:00 p.m. to approximately 10:00 p.m.

Collection Station Workers verify that all election maternais have been returned, confirm that reconciliation is complete. Iransfer and seal the good voted ballots for tabulation at the County Building. Hours: 7:00 p.m. to approximately 10:00 p.m.

<u>Beconciliation Representatives help</u> election judges with "atter the pol!'s Close" reconciluation. Representatives provide their own transportation. Hours: 5:00 p.m. to approximately 10:00 p.m.

Election Results Workers answer telephones and provide election results to the public, Hours: 7:00 p.m. to approximately 1:00 a.m.

September 1996

September 12: What Future Role for NATO?

October 10: Failing Nations: What U.S. Response?

After October an interval will occur until February when the study guide for 1997 will be available and the meetings will resume.

Bridge Anyone?

Anyone interested in playing with the Le contact Margie Ofincy at 234-0624. The Monday of the month and dues are \$20.001 the year.

If you like cards, this is a way you can support the work of the League since proceeds from this group are given to the us.

LWYUS 42nd National Convention Summary

LWV-LF/LB tes: President Susan Garrett and esident/Membership Judy Grisamore

Phylifis Albrecht, LWV-LF/LB member served on the Local Arrangements Committee as Hospitality chair. Other League members served as committee volunteers who helped make the convention a terrific success.

The League culminated is 75th anniversary celebration, taking price and passion from the past to build a stronger titue. The prolute to convention '96 was the arrival of the Vickoy Train from St. Leads on Friday evening, carrying more than 150 League members on a journey eminiscent of the Vickoy Train from St. States unrhadilionally, but fittopy, capartod from aphatelical order. State League leaders approached the portuni the order in which their states railfied the 19th anontment with lilinois leading of the parade.

THIS COUNTRY NEEDS WHAT WE HAVE TO OFFER

On the second day of Convention '96, LWVUS President Becky Cain told those assembled, "Right now, this country needs what we have to offer: concern for the public interest, grassroots membership, expertise in citizen involvement. Are we ready to make the commitment?"

On the convention's last day, after having been reelected to her third term as president, Cain returned to the provocative theme. "We have everything we need to transform the political landscape by making government more responsive and more relevant," she said.

She repeated the fitany of the League's strengths. "We are a true public interest organization. Our agenda is the common good. We're in it because we care about the democratic process. We have 75 years of experience in making that process work. But we have something else. Something very precious to the women and men in this room. We have faith in the system. We know that it can still work. We've seen it work. We've made it work."

"Dues is not a naive or billed faith." Cain continued. We are neverin - perintity aware, - of all the problems, faults and mewrings that plaque our system of government. But while other people may how up their hands in disgust, League members are stubborn. They're also disclute: - and the extra publicits is done disclute: - and the extra publicits is done. Your action at this convertion and he actions up take when you return to your communities will have a messurable impact on this country."

PROGRAM

The convertion adopted 1996-99 national topgram for advocay and education culminating a year-long process that involved hundred to League members. This year, the process was driven by the growing mood of cyneism about government and about critizens' ability to help shape the country's trute. The LWUS board decided to start of the program based the country's trute. The LWUS board decided to start of the program based the country and the advocating the trute the trute of a processi for a countertied and comprehensive campaign to strengthen democracy and erage more citizens in the work of shaping better communities and a better communities and a better communities.

More than 70 porcent of Leagues that participated in the program planning process supported the proposed lexue for Emphasis: "A comprehensive advocacy and education campaign to make government more responsive to citizens and to build citizen participation and confidence in government," with the working title, initiative to Renew Democracy. Leagues' responses helped Democracy. Leagues' responses helped

The issue for Emphasis was proposed as a real departure from League "business as usual." A concerted focus on the League's "core issues" was called for as necessary to ensure an effective campaign. While all current positions would be manitained and while the flexibility to respond to other potential action needs would remain, the local and state Leagues particularing in the program planning process supported a two-year emphasis on the League's basic mission: ensuring citizen participation in government.

Although support for reconnecting citizen to government was storag, the convention debated the "locused" nature of the proposed issue for Emphasis. Some delegates argued that it would mean "abandronnen" of the Leegue's multiissue program and apcroach. Supporters countered in the just the opposite was the angain and nestabilishing the commitment to the common good was fundamental to achieving all of the Leegue's public policy goods.

The convention defeated three notrecommended items that illustrated the debate:

"Adopt Building Sustainable Communities as the goal of our advocacy efforts, with emphasis on health care, early intervention for children at risk, crisis in the community, which includes environmental concerns and opening government to citizens."

* The LWVUS should not abandon the 1994-96 Issues for Emphasis but should continue to emphasize in 1996-98 the same substantive and interconnected issues: Health Care, Early Intervention for Children at Risk, Crisis in the Community, and Opening Government to Cilizens.*

* "Adopt a restudy of the role, structure and financing of the United Nations."

Delegates voted their support for adoption of the proposed Issue for Emphasis, renamed "Making Democracy Work."

The convention readopted all current LWVUS positions in Government, International Relations, Natural Resources and Social Policy, with no changes.

The LWVUS will publish a new edition of Impact on Issues for the new biennium in fall 1996. The 1996-98 edition will include updates on action taken under League positions during the past two years.

Mark your calendars now for Conventio. '98 in San Diego, California, June 12-17, 1998. See you on the beach!

Kids' 1st Health Fair

On August 7th the Annual Kids' 1st Health Fair co-sponsored by the League of Women Voters of Lake County and the Lake County Health Department was held at Waukegan West High School.

During the hours of the fair 1040 families (2065 children) were served. Thanks to the over 600 volunteers and corporate and community support for once again making the fair a successful service to the community.

Plan ahead now to volunteer at next year's fair.

LAKE COUNT

Local Update: Knollwood Annexation

On August 12th, at the Lake Bluft Village Board Meeting, Village President Field Wacker announced that the 550 Lake Bluft signatures equipted to place the annexation issue on the November 5th black had been obtelded. Thanks to League members Many Cairs Briggs, Ann Grant, Peg Hainer, Linda Hinde, Emily Jennings, Joann Meigs, Alice Sievert, Janice Schobrich, and Linda Williams with oddicated ther time and effort to see this process through

A gur August 21st board meeting, we determined that the Loague will contrule to lealitate the process. First we will establish a finamework to provide an effective informational meeting to the community. Second, we will hold a membership meeting to determine what additional action, if any, we will take on our official position regarding annexation of Knotlwood into Lake BUIT. The League's bing-standing position is one of support for annexation, based on zoning, and sharing of schools and parks. We have yet to determine whether the financial impact estimates or details of the special service distinct plan should influence our future support of annexation.

NEXT STEPS:

* ESTABLISH & COMMITTEE TO PLAN & COMMUNITY-WIDE INFORMATIONAL MEETING

We are asking all league members interested in this issue to volunteer their time and expertise. We anticipate a total of 3 meetings. The first meeting will be held on Thursday, September 5th at Gorton Community Center, Friends' Room at 12:00 noon. Please RSVP to Susan Garrett at 255-4001 if you plan to attend

* HOLD AN INFORMATIONAL MEETING IN OCTOBER

The date for this informational meeting will be set as soon as the details of the special service district have been officially released from the Village of Lake Bluff.

* HOLD A MEMBERSHIP MEETING TO ASSESS OUR ANNEXATION POSITION

The date for this membership meeting will be set as soon as the date for the informational meeting has been established.

Your input and expertise are very important. We hope to hear your ideas at our committee meeting on September 5th. Thanks in advance for your support.

For Your Information: Gun Control Presentation

On Saturday, September 7th at 9:00 am, Phil Andrew will make a presentation called, "Gun Control: It's Time to Win" at the Fall meeting of the League of Women Voters of the DeclificH-Incolnshire Area. The meeting, which includes brunch, will be held in the Community Room at Holy Cross Church, 724 Ekter Ln., Deerfield. The nuble is welcome.

Phile most wedsy known for being a wettern of Laurie Dann's shortlong in the Winnelka school a few yoars ago. He recovered, got his law dages, and is now a very safello advocatifs of transgrungstation and the reduction of fream vidence. He is Orabinesson of the Illinois Council Against Handgun vidence and President of the Illinois Ditzens for Handgun Countol. Phil works for the Chalogo Housing Atthrony's as an Assistant General Counce. He has also been employed in the policilar area with Grace Many Stern, John Poter, and both the Lake and Cook County States Altorneys. He has been featured on several pational take shows and delivers a work of movie of the county States Altorneys.

Phil's presentation will be followed by a discussion on the realities of gun control and how citizens can participale in the campaign against violence caused by firearms. For further information, please call 945-5639.

The League of Women Voters of Lake Forest/Lake Bluff is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels the League works to influence public policy through education and advocacy. Any person of voting age, male or lemate, may become a League member

All members receive League Lines

President's Message

Dear League Members:

narticicate in a wide range of community services, all of which are important

This became apparent recently when our membership chairs, Judy Orkamore and Diane Loyd, pat logether a list of matiple opportunities for League renders to be active and noveled in . Registering obtains to voie, hobing candidate forums, monitoring environmental issues and facilitating a process for complex status such as the Knoltwood annexistoria are just a few samples of our activities. Vet we don't expeed our members to be actively involved in all tradit goes on. As the void prospective members, even if your schedule doesn allow for much participation in special projects, baing a member of the League Is a end way to support the democratic process, and have tun doing at

The board continues to do an outstanding job. Our calendar is filled with programs, meetings, a nonneating procedures study, a student mode election, and for the first time, a reception for Lake Forest residents to need city oficiage nonventee? This Asy our read the acticles partialing to League zervals in the <u>Lake Forester</u> and the <u>Calenae Tritum</u>, know that Lises Karin has been successfully handing the publicity for the League. Expectit thanks also gets to Char Karu Tor organizing one of the most appressive and successfully handing the publicity for the League. Expectit thanks also gets to Char Karu Tor organizing one of the most appressive and successfully when our League to seem. Anne Cas the swinket overline in provided the League with a Candidate Participation Policy, a great step toward in establishing Visuble* "due to randidates."

1 hope to see you at our annual membership luncheon on Wednesday, October 9th. This has always been a wonderful opportunity for members to get together, if you know someone who is interested in becoming a League member, please invite her for even himit to attend with you. Our door is always open!

And, as always, thanks for your support.

Jacan Garrett

Nonpartisanship & The League

With the election tast approaching (and another one always on the horizon), we need to remind ourselves about our nonpartisanship policy.

The League of Women Voters NEVER supports particular candidates or political parties. We support only specific issues which our members have studied and on which we have come to consensus/agreement.

Each fall, local league boards review and reaffirm their own nonpartisanship policy. If you would tike to have a complete copy of our policy, call any board member!

Local Update: Knollwood Annexation

Informational Meeting Set For October 23 at Lake Bluff Middle School

In September, League members volunteered to serve on a committee to establish the framework for an informational metry regarding the Knolwood annexation issue. The committee, chaired by Lisse Karl, is constoal of Phylic Altochil, Christa Donnely, Susan Garrett, Carol Russ-Gibert, Nancy Hansen, Linda Hinde, Joan Kallsas. Cindy Morehead. Melarie Rummel, Janie Schnolithan and Alce Sievent.

The informational meeting will be held on Wednesday, October 23 at Lake Bluff Middle School at 7:30 p.m. It will be moderated by Melane Rummel (who experity moderated the Knotiwood meeting sponsored by the League tast year in October). We expect to have the meeting cabilicast on Channel 19.

The committee has identified key quesions for various vilage, township and courty officials to enswer at the meeting. These questions will be mailed in advance to participating officials. Additionally, after the submitted questions from the League have been answered, questions from the audence will be taken.

The Leguy's linet is to ensue an even-handed approach for establishing questions and the framework for the October 2300 meeting. Leguy Freskant, Staan Carret as drive hardwisers the meeting with provide anxever to questions that definially need to be addressed." Lake Butl registered voters may vote for or against the annexation of Knoftwood into Lake Batt on November Sth.

(homerooms) elected deputy registrars who were trained by L and became eligible to vote in the Mock Election to be held on October 30th

Company local at the system of a strength prime as and as basis from the strength of a prime of the strength of strength and strength of the
selected and trained for the day of the election

These students, as well as students at Lake Forest High School, Lake Forest Country Day School Sh. Mays School, and Lake Bull Cohraft Extension School Extension School Sh. Mays School and Lake School Scho

If your child attends a school that would like to participate in the program, have the principal or teacher contact Ann Hollis. Schools may vole even if they have not registered into the program, we just need to get them the ballots and reporting information.

Volunteers are needed to be classroom speakers on topics including citizen responsibility and the how to's of registering to vole are needed at achools, trainers for election dificials, and trouble shoolers the day of the election. Loague members who would like to be a part of the process should contact Ant Molta (255-2463). Be use to watch CMH the night of Clobar 30 to hear the national vole tabulation (around 7 p m EST). It should be interesting to see it the students' vole will the a predictor of the actual November 5th vole*!

Lake Michigan Inter-League Group 1996 Annual Meeting

Join us at the 'biologi finn in Hammond, Ni, for the Lake Michigan Inter-League Group Annual Meding no October 11:9-1) 19:86. Organized under the asuppose to the LWUIS as well as the state LWVs of Minosi, Indiana, Michigan and Wisconsini, the group includes over 70 local leagues in the Lake Bains. It's purpose as to help protect our preclous resource, Lake Michigan. Through the group expertise and interest in Lake Michigan and its watershed is poled and informations in smade straighte to local leagues. The group lacke action on study positions on posticices, phosphales, power plants, shoreline crosson, dreiping & diffing and water quality. The following plants or this year meeting are below.

The PCBs, PAHs and heavy metals in the bottom of the Indiana Harbor and Ship Canal have been seeping into Lake Michigan for years. Last year we saw how the Corps of Engineers was going to dredge the Canal and store the sediment in concrete. So many questions arose about this plan - Will the uncovered sediments create noxious odors? What about

the effect on neighboring schools and homes? - that a coalition hired independent scientists to study it and make recommendations. On Friday afternoon we will hear the analysis of the plan from those who commissioned the study

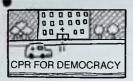

But wait. There's more! Suddenly, everyone wants to buy Hammond's water. Communities in both Insuna and Illinois use the water, but is it decharged back hild her lauk Merlignan basen? And water is that new proposed to kome an even of Grad Labes Leagues and how will laffect us? After dimer Gordon Durnil, former chairman of the International Livin of Control Labes The Mating of a Consensative Enveryonmentalist will discuss how he believes the government is imacifieded in protecting the environment. Since the charge of the L/G is to resolve and prevent disputes about water quality, air quality and water quantity between the United Stales and Consel, he will have much to say about what is hould and should not go in the labe.

On processes along the part is inclusions and advectioned relations which to the time into inclusion the extentional to become set within the processing place of their "processing on their Decompton which extends the processing transition of the part from the CPA and the instantiant department of Decompton (CPA strengt and all on the UPA of the processing transition and the UPA and the instantiant department of Decompton (CPA strengt and all on the UPA of the processing transition of the theory of the CPA of the Instantiant and the instantiant and the UPA of the UPA of the Decompton of the theory of the CPA of the UPA of the instantiant and all of the UPA of the UPA of the UPA of the Decompton of the theory of the CPA of the UPA of the Instantiant and all of the UPA of

COST (includes lunch): \$17.00 per person up to 10 days before the meeting; after that, \$19.00. REGISTRATION: Contact local League president Susan Garrett (295-4001).

October 1996

Membership Information and Opportunities

Not sure how to ask a friend to join the League? Here are some tips from LWVUS president Becky Cain ...

 Usually I come right out and ask them to join. This could be someone I'm working with in a project, someone I know in the community, or someone sitting in the next seat on an airplane. People are forever asking me if they can join. It is as if they feel there is some special criterion they must meet.

 Another method is asking "What are your concerns affecting citizens today?" People wir tax about meir cruior schools, or what they don't like about their community. These are natural League issues. Explain the mission organization. And, tell them how they can become involved in the League in the community.

If is very tare that I have any kind of discussion with someone who does not know something about the League. People know and respect the League. Don't be settish, let people know about us.

I always wear my LWV pin. I feel naked without it. It gives me another opportunity to talk about the strength of the
organization. It is a natural conversation piece.

 Almost everyone can see i really believe and care about the League. I project my enhusiasm about a porticular project, or the overail good the League has given the country. The League has changed my file. To believe offere popels bound have the same opportunity live had- to have the same positive experiences the League has to offer. If find that people just naturally want to be part of something like inits.

 When someone wants to become a member, help them. This means supporting them, taking an interest in them, and helping them find their strengths so our organization can benefit. One of the most powerful ways we can create active and informed citizens is to sign them up in the Lague of Women Voters.

President's Message

Dear League Members,

students (featured th directory of Candidates with a our members. Thank you, one and all.

bersh eo wal o who were unable to come, we had over 45 members and prospective members assemble at my home where we provided an overview of League and its activities. Virginia Fréderick, long-time League members, and past State Representative from our 59th Districh, hajklighted the League's valuable role and commitment. You'll be happy to know that over 25 new members have joined the LWV of Lake Forest and Lake Bluff since May 1996.

I hope to see you November 13th at our program with Virginia Frederick and Grace Mary Stem (with her Chorus). "Conversations Across the Acide: The General Assembly Then and Now." This program promises to be a humorous "meeting of the minds" between these two important women- one a Republican, the other a Democrat. Truly, this is a program not to missi

By the time you receive League Lines, the election results will be known by all. Take comfort (whether your candidates and issues were successful or not) that the League was there, making democracy work, member by member, voter by voter.

As always, thanks for your continued support.

SAVE THE DATE FOR A VERY SPECIAL LEAGUE HOLIDAY LUNCHEON!

Barbara Rinella will present a dramatic book review of <u>First Ladies</u> by Margaret Truman

DATE:	December 4, 1996
TIME:	11:30 a.m.

LACE: St. James Lutheran Church 1380 N. Waukegan Road, Lake Forest COST: \$15.00

Catered luncheon will be served. RSVP BY NOVEMBER 25 TO ELAINE SLAYTON (847/295-0275)

November 1996

Local Update: Knollwood Annexation

Informational Meeting Held on October 23 at Lake Bluff Middle School on October 23, the League held a public forum at the Lake Bluff Middle School on the proposed annexation of Knolwood into Lake Bluff. The meeting began at 730 pp. and 1ast 31/2 hours - the inal question was saked at 11:00 pm. If The meeting was cablecast live, gavel to gavel, and will be broadcast on Cable Channel 19 on Fridays at 830 pm.; Sakudrays, 10:30 an ... and Sundays, 10:30 a.m.

The Leagur's goal was do fler an objective forum, a forum that would allow those officials with different views to weight in on the proposed annexes of into lack Bild. Officials answering questions included representatives from the Lake County Board, Lake Bild PArk Board, Lake Bildt Plan Commission. School District 65, Shields Township and the Villano of Lake Bildt.

Here is how the League put this program togeher. Nineteen questions were complied by a committee of hinteen League members. We identified key concerns relating to annexation, decided on appropriate questions to address those concerns, and several drafts later, inalized our questions as well as program logistics. At the meeting, League questions were asked to othicals until 900 pm. We allowed for an intermission and resumed the program with questions throe members of the addrese until 11100 pm. Over 50 questions were submitted before the program began, and we collected approximately 300 questions in all. Our question screeners, Diane Lloyd, Beth Kress and Flane Skatyon, did an exceptional by dividing the questions into specific categories.

We are confident that the forum addressed all the most significant questions surround annexation. Each official body that responded to questions did an excellent job. We believe it is fair to say that those who attended the forum (approximately 300), or those who viewed it on cable, were pleased with the results.

A special thanks goes to Melanie Rummel who moderated the first meeting on the Knollwood annexation and agreed to moderate the forum of October 23rd S he proved to be a perfect moderation. Additional thanks to Lorrane Bach, Peg Heidning, Eleanor Knight, Cail Lysko and Mary Lane Mathews for their work as timers, ushers overall program coordinations.

Many League members worked to ensure the success of the program. They include Phyllis Albrecht, Christa Donnely, Linda Hinde, Susan Garrett, Carol Russ Gilbert, Nancy, Hansen, Joan Kaltsas, Liese Kant, Cindy Morchead, Jan Schnobrich and Alice Sievert.

The League should be proud of our efforts to inform the voters on this issue. Residents of both Knol/wood and Lake Bluff expressed appreciation for being able to receive the facts in a neutral and comprehensive manner.

ILLINOIS STUDENTS VOTE MOCK ELECTION

In the next issue of League Lines final results of the Illinois Students Vote Mock Election on October 30 will be reported. Students in several Lave Forest and Lave Bluft schools had the opportunity to cast their votes for President, US Senator, US Representative. State Senator and State Representative. Their exults were phone or fraxed into a central tabulating station in Oak Park; the statewide results were then sent to CNN in Adanta and Progradicast antionivelit that evening.

In an effort to simulate the voling process students have learned about voter registration, the responsibilities of informed voting, and the actual election day voting process. The League has been able to make presentations to students in the Lake Forest High School political science class as well as 4th and 5th grade classes at Central Elementary in Lake Biuft. Teachers and administrations have been very supportive of the project.

An offshoot of the project has been developing internship possibilities for students in the high school political science class. To hilling ne of the class requirements is 8 10 hours of community service, and student has worked with deputy registrar sregistering volters and will travel on election day with League members working the election as field the Sensitive, basentee ballo clotector, and decision judge.

Many thanks to all League members who have assisted the children of our community in this exercise in democracy.

ť

Making Democracy Work

Record Number of Voters Registered

Lake Forest-Lake Bulf League members registered 651 voters from May 20 through Oct her a according to Char Kreuz, Voter Registration Chair. Included were first-time voters (both ria year-olds and newly-naturalized citizens), those who moved from other states or counties to Lake C miy, those who moved within Lake County, motor voters, and voters whose names had changed

Thanks to Diane Lloyd for arranging the training sessions for the 15 new deputy registrars trained between mid-July and mid-September. This swelled the ranks of deputy registrars to 34.

League registrars were on hand at the Lake Bluff Fourth of July Parade, Lake Forest Day, the Deer Path Art Lengue's Festival of Art, the Friends of the Lake Forest Library Book Sale, the Lake Forest Chamber of Commerce Sidewake Sale, and at two Lake Bluff Farmers' Market days. In addition, voters were registered at Lake Forest High School Lake Bluft Library, Lake Forest Library, Barat College, the Lake Forest-Lake Bluft Newcomers fail luncheon at several sites arranged intrough the Lake County League and by individual League members

A reminder that one important job remains: getting to the polls on Tuesday, November 5, to cast your ballot. And with thanks to all of these League deputy registrars for the record total of voters registered;

Phyllis Albrecht Lorraine Bach Gertrude Barnett	Anne Czar Susan Garrett Judy Grisamore Peggy Hafner Peg Heldring	Linda Hinde Ann Hollis Emily Jennings Joan Kaltsas Susan Kessler	Eleanor Knight Char Kreuz Diane Lloyd Patricia Loftus Chire Mosee	Bea Mueller Janice Schnobrich Julie Shackleford Elaine Slayton Joan Toole

Voter's Guide

The League of Women Voters is a non-partisan political organization whose purpose is to encourage informed citizen participation in government. The League helps to educate citizens about public issues, observes governing bodies and provides information for the voters at election time. Membership is open to all citizens of voting age.

During the past weeks, several candidates' forums have been held to provide the candidates in contested elections opportunities to answer questions from the public regarding issues related to the offices sou The following voter's guide contains information obtained from cand

U.S. Representative, 10th Congressional District

The following Information has been shared by the League of Women Voters of Highland Park

Candidates: John E. Porter (Rep) and Philip R. Torf (Dem)

Responses of Philip R. Torf - Democrat

1. Do you believe campaign finance reform is needed? If so, what do you believe are the necessary elements in effective campaign finance reform legislation?

Campaign finance reform is desperately ed to end special interest mation of the political process and restore popular faith in our government. While campaigns have grown far too expensive and focused on paid advertising, legislation aimed at restricting contributions has failed to biunt the power of large contributors to influence elections and legislation. Too often the very scale of largesse heaped upon incumbents forecloses the sort of challenge which would force public scrutiny of a candidate's record and fundraising. I would focus reforms on ensuring that every federal election offers voters a credible alternative through public financing for candidates who agree to strict spending and fundraising limits. Alternatively, I would endorse a ten dollar refundable tax credit for campaign contributions to ensure that average Americans have an impact on elections proportionale to their numbers not their wealth of political clout.

2. What should the federal government's role be in promoting the economic security of merican families?

Whether we wish it or not, the federal government plays a profound role in determining the economic experience of all Americans. Unfortunately, this role is often misunderstood, or worse, misstated for

political gain. Even Republican Presidential candidate Bob Dole complanes that the current strength of the econory has aliaded to translate into broadly shared prosperity, that "the rich econorms prospecial promises to econorms proposal provides to econorms proposal provides to econorms proposal provides to econorms proposal provides to econorms provides to econor

Most Americans feel overtaxed - and they should, 44% of personal income taxes in 1996 go just to pay interest on the federal debt. If not for the "supply side" tax cuts of the '80's, that money would be available to support education, provide health care, or lower taxes. And by competing for capital, that huge debt raises interest rates, imposing a stealth tax on all Americans who horrow to buy a house, a car, or a college education or carry credit card balances, and on businesses that borrow to invest and build the economy. In 1993, President Clinton courageously delayed middle class tax cuts to ensure credible deficit reduction. The result has been 4 years of declining deficits, improved economic growth, and falling interest rates. Many homeowners saved thousands by relinancing their mortgages. The Republican plan threatens to reverse this progress, with

unspecified spending cuts, supply-side "dynamic scoring" and economic wishful thinking, it is a credit card offer the American people cannot afford.

Bad as the detricts of the '00's wore, they would have been much worse? In not for payroll tax increases to cover rising heating area costs and create a social security surplus to provide for the baby-boomes' relement. While income and capital gains lakes ramain lar below what they were when Reagen took office, payroll taxes on working are higher than they have ever been. This shift has given rise to an unstable credit card economy, with computer of the trans of the computer lifestyle unit they max out and the economy furchers towerd recession.

The Republicans often criticize Washington for taking on responsibilities better left to the people. The Federal Reserve's policy of controlling Inflation by limiting economic growth and maintaining stack in labor markets has had profoundly negative consequences for the American economy and society. Wage-earners fail to share in productivity gains, and many Americans are simply left out of the economy altogether. What can we do? First we must continue and build upon President Clinton's success in reducing the deficit. It is simply un-American to indenture America's children in perpetuity because we are unwilling to deal honestly with taxes and entitlements. We must carefully target tax relief to the overburdened middle class. to encourage real investment in education and capital that increases productivity and prevent rising wages from vanishing in a

Responses of Philip R. Torf - Democrat

self-defeating inflationary spiral. As President Clinton has proved, it is possible to reduce the deficit, improve possible to reduce the deficit, improve increase wages - all without accelerating initiation. It requires leadership, commitment, and a firm grasp of economic reality.

3. There is currently a ban on the manufac ture and sale of assault weapons, such as UZIs and AK-47s. What is your position on proposals to repeal the ban?

No.

4. The federal government now provides health care coverage for the elderly and the poor, including millions of poor childron, through Medicare and Medicald. Should these programs be cut back, should they be retained at current levels or should the federal government's role be expanded to ensure that all Americans have health Insurance?

America has the greatest system of health care delivery in the world, but our system of financing health care, based on private insurance underwriting is expensive, wasteful, and fails to adequately protect even those Americans who have private insurance. Too often, and for too many, private insurance is like the child's dame Survivor where every charge in employment or insurance status otters insurers a chance to drop those who truly need insurance, leaving only a few healthy individuals paying too high premiums. Medicare and Medicaid have been overburdened with the discards of the private system and their prowing costs threaten to balloon the federal budget. And the future will be worse. Genetic screening, which should offer insight into the mechanism of disease and warning for early detection. instead threatens patients with exile from the private insurance system, should they possess "markers" for some disorder. The recently passed Kennedy-Kassebaum legislation which quarantees portability for those currently insured is a first step, but it leaves many pitfalls remaining. It is time the federal government took steps to insure that all Americans have access to quality affordable health care

Responses of John E. Porter - Republican

 Do you believe campaign finance reform is needed? If so, what do you believe are the necessary elements in effective campaign finance reform legislation?

The big money pound into policial campaigns has lumind them into big business -- professional marketers determine a candidate's stance on the issues based on their evaluation of what will 'self' and them use negative advertising to destroy their opponent through personal attacks and misleading claims. This teaves voters feeling that no candidate is honest or deserving of support.

The solution is legislation to encourage low campaign spending limits, local involvement, volunteer participation and attention to the issues. I have introduced H.R. 3912 to impose a spending limit of \$300,000 on House eloclions. If a candidate exceeds that

fimit, their opponent receives compensating support (the Supreme Court has held mandatory limits unconstitutional). My bill would halve the current limit on Political Action Committee (PAC) contributions while doubting the timit on individual contributions. I would require that two-thirds of a candidate's funds come from individual donors with no more than 20% of such funds coming from donors living outside the congressional district. My bill would reduce the overwhelming money being poured into campaigns, decrease the influence of PACs, increase the role of individuals from the district and promote candidates responsive to local concerns.

2. What should the federal government's role be in promoting the economic security of American families?

The federal government must create a prosperous economic climate for families by balancing the budget. A balanced Should the federal government continue to set regulations to protect the environment and public health?

Yes, just as a consensus was building in the country that recognizes that environmental protections provide cost effective means of controlling floods processing wastewater, conserving soil and water, supporting recreation, controlling disease, and generally improving the quality of life for all Americans, the Republican takeover of Congress has put all of this progress in seopardy. I do not believe the American neonle are ready to abandon decades of bipartisan efforts to clean up our air and water, and to preserve our natural heritage for our children and grandchildren. Just to appease the big polluters, developers and resource exploiters who have been allowed to draft legislation for the Republican leaders. And I do not helieve that the American people are willing to accept relaxation of public health standards that leave them wondering whether their drinking water and food supply are sale for their children. I will work tirelessly to ensure that we preserve and protect our natural resources for future generations.

budge means lower long and short lerm interest rates, reduced infationary pressures, greater availability of capital for productive use, and an end to annual increases in the national dath and debt service costs (interady over \$200 billion annuality). For families, this means lower priced goods, nucleord interest costs for homes, automobiles and student loans, and improved anolytumilies.

Defail reduction is and has been my highest priority, incidential independent organizations such as Citizens Against Government Waske, lub National Taxpayees Union, Watchholgs of the Treasury, line, in Leoncoad Casifion, life U.S. Chamber of Chargenss and Citizens for second the Concept Casifier along how rescapitod me for my efforts along how rescapitod me for the forts in the Scap rescention in compariso for my defail reduction efforts in 1994. The failonal trapprese Union analysis for 1995 shows

Responses of John E. Porter - Republican

that I ranked near the top for my votes to control spending.

3. There is currently a ban on the manufacture and sale of assault weapons, such as UZIs and AK-47s. What is your position on proposals to repeal the ban?

I consistently support legislation to place tough restrictions on the easy availability of handguns and to ban weapons that have no recreational or sporting purpose.

I strongly supported enactment of the Assault Weapons Ban in 1994. I led a bipartisan team that worked on the House floor during the weeks preceding the vote to identify and hold support for this proposal. I oppose repealing this law.

I also strongly supported the Brady Bill -requiring the Attorney General to establish a background check system to sevent sales of handguns to convicted trons, toglitues, individuals with histories of serious mental illness and drug addicts. I also worked hard to enact this law and oppose efforts to weaken it.

4. The federal government now provides health care coverage for the elderly and the poor, including millions of poor children, through Medicare and Medicaid. Should these programs be cut back, should they be retained at current levels or should the federal government's role be expanded to ensure that all Americans have health Insurance?

Our health care system has the best technology, personnel, innovation and research. Nevertheless, many are

Biomedical research not only creates high-skil jobs research not extra set research leadership and exports, but also leads to treatments, cures and prevention stategies for numerous diseases that save billions in health care costs. As Chairman of the Subcommittee that funds this research, I nave made this one of my top priorities in Congress.

Lam committed to preserving Medicare and ensuring that seniors receive high quality services at an affordable cost. The fund that pays hospital henefits will be bankrupt by 2001 and Medicare must be reformed to prevent this. Preserving choice is central to Medicare reform. Under legislation | support seniors could stay under the current Medicare program and pay the Part B premium at the same (31.5%) percentage, or they could elect one of four fully prepaid programs such as managed care organizations (HMOS). preferred provider organizations (PPOS), networks set up by doctors and hospitals. or medical savings accounts. They could not be denied entry into any program and could change programs when desired. This would provide seniors with coverage options similar to those millions of Americans enjoy and would both preserve quality and control costs.

I support Medicaid legislation to allow the states to design their own programs while creating an "umbrella" fund to protect against unforeseen increases in casebad, This legislation wold retain current nursing home standards and guarantee care (or chidren, pregnant women, the olderly poor and the disabled. It would also assure sufficient responses - tederal funds to tillnois would increase 56% between 1995 and 2002, with additional funds to serve Native Americans and ilegal alers guaranteed care by federal courts.

5. Should the federal government continue to set regulations to protect the environment and public health?

Yes. I have worked hard in Congress to reduce vasite and pollution, preserve natural lands and resources, promote energy efficiency and recycling, and protect fragile eccesystems both in the United States and abroad. We should not pass on deficits, including environmental deticits, to future generations and ve musiact responsible, now so our children inherit a sound environment and a sound economy.

I support eliminating government subsidies that encourage the unsustainable and environmentally damaging use of resources on public lands. Flanchers, loggers and miners must pay a fair share for access to these resources, and they must carry out their activities in a sustainable and environmentally-sound manner. I also advocate effective oversight of our National Parks. Forests. Wildemesses and Refuges to protect these treasures from overutilization. I advocate a strong Endangered Species Act that encourages use of Habitat Conservation Plans. I strongly supported this year's reauthorization of the Sale Drinking Water Act, led the fight to stop logging in our old-growth forests, and vigorously oppose opening up the Alaska National Wildlife Refuge (ANWR) to oil drilling.

Election Day is November 5. Exercise your Right to Vote.

Candidates: Sally D. Coffelt (Rep) and Jacqueline "Jackie" Jones (Dem)

Statement of Sally D. Coffelt - Republican

Having served as Circuit Court Clerk of Lake County for the past fitteen and one-hait years, I am currently running for re-election to my titth term of office.

I am a liteting resident of Lake Courty, having grown up in Watsworki, litetins: I we automated hild support processing graduated trom Warnen Township High School in 1956 and wert on to after Mikiu I university in Decatur, literiosi. I de automated hild support exceeding NS and the small claims division for more efficient case processing, in my third te deficient case processing, in my third te deficient case processing, in my third te deficient case processing, or un ow automated court literative table that a concentration information system and the preliminary study of image processing for future

Many improvements have been made were funded by user fees, not fax ologies during my tenner as Cracit Court Cherr. In We also began the design process for my first term of office, we designed, wrote, dritce space within the courty complexe automade fraffic system which is the which will be implemented in December of this year. We also redesigned our prach relation to this year. We also redesigned our prach relation to this year. We also redesigned our prach relation better utilize space with relationship to office functions. A major accompliant automade of the County of Lake and office functions. A major accompliant and proved for the County of Lake and office functions. A major accompliant and proved for the County of Lake and the county of Lake and for the major accompliant and the functions.

of this term was the distribution of all fine monies due to the municipalities, both late and current, within the first six months of taking office. The office has maintained accurate and timely distribution of monies ever since. In my second term of office. We automated child support processing and the small cleims division for more efficient case processing. In my third term of office, we began the development and design of our new automated court study of image processing for future record keeping. Both of these projects were funded by user fees, not tax dollars. We also becan the design process for new office space within the county complex and moved our branch traffic courts into new facilities, i designed and implemented Office of the Circuit Court Clerk which has been expanded for use for all clerical employees of the County of Lake and adopted by the County Board for the

purpose of advancement of employees. As my tourth term of office connects to a close, we are preparing to implement the new court information system and we are operating the Small Claims (mage/ information System successfully. We have moved into our new offices at the County Building in Waukegan and the new Juvenile Complex is being completed and readed to roperation this Fall.

In the future, we must replace our automatic drivit support processing system with a system that is compable with the IDPA automated system to meet federal requirements and we must begin a adress the issue of government accessibility through automation. New takes require constant attention to insure accuracy in our processes and in the accuracy in our processes and accuracy in a second the accuracy in our processes and accuracy in a second accuracy accuracy accuracy accuracy acc

Statement of Jacqueline "Jackie" Jones - Democrat

Many people have seled min why I am running for this office and my answer can only be why not? Wy opponent has now served as our Clevel of the Circuit Court for aimost 16 years and after reading the report issued in February of this year that details the performance of the Ciflos, I cannot be the dybuics conclusion that I must step forward and run as a candidate in this year's election. Recently I was reminded of a famous quote "Democracy is not a speciators port" well ler no tell you J am not that type of person to stand on the sideline when I see a problem.

The regort I mentioned details the many problems hat evelt today in the Clerk's Office. The area needing the greatest attention in the Clerk's Office is its management capacity. According to the regort and quote The detactionses and barriers can be traced to existing management? The Clerk's the utilinate management? The Clerk's the utilinate management capacity. When the support of the County Administrator and the County. Board, its ability to successfully implement most of the recommendations in this report is questionable. "Have any of you ever heard the expression "a tiger doesn't change its stripes"?. Well i have, and i know we need a change of management in order to move the Cherk's Office forward into the 21st century.

OK so we need a change, but why is Jackie Jones the candidate we should elect? Because I have the management skills necessary to implement the changes that are needed. I believe a manager should be able to do 5 key things: Set Goals, Organize, Motivate/ Communicate, Quantify Needs/Results and most importantly, Develop People. These are the skills that I have proven to the employers I have worked for in the past 12 years. I am currently employed by the American Federation of Government Employees 7th Districts' National Vice President. Robert Nelson has held this elective position for over 10 years. Since I joined his staff, I have enhanced the district's management capacity to the

point that he ran unopposed in the last election. Prior to my coming on board, he had an opporent each time. My prior management experience came from working for a marketing company he which managed a territory targer than Lake County, with a staff of over 200 employees. I verse instrumental in the growth of that company from a small family owned business to ome that is now doing over 100 million dollars in business each and and and staff or business.

I have a management plan that could be implemented immediately upon my election to diffee that would not increase the operation of the Clerk's Office. A 15 point plan, that would utilize dollars currently going unused (training budget) or being misused, in the case of unnecessing whith the Clerk's Office.

I hope that you join me in this race to bring the Office of the Circuit Court Clerk into the 21st Century.

November 1996

1996 Voter's Guide

Lake County Recorder of Deeds

corder of Deeds is responsible for keeping permanent records of all land transactions in Lake County. The Recorder's office currently employs 25 people.

Candidates: Robert P. Neal (Rep) and Mary Ellen (Durkin) Vanderventer (Dem)

Statement of Robert P. Neal - Republican

Management Expertise... President of Able Electronics, Inc. - Director and Chairman of Illinois Prairie Trail Authority -Director and President of Wetlands Research, Inc.

Computer/Technical Skills... Active in Navai Reserves as electronics expert -Graduate of advanced computer schools.

Organizational/Administrative

Ability... Served as Chairman of the Engineering Committee of the Illinois State Toll Road Authority - CEO of electronics company responsible for budgeting, purchasing, payroll and customer service.

Customer Service

Orientation/People Skills... Graduate of Narda School of Service Pragement at Notre Dame - Managed a company whose technicians each year averaged 25,000 service calls.

Knowledge of County

Government... 1982-99 Lake County Board Member. Elected five terms -Involved with setting and overseeing the budget for the Lake County Recorder's Office; 1985 89 - Elected Newport Township Supervisor; 1971-83 Wadsworth Trustee: Elected three terms. "To run and manage the Recorder's office requires the management expertise and background to work with people...Only Bob Neal has that Expertise. Bob managed a company of 27 people that deat with customer problems on a daily basis and maintained files on over 60,000 repairs annually with an office staff of only 7 people.

To run and manage the Recorder's diffice requires a person experienced in handling the financial management of a budget of \$393,660, .only Bob Neal has that Background. Serving as CEO of his electronic film or 33 years in addition to serving as the Maintennon/Material Control Officer of his Nays Squadron for 6 years makes Bob eminently well qualified.

To run and manage the Recorder's office requires a person with experience in the operations of computer data input and processing or introllin as well as overall office management...Bob Neal has that experience Military Justiness and government service have brough the knowledge and experience necessary to do all the functions of the Recorder's office. To run and manage the Recorder's officer requires a parson with the ability to prepare a budget and to get if adopted by the County Board committees as well as the fuil County Board. Only Bob Neat has that Ability. Serving 14 years on the County Board and 8 years on the Finance Committee that adopted the Recorder's budget, Neal knows how to get the job done.

Bobert P. Neal: "My 33 years in business: 23 years in the Navy Reserves: and 25 years in local, township, and county government have given me the qualities which are necessary to being a good recorder; a strong business background: the ability to manage technical programs; a reputation for being good with people: trustworthiness: knowledge of computers; and an understanding of County government." "Protecting and recording your family's investment" is the major responsibility of the recorders office. My primary objective is to continue Frank Nustra's record of excellence and to continue the modernization begun by Mr. Nustra."

Statement of Mary Ellen (Durkin) Vanderventer - Democrat

From 1985-1995 i managed the largest department in the Lask ocuryl OctA's office. As Elections Administrator I supervised operations for every local, state and national election, prepared and full time staf of 22 administrative and clerical personnel and was responsible for the daily administration of over 285,000 volter registration encores. For 10 years I ran the Elections Department under the watchful eye of the Laske County Waxpayers, politicians and the press attifued method.

The Recorders' office is responsible for recording and retrieving any document the public wants recorded. Most often the office is used in real estain, recording properly transactions. Che of my objectives is to generate increased revenue with an off-teie, remote access program for banks, iawyars and thit companies. These customers use the Recorder's office most offen. Under my were yorgram, they would be able to access needed information from link-ups and the would be able to create a network of information that reaches abuchchers where they work.

My opponent and I could not be further apart in the way we approach public service. I held one job and concentrated all my efforts on performing my duties within that position. My opponent has held

page 9

as many as four taxpayer paid positions at once and recently led the battle in his position on the Lake County Board to increase the Recorder's salary by 25%, knowing he was a candidate for this office.

In my run for Recorder of Decks, I am being publicly supported by both Democrats and Republicans. Being elected Recorder would restore the 2 party system and offer a check and befance in Lake County government, I would serve the people of Lake County as 1 full time Recorder with a proven record of courteous, decidated, non-partisans service.

State Senator District 30

The biography of each candidate for State Senate District 30 was provided by the candidates for October 7, 1996 Candidates' Forum sponsored by LWV-LFAB (so-sponsored by LWV of Deerfield-Lincoinshire Area, LWV of Highland Park, LWV of Waukegan-Zon Area, and LWV of Lake County.

Candidates: Thomas F. Lachner (Rep) and Terry Link (Dem)

Thomas F. Lachner - Republican

Tom Lachner is lithne's State Representative for the SdH Detrict. He is president and owner of Device Resources Corporation, a medical liber optics tim toolated in Lake Bult, lithnes. The firm manufactures his patiential funder spice averages for use in neunatal intersive care units. Tom's public office experience includes being President of the Lake Bult District 65 Board of Education and serving as Vice President of the Northern Suburban Special Education District. He was honored by the State Superintendent of Schools as a recipient of the "Those Who Excel/ Teacher of the "Those Who Excel/ Teacher of the Year" awards program. Tom was the only board member in Lake County to receive the award that year.

Tom holds a Bachelors degree in International Relations for Lake Forest College and an MBA from Kensington University. As part of his community activities, he serves the sight and hearing impaired through his activities in the Lions Cub. In addition, as a veteran of the U.S. Army Mittary Police Corps, he is a member of the Lake Forest American Legion. Terry Link - Democrat

Terry Link is a lifelong resident of Lake County. He has served six years on a local parochial school board. He participated in the efforts to resolve the North Chicago School District funding problem, and currently serves as a member of the College of Lake County Foundation Board.

Terry is active in the Lake County United Way and is a member of the Highland Park Elks Club. Terry is co-owner of Major Industrial Truck, a sales, entral and service company. As a small business owner, Terry is awate of what it takes to run a business, and all of the responsibilities of meeting a payroll, managing sales, controlling inventory, and providing customer service. He is a member of the Lake County Contractors Association, as well as the Lake County Chamber of Commerce. Terry is the current Chairman of the Lake County Democratic Party where he has developed a corce dormant group into a more highly visible political organization. Under Terry's leadership the Democratic Party has maintained a year round office with staff and conducted voter registration drives adding hundreds of new voters each election civice.

On June 2, 1996, Terry married Susie McCall. Together they have four daughters. They live in Vernon Hills,

Workshop on Meeting Strategies for Leaders

Making Meetings Work

November 1996

Membership Information and Opportunities

rested in Children's Issues?

The League of Women Voters of Lake County is looking for people who might wish to explore the possibility of serving either now or in the future on any of following groups (LWVLC is presently a member of these councils and programs). Please call Claire Weiner 945-6088 if any of these opportunities are of interest to you

Kide 1st Health Fair

Co-sponsored by Lake County LWV and Lake County Health Dept. for children of families with limited income. We are reorganizing for our 5th year and would welcome volunteers on our committees that do the year long planning as well as for the actual Fair in August.

Violence Intervention/ Prevention Council

Representatives of provider agencies, schools, law enforcement, civic groups, etc. have coordinated to develop and implement the Framework for Action. They sponsored their second forum on Oct. 10 -- Youth and Adults Learning from each Other -- at College of Lake County.

Lake County Early Intervention Council for Children at Risk This council is mandated by the State to develop and coordinate a

system for the delivery of coordinated serviced to the families of

developmentally delayed children 0-3.

Successful Families This committee formed to develop a Healthy Families Program in Lake County. The Healthy Families Program is a program that provides services from birth to ages 3-5 to families who present risk factors that potentially might translate into abuse and/or neglect of the children

For Parents (and Grandparents) of Teens! Shrinking the Gap

is a parenting booklet invaluable in communicating with your child in his teen years. It is a parenting resource to address family problems and issues between teens and parents. In September, the parent and teen resource booklet was made available to all our public and private schools to families whose children are in 6th -12th grades. If you have not received one, it is available in your respective school office.

The contents offer help in parenting, health facts on drugs (tobacco, alcohol, manijuana) and the law, a guide to hosting teen parties, a guide to discussing your teen's sexuality and its responsibilities, teen stress, eating disorders. and a resource for help to these issues and much more. The booklet was compiled and researched by L.E.A.D., Linking Efforts Against Drugs.

The Beanery

is a coffee house located in the "grotto" at the Gorton Community Center sponsored by The Volunteer Bureau. Every Saturday night it opens its doors 7'30-11:30 P.M. offering high school teens a place to meet with friends. listen to music, play board games, ping pong, pinball, eat, drink coffee and be merry. Students are encouraged to advantage of the evening setting and showcase their talents or discover hidden talents: Stand up comedy, play a musical instrument, pantomime, magic tricks. The evening is supervised by chaperones and concession interferent if you're knowing for a sourceer opportunity or need to get out on a flaturing right on Interfacting of the local processor scored in The Bearley, Interested? There is not a better person than the only daughter of President Hany Truman to write a bock about First Ladies! Margaret Truman was born in 1924, and has wonderful linst hand knowledge of First Ladies from Grace Coolidge to Hilary Clintor, oourse, only Margaret Truman can give a proper view of a "amousty private" First Ladie, no ew hon ever held a press conference during her years in the White House-her mother, Bess Truman. Barbara Rinella will become many of our First Ladies as she dimatizes aspects of this fascinating book.

From Metria Washington, who was greated by the works, the Live Lake Washington' as she accompanied her newly elected hubband to New York, the strict of yot her fression?s residence. Do Dolley Madacon, called the "greatest tone setter" of Yest Laties... to New York and Lincoh, asselled beyond all imagining by conflicts and tragedies...Mrs. Rinela will present Wid potratia of these early.

The League of Women Voters of Lake Forest/Lake Bluft is a nonpartisan political organization that encourages citizens to play an informed and active role in government.

At the local, state, and national levels, the League works to influence public policy through education and advocacy. Any person of voting age, male or female, may become a League member.

All members receive League Lines.

President's Message

by the approach the building prime and the blanding of 1986, built bake a represent to which have not been as the second decomposition with

hosting cardidate forums and sponsoring the student mock election. Additionally, with the help of Mary Lane Mathews, the League mailed over 600 tund relating letters to businesses and residents (all non-members) in our communities. We plan to publish the names of those who donated, along with the dual tunds collected, in the Jamaury sissue of League Lines.

Other good news is that our membership is strong; our financial status is sound. Membership interest and participation are high.

The board is now contemplating the future direction of the League. We plan to loous on programs and sease that we believe val make a difference in the coming mail time outsign of the meeting we voted to offer a programs of the outsign operations. Ealens Stayton is currently developing these programs. We are also ready to complete the Nominating Procedures study very soon.

Other divergent issues at community, county, state and national levels need to be addressed. For instance, in Lake Forest members are asking for more decassion on affordable housing, the location of a permanent senior center and ways in which to address leven substance abuse. In Lake Bittilf and Knollwood, the possibility of Knollwood's incorporation still remains unclear. At every level of overminent, campaint finance reform is needy to be seriously studied.

The Leggue can only do so much. Our members all have busy schedules, however, the board wilh did a korg range planning meeting January 8th lo determine ways in which we can address some of the most pressing concerns. Once we have organized our loads, we wilh hold a meeting for the entire membership to hear, consider and provide input on priorities for the Leggue in 1997. We expect that meeting to take place in any first plant of will notify you well in advance. Your input will be a very important component in this process and will help us defor procrams that will provide available in our communities.

Everyone is tooking forward to coming together for the Holiday Luncheon, which includes a book review of First Lagles by Barbara Rinella, on Wednesday, December 4th. Please try to join us for this wonderful event and feel free to invite or bring guests.

Thank you for your ideas and observations. As you know, I always enjoy hearing from you. I am confident that the League is on the right track, making democracy work, thanks to the support of our members and the leadership of our board.

Cheryl Johnson 1450 Arbor Lane, Lake Forest

Thanks for Letting Us Listen Across the Aisle .

On November 13th, Virgihia Fiester-Fréderick, former State Depresentative and Grace Mary Stern, former State Senator joined together in a candid and humorous discussion, "Conversations Across the Asile: The General Assembly Then S Nov." They talked, among other things, about their roles as 'temate' legislatures paying the way in a made dominated government.

Vigriaire acealied the high emotions during the attempted passage of the ERA emondmers, awing that "women key prostate are only only the State Captic Disiding" in protest and support, while "a very far man walked across the women". When the June 30th deadline was upon them, the women leighdators gathward at the Well challing continuously, demanding loudly, "Business are usual" Finally, the uitre-conservatives begain singing "Cod Biess America", drowning the women out. After all, there were far feaver women than men.

On the treatment of female members by mate members in the State Senate, Grace Mary recaled that none of the men would date help a woman. Some would explain what was going on, but no more. They (the men) "treated her like the plague" and not even the Democratic men would join the women for dinner or a movie". Both Virginia and Grace Mary did agree that presence of women has forced a change in lifestyles in Springfield. Other topics discussed were campaign finance reform, the speaker's role and power, and significant contributions of which the two women felt proud.

The program was closed with a spirited and very entertaining performance by the Grace Mary Stern Chorus. Their final song, written especially for the League and this program, was sung by ail to the tune of "Oh, Beaulful for Spacious Skies". We wanted to share the verse with you:

> Non-partisan, how beautiful, How well-bred, wise and warm --We don't enclores - we can't of course -Our function's to inform. We try to let the people know To vote and act as well -Our path is down the middle And it's difficult as hell.

Many thanks to Grace Mary and Virginia for sharing their time and experiences with usl

You are cordially invited to the inaugural celebration in honor of Corinne G. Wood State Representative-Elect, 59th Legislative District Wednesday, January 8th, 1997 Sprinaficid, Illinois

- * Late afternoon reception at the Springfield Renaissance Hotel honoring Representative Wood.
- * Bus departs Springfield early evening.
- * Cost for the trip is \$25.00 per person.
- * Reservations are limited! Please RSVP to 615-1996.

League Looks Into Representation in Lake Forest

The target of Women Valer of Lake Freuet and Lake Burtl sum the laters to the Lake Forest City Council dated September 4 1996; and Movember 14, 1996; converging our sensitivity interesting the number of adlermen elocide to represent the city's four wards. Our concerns are that 1 1 the City Council have the appropriate number of adlermen to represent the city's population; and 2 adder wards devided in such a ward that exout processipation is achieved as nearly as possible.

It appears from (Illinois State Statute 5:5-2: that the overall population (1990 census) may be under represented in the CNy Council. According to the Statute, municipalities with populations "exceeding 15,000 but not exceeding 20,000" should have the representation of tein advermen. As of the 1990 counses, the population of Lake Forest was 17, 808. Lake Forest is currently represented by eight alignmen, or two advermen in each of the four wards. The League is also requesting a population breaddown by ward to as at o ensary equal recensentation for each ward.

As we openly discuss this matter with the City we will continue to keep our members informed. If you wish more information, call Susan Garrett at 295-4001.

ILLINOIS STUDENTS VOTE MOCK ELECTION

DEAR MRS. HOLLE.

THENK YOU MUCH FOR COMING TO CENTRAL SCHOOL I L TO TELL MY PARENTS TO VOTE

> SINCERELY SHELLA

If the students from our local schools had been able to determine the results of this fall's election, our elected representatives would look somewhat different than what we're getting. We had a wonderful example that one vote does make a difference. At LBMS Dole deteated Clinton by one vote!!

On October 30th, students at Lake Bluff Central Elementary (grades 3-5), Lake Bluff Middle School (grades 6-8), Lake Forest High School (grades 3-12) and Lake Forest Country Joy School vold for President, LJS Senator, US Representative and some for State Senator and State Representative. Results of the election from three of the schools were:

	Central Elementary	Lake Bluff Middle School	Lake Forest High School
Clinton	54%	39%	33%
Dole	38%	39%	49%
Perot	8%	17%	12%
Durbin	40%	37%	31%
Salvi	41%	48%	55%
Tort	39%	38%	28%
Porter	61%	62%	72%
Link		16%	
Lachner		84%	

Special libaritis to Lorraine Bach, Melanie Rummel, Susan Garrett, Sue Engelhart, Chris Moses, Linda Hinde, and Elaine Stayton who helped in our schools: We had a toi of fur and reached al lgd toiks! Teachers and administrators were very appreciative of our efforts. The letters are samples from Ms. McShron's litth graders at Central School.

(VO' (TODAY!) for coming a lot, 'd no

who they voted for on a ballat now know what all the other was
