A meeting of the Lake Forest League of Women Voters was held at the Lake Forest Public Library on Tuesday, January 8, 1935, at 10:30 a. m. Mrs. Pugh acted as Secretary pro tem in the absence of Mrs. Templeton. The Treasurer's report was read and accepted. Twenty-four members were present.

Miss Ryan, Chairman of Education, spoke of the outstanding actions on school conditions.

Mrs. McKenzie read the report of Mrs. Ingram on Child Welfare. Thirty bills are before the Legislature.

Miss Colvin, Chairman of International Cooperation, read eleven items for Support. It is expected that during this session of Congress we may become a member of the World Court. Also the question of the United States in the League of Nations--support of the Investigation of Manufacture and Shipment of Arms.

Mrs. Read, Chairman of Government and Economic Welfare, spoke of the measures for study and support and opposition on the question of equal rights as related to women.

Mrs. Gourley, Chairman of Government and its Operation, spoke on permanent registration. In Chicago she stated that it cost \$11.40 per person to register, in Milwaukee 12½ cents. She also spoke on the new food and drug law and on Federal Suffrage for District of Columbia.

Mrs. Murray Nelson was the substitute for Mrs. Ramsey who could not be present. Mrs. Nelson has spent much time in the study of the Merit System in the State Institutions of Illinois. There are 80 state institutions, 7,000 employees, 47,000 inmates. She spoke at length on the abuse and nuisance of the present laws which were not clear. There will be new bills introduced for the examinations for civil service, etc. There are many divisions in the Civil Service and the task is tremendous, but in 50 years there has been advance. One out of ten adults are in the employ of the government. Civil Service includes all government employees.

Mrs. Nelson's address was most instructive and enlightening.

There being no further business the meeting was adjourned.

Respectfully submitted,

Sarah Taylor Pugh
Secretary pro tem.

The Lake Forest League of Women Voters held a meeting Tuesday, February 5, 1935, to which the members invited guests, in the Lake Forest Public Library at 10:30 a. m.

Mrs. Blossom, the President, presided. There were twenty-five members present.

William C. Petty, County Superintendent of Schools, was the speaker; his subject being the "Larger Unit in respect to State Funds."

The larger unit applies to Taxes only and not to consolidation and is strictly a rural problem not affecting town or city schools.

The Distributive Fund now is \$10,500,000 annually. The hope is for an appropriation of \$30,000,000. Of this Lake County now receives \$18,614.00. Mr. Petty said that Lake County had gotten along very well in the last few years, but of course had been compelled to reduce to meet its obligations. There are 108 districts in the county including High Schools. The greatest objection to consolidation is the bus. Parents object to small children going miles away from home and the memories of bus catastrophes fill them with fear. They much prefer to have their own school even though it cannot be so up-to-date.

There are 99 elementary schools in the district of which 65 are one room schools with an average of 20 in a room. There are from 4 to 48 in the rooms. There are 19,500 pupils in the 108 districts. The salaries of the teachers range from 75 to 150 dollars--no uniformity, but depending entirely on the district--each school board is a law unto itself.

Students in Non-High School districts, of which there are about 10, can attend any school in the state and have their tuition paid.

Mr. Petty's talk was most enlightening and the questions and discussion quite refreshing.

Respectfully submitted,

Sarah Taylor Pugh

March 5, 1935

A meeting of the Lake Forest League of Women Voters was held on March 5, 1935, at the Lake Forest Library. Mrs. Blossom turned the meeting over to Mrs. Gourley, Chairman of the Department of Government and its Operation.

Mrs. Gourley announced a Lake County League Luncheon on Monday, March 11, at the Deerpath Inn. All League members were invited to be present. Three Legislative representatives were to be present at the luncheon.

Mrs. Gourley reminded the members present that the Permanent Registration Bill was up in the legislature, and urged all to write to the legislators.

Also, the Township election on April 2 was most important. Mrs. Marc C. Law, expert on taxes and township government, Past President of the Highland Park League, and also a candidate for Commissioner in Highland Park, spoke on "Whither the Taxing Power of the State."

She spoke of the Real Estate tax at present bearing 85% of the burden, as the personal property one is badly handled. The Lake Forest personal property tax is \$6.12 per hundred dollars.

The Sales Tax has been used to help real estate tax. For the past six months it was used for relief only. The 3% gas tax is used for road upkeep.

Mrs. Law added that the Federal Relief Fund was exhausted and that probably the present Legislature would raise the Sales Tax and also the Gas Tax. She stated that all the quarrels in empires were caused by tax discussions. Meeting adjourned.

Respectfully submitted,

Elizabeth P. Templeton
Secretary

April 2, 1935

Mrs. Gourley represented her own Department, Government and Its Operation, Mrs. Read, Government and Economic Welfare, and Miss Bradley, Government and International Cooperation. Mrs. Templeton attended the meeting in the interest of Government and Child Welfare.

May 7, 1935

Mrs. Gourley gave an interesting and amusing description of her recent attendance at the hearing on the Permanent Registration Bill in Springfield. The bill at the time was at a standstill, but if it were not placed on the calendar the committee would start a filibuster.

Mrs. Blossom introduced the speaker of the day, Mrs. Maurice A. Pollak, Chairman of Government and Economic Welfare of the Illinois League. Her subject was the "Consumer's Problem."

Mrs. Pollak explained the Food and Drugs Act of 1906, its uses and limitations, and the recent introduction into the Senate of the Copeland Bill. This bill contains four important points:

1. Care in quality of cosmetics and medical appliances. This did not come under bill of 1906.
2. The listing of diseases, which no product can cure.
3. Penalties for infringements on law more severe.
4. Standards of quality for commodities other than drugs.

Mrs. Pollak spoke of the work done by the "Consumer's Research", an organization which charges a fee for membership and publishes a magazine. A general discussion followed, and the meeting was adjourned.

Respectfully submitted,

SECRETARY'S REPORT FOR
ANNUAL MEETING

This annual June meeting brings to a close another successful year of work carried on by the Lake Forest League of Women Voters under the guidance of its efficient President, Mrs. Blossom, its helpful Vice-President, Mrs. Gourley, its faithful Treasurer, Mrs. Pugh, and its Secretary, Mrs. Templeton.

The programs arranged by Miss Colvin, Chairman of the Program Committee, have been most carefully planned and carried out. The League owes in great part the success of the year to Miss Colvin's splendid work.

On July 10th, Mrs. Rosenstiel, Director of the Fourth Regional District of the National organization, spoke to the League on the "Policy of the League of Woman Voters". The meeting at which 35 members and guests were present, was a most delightful afternoon and held at the home of Mrs. Hixon.

The fall meetings began on October 2nd when Mrs. W. W. Ramsey, Vice-President of the Illinois League, discussed in her usual interesting way, the "Constitution of Illinois". The meeting was held at the Library with 22 members attending.

On October 23rd an extra meeting was held taking the form of a pre-election conference. Mrs. Lunde addressed the meeting, which was held in the Library.

The November meeting on the 6th was an executive meeting only at the residence of Mrs. Blossom.

For December 4, Mrs. William G. Hibbard, Chairman of the Department of Government and International relations of the Illinois League, spoke before the Lake Forest League on "The Control of the Manufacture and Shipment of Arms." 28 members were present.

The January meeting was held on the 8th at the Library. Reports were given on Legislative questions which were pending. Miss Ryan, Chairman of the Department of Education, gave a report on the activities of her department; Mrs. McKenzie in place of Mrs. Ingram, a report on Child Welfare; Miss Colvin on International Co-operation; Mrs. Read on Economic Welfare; and Mrs. Gourley on Government and its Operation. These reports were followed by a most instructive and enlightening talk given by Mrs. Murray Nelson on the "Merit System." 24 members were present.

On February 5, the League members met to hear Mr. William G. Petty, Country Superintendent of Schools, speak on "The Larger Unit in Respect to State Funds." This meeting was also held at the Public Library with an attendance of 25.

Secretary's Report for Annual Meeting

On March 5, Mrs. Marc C. Law, past president of the Highland Park League, and an expert on taxes and township government, talked to the League on the subject of "Taxation." She proved to be a most interesting speaker, and the eight members present regretted that the meeting was a small one.

The April 2nd meeting was held at the Library with ten members present. Mrs. Archer Taylor, Chairman of Government and Child Welfare of the Illinois League, was the speaker, her subject being "Child Welfare in the Present Legislative Session." Mrs. Taylor is a new member of the State Board, but a person of rare background, and gives promise of doing splendid work in the League.

On May 7, the regular monthly meeting was held, and 20 members were present to hear Mrs. Maurice A. Pollak, Chairman of Government and Economic Welfare of the Illinois League speak on the "Consumer's Problem." Mrs. Pollak discussed the Food and Drugs Act of 1906 in comparison with the recent Copeland Bill, which has been before the Senate. She also spoke of the good work being done by the Consumer's Research.

Other Board Meetings were held each month to plan and carry on the usual business. The membership remains about the same with a few old members dropping out and new ones coming in.

Respectfully submitted,

Elizabeth P. Templeton
Secretary

On Monday, January 27, 1936, Mrs. Hixon entertained at luncheon the Lake Forest League of Women Voters Board Members, a group from Lake Bluff, and one from Highland Park and Waukegan. At 3 o'clock the regular monthly meeting was preceded by a clever skit presented by the Highland Park Members. The subject was "A Day in a Lawyer's Office" with Mrs. Raymond Simons as an attorney and a splendid cast in costume.

Mrs. Maurice Pollack, State Chairman of Government and Economic Welfare of the Illinois League, addressed the forty women present on "The Federal Security Act." It was a most interesting meeting, and the League was most appreciative of Mrs. Hixon's hospitality.

Pledge cards for the nation-wide campaign for trained personnel were distributed to members.

Mrs. Gourley announced that at the next open meeting on February 18 Mrs. Raymond Simone would speak on "Public and Private Rights of Women in Illinois;" that at the next Board Meeting, March 3, Mrs. Johnson would make a report on the conference in Washington on the "Cause and Cure of War."

REPORT OF THE SECRETARY

This Annual Meeting of the Lake Forest League of Women Voters of June 30, 1936, closes another year of interesting and successful work. Under the guidance of Miss Colvin as President, and Mrs. Gourley as Vice-President, the year's program has been carefully planned and carried out.

The monthly executive board meetings, covering the time from September through May, have handled the business matters, and made the necessary decisions. Perhaps the one important question before the Board came in March when it was decided to hold the monthly open League meetings jointly with the Lake Bluff League.

The open league meetings have been held monthly from October through April at the Lake Forest Public Library. On October 1 Mrs. Ramsey, Vice-President of the Illinois League, spoke on "The Merit System versus the Spoils System in the Civil Service of the United States."

On November 5, Mrs. Mabel P. Simpson, Executive Secretary of the Citizens Schools Committee, addressed the meeting on "Save our Schools".

December 3 brought Mrs. Raymond Knapp, who spoke on "The Crisis in World Peace"

On January 15 the Highland Park, Lake Bluff, and Waukegan Leagues joined with us to hear Mrs. Henry P. Chandler, Executive Secretary of the Illinois Conference on Social Welfare, speak on "The Social Security Bills and Their Influence on Public Welfare in Illinois," followed by Miss Effie Doan of the Illinois Emergency Relief Commission on "Public Welfare in Illinois."

On January 27 Mrs. Hixon entertained the Lake Forest Board members and a League group from Highland Park at luncheon. In the afternoon the League members joined the group to hear a very clever skit "A Day in a Lawyer's Office" put on by Mrs. Raymond Simons and her Highland Park group. Mrs. Maurice Pollack spoke later on "The Federal Security Act."

February 20 brought Mrs. Raymond Simons, State Chairman of Government and Legal Status of Women, who addressed the meeting on "Public and Private Rights of Women in Illinois".

March 16 we were very much interested to have Judge Perry-L. Persons, our County Judge, explain the "Old Age Security Act".

Report of the Secretary-Continued

On April 8 Mrs. William Bryant, State Legislative Chairman, spoke to us on "The Need for Better Trained Personnel in Government."

The attendance at the League Meetings has varied from 12 to 40 members. The entire membership of the League at present numbers 103.

The coming year promises most interesting work for the League in view of the great interest in the presidential election.

Respectfully submitted,

Elizabeth P. Templeton

Report of Chairman of
Committee on "Education and
Legislation"

In the early part of the
League year Mr. Pitney,
Supt. of Schools of Lake
County, gave a talk on the
schools of Lake County.
His account of our schools
~~was~~ was complete and very
interesting, and also encouraging.

Your chairman attended
two of Mrs. Lunde's monthly
meetings. They were helpful
and interesting.

A third meeting at the all
day session at the home

of Mrs. Hixon proved in-
forming and unusual. After
a talk by Mrs. Lunde the Educa-
tional group discussed the
financial status and other
features of the Public Schools
in Ills. Then a group of "Voters"
took the part of the Educa-
tional Committee of the Illin-
ois Senate, while other groups
of "Voters" interviewed them and
put before them the needs
of our Public Schools.

The Educational Quilt was also
a feature of this session -

Government and Its Operation
Lake Forest League of Women Voters

Report for 1935-1936

Florence N. Gourley.

The Department of Government and Its Operation had two programs this year. The first one had Mrs. W. W. Ramsay as speaker, and was both interesting and informative as Mrs. Ramsay's talks always are. At the second meeting, Mrs. William M. Bryant, State Legislative Chairman, spoke on, "The Importance of voting at the Primary and the need for trained personnel in Government."

In accordance with a plan of the National and State organizations for a campaign for better public personnel in government affairs, your chairman, at the request of Mrs. Guy Tawney, State Chairman, made inquiry into the methods of choosing public employes in Lake Forest and made a report of the information gained to the Board of Directors. This report included the positions of postmen, school teachers, public health officers, public health nurses, librarians, policemen, firemen, city engineer, street department employes, building inspector, park and playground employes, incinerator and garbage collectors, city clerk, assistant clerks + bookkeeper, city attorney, city treasurer, city collector, and Supt. of the Water Department - by whom they are appointed, their salaries

how much training and experience they had for their positions, the nature of their duties, their lengths of time in service and tenure of office.

Pledge cards, sent from State Headquarters for the National League were given out at every League and Board meeting asking that signatures be secured and 117 were sent to State Headquarters.

In response to a telegram from our State President, Mrs. Nixon, in co-operation with the Lake Bluff Vice-President Mrs. Joyce, the State Representatives from this district were contacted by telephone to ascertain whether they would be present in Springfield the following week when the vote would be taken on the Permanent Registration Bill and their attitude toward the Bill. Then a telegram was sent to State Headquarters giving them this information.

The great accomplishment of the year in the State League was the passage of the Permanent Registration Bill and while all the glory for this belongs to the State officials, we can join in the rejoicing over its passage and in praise and congratulations to those faithful women who worked so untiringly up to the last minute.

A letter was sent to the Hon. Ralph Church calling his attention to the Ram Speck Postmaster

Bill - H. R. 3251, and asking for his favorable consideration of this Bill. Articles in regard to this Bill were given to both the Lake Forest News and the Lake Forester but for some unknown reason neither articles were printed.

Two State Department meetings were held in Chicago at the Harriet M. Carmick Y. W. C. A. These meetings are held to discuss the work and programs of the different Departments of work and are very helpful. I attended both meetings.

I attended two all day meetings held at State Headquarters in Chicago. These meetings were called "School for Government" and Mr. Marshall Demock of the University of Chicago gave a series of talks which were most interesting and instructive.

Florence K. Gausley
Chairman.

Report of Vice-President

Lake Forest League of Women Voters

1935 - 1936.

During the absence of our President, Miss Catherine ^{from January to May} Colver, the Vice-president carried on the duties of that office in the league.

Monthly Board meetings were held in her home, and the following changes, ^{which} and league work was done:

1. Bills ordered paid
2. Programs discussed and arranged.
3. Mrs. Daniel Nulizer, Supervisor, attended one of our Board meetings and gave an informal talk on how our Township Relief is conducted.
4. League papers were given out.
5. Pledge cards given out.
6. Decided to hold joint meetings with the Lake Bluff League.
7. Mrs. William & Peter gave a report of a Lake County Council Meeting which was held at the home of Mrs. George Blossom, Jr.
8. Letters from our President were reported.
9. Reports given by the Vice-President and the "School of Government" meetings she attended in Chicago.

7. A nominating committee was elected.
8. All announcements and requests from State Headquarters were given out.

The Vice ~~Chair~~ President cooperated with ^{Miss G. Benson} the President of the Lake County Council, in carrying out the plans made for a candidates' luncheon to be held before the Primary election. She arranged for the luncheon which was served, selected a telephone committee to notify all the members of the Lake Forest League about the luncheon, was a member of this committee herself and assisted with the calling, acted as Treasurer at the luncheon and passed pledge cards around to all those present at the luncheon securing many signatures.

She presided at the monthly League meeting held at the library and attended the meeting held in Lake Bluff.

At the State Department meeting held at the Harricott M^c Cormick Y. W. C. A. she arranged that each department had a representative from the Lake Forest League.

Attended the Town Meeting on April 7th at the Young Men's Club. Three other Board members also attended this meeting. Mrs. George Richardson.

Mrs. George Blossom, Jr. and Mrs. Frank Reed.

Brought a dozen Voters' Hand Books out from State Headquarters and sold five of them.

Secured two new members for the League.

Wrote to the President and kept her in touch with the work being carried on in her absence.

Because of illness in my family, it was impossible to attend the State Convention in Chicago.

The best way to become informed about the wonderful work which the League of Women Voters is carrying on is to be an officer or Department Chairman. I recommend this to you in closing.

Florence K. Gourley

September 8, 1936.

The regular monthly Board meeting of the Lake Forest League of Women Voters was held on Tuesday, the eighth of September, at the house of Mrs. Bremner; the President, Mrs. Scott, in the Chair.

Other members present were Mrs. Gourley, Mrs. Richardson, Mrs. Pirie, Miss Chapman and Miss Colvin.

In the absence of the Secretary, Mrs. Peter, Miss Colvin was requested to act as Secretary pro tem.

The Treasurer, Mrs. Page, was unable to be present, but reported, through Mrs. Gourley, that there had been no receipts or disbursements since her last report.

Mrs. Pugh requested Mrs. Gourley to ask for action by the Board on the question of dues for the coming year, this question having come up at the Annual Meeting, but no action having been taken at that time.

It was moved by Mrs. Richardson, and seconded by Mrs. Gourley, that, in order that the fiscal year of the Lake Forest League of Women Voters may coincide with that of the Illinois League of Women Voters, which has recently been changed from November to May, due bills for the year 1936-1937, to be sent on November 1, 1936, be for one and one-half years instead of for one year; viz., from November 1, 1936, to May 1, 1938, at which time the fiscal year of the Lake Forest League will run from May 1 to April 30, as does that of the Illinois League.

September 8, Page 2.

The resolution carried a provision that a mimeographed slip be enclosed with each due-bill, explaining the action taken by the Board in this matter, and Mrs. Pugh was authorized to send out the due-bills, instead of having them sent from the State office. Carried.

The matter of best day for the League meetings was quite fully discussed, and it was agreed that the regular meeting-days should continue to be the first and the third Tuesday of each month, the Program meeting to be in the afternoon of the first Tuesday, and the Board meeting to be in the morning of the third Tuesday.

The President announced a Department Day meeting to be held at the McCormick Y. W. C. A. in Chicago on the fourteenth of October.

A discussion of the first two programs of the year followed, and details of a Tea at Mrs. Richardson's on September 29, and a Citizenship School on October 20, were tentatively arranged.

There being no further business, the meeting adjourned.

The regular monthly Board Meeting of the Lake Forest League of Women Voters was held on Tuesday, the sixth of October, at the house of Mrs. Bremner, the president, Mrs. Scott, in the chair. Other members present were Mrs. Yonce, Mrs. Blossom, Miss Chapman, Miss Hixon and Mrs. Peter.

The Treasurer, Mrs. Fugh, was unable to be present but reported through Mrs. Scott. Because of Mrs. Fugh's enforced absence from board meetings it was proposed to appoint an assistant treasurer, and the names of Mrs. Ewing Webb and Miss Glasgow were suggested. Mrs. Yonce reported that there are 21 new numbers who have paid dues and upwards of twenty others who have signified their intention of doing so. There was further discussion of the matter of due bills for one and one-half years, as decided upon at the last board meeting. Because of the large number of new members and the difficulty of explaining to them our change of fiscal year it was moved that new members should pay one dollar only -- old members one dollar and a half -- and bills should go out as soon as possible. Carried.

There was discussion of the urgent need of a chairman for the Department of Publications and Miss Chapman graciously agreed to accept the task, to be assisted by Miss Julia Marshall and Miss Glasgow. It was decided to maintain a table at the bank for the sale of "The Voter" for ten days prior to elections on November 3rd.

It was decided that notices of the Citizenship School on October twentieth should be mailed on October 12th.

There being no further business, the meeting adjourned.

The regular monthly Board Meeting of the Lake Forest League of Women Voters was held on Tuesday, the seventeenth of November, at the house of Mrs. Bremner; the president, Mrs. Scott, in the chair. Other members present were Mrs. Gourley, Mrs. Pugh, Miss Jessie Colvin, Miss Catherine Colvin, Miss Chapman, Mrs. Read, Mrs. Yonce, Miss Hixon, Mrs. Carpenter, Mrs. Byron and Miss Harrison

There was further discussion of the problem of dues and due bills. The treasurer's report was read and approved. There was a report upon the sale of publications. There was discussion of the small attendance at regular meetings. It was moved that we hold monthly meetings in private houses and serve tea; the motion was carried.

Miss Colvin reported on programs already arranged for the winter. There was discussion of an invitation to co-operate in a joint program with the Lake Forest Women's Club, the Parent-Teacher Association and the Y.W. C.A. on Friday, January 8th, at the Public Library at 2:30 p.m., on the general theme of "Roads to Peace." Miss Colvin undertook to discuss with Mrs. Clifton Utley, our speaker for January, the desirability of her participation in this meeting.

There was discussion of possible study groups to be arranged for various departments, and it was decided to announce one or more such study groups at the December meeting, the groups to begin study in January.

December 1, 1936

The regular monthly board meeting of the Lake Forest League of Women Voters was held on Tuesday morning, December first at the home of Mrs. Bremner, with Mrs. Scott, the President, in the chair. Other members present were: Mrs. Gourley, Miss Colvin, Mrs. Blossom, Mrs. Richardson, Mrs. Carpenter, and Miss Chapman.

As Mrs. Pugh was absent no treasurer's report was given. Miss Colvin reported for the program committee that the League of Women Voters was invited to attend the joint meeting of the Lake Forest Woman's Club, the Young Women's Christian Association, and the Parent-Teacher Association to be held on January 8, 1937, but that it had been decided that we were not to participate by furnishing a speaker for this program. We were, however, to open our meeting of January 19th to the members of the other three organizations. At this later date Mrs. Clifton Utley was to address the League at the home of Mrs. Frank Hixon.

There were several changes made in the personnel of the board. To our great regret Miss Catherine Colvin resigned as Chairman of the Program Committee and her sister, Miss Jessie Colvin, resigned the ^{Publications} Publications chairmanship; Miss Hixon resigned her Foreign Policy chairmanship to become co-chairman of this same department; Mrs. Peter resigned her position as Secretary to become Chairman of Publications, which position Miss Chapman relinquished; Miss Chapman also resigned her chairmanship in the Department of Child Welfare in order to become Chairman of the Department of Foreign Policy, and also to replace Mrs. Peter as Secretary. We were delighted to elect a new member

of the board, Mrs. Keith Carpenter, who becomes Child Welfare Chairman. The board is now constituted as follows:

President: Mrs. J. Donald Scott

Vice President: Mrs. William Gourley

Secretary: Miss Elinor Chapman

Treasurer: Mrs. Robert Pugh

Six subscriptions to the News Letter of the National League of Women Voters were sold by Miss Chapman to members of the board.

Mrs. Blossom gave a brief talk explaining the League of Women Voters' opposition to the serious efforts being made by the National Woman's Party to amend the Constitution of the United States in such a way as to give women equal rights legally with men.

There being no further business, the meeting was adjourned.

Tuesday, February 2, 1937

As there was no important business to be brought before the board at the beginning of the new year, it was decided to omit the January board meeting of the Lake Forest League of Women Voters.

The February board meeting was held on Tuesday, February second, at the home of Miss Chapman with the President, Mrs. Scott, in the chair. Others present were Mrs. Gourley, Mrs. Read, Mrs. Peter, Mrs. Blossom, Mrs. Webb, Mrs. Carpenter, Miss Chapman, and Mrs. Byron.

After the minutes of the December meeting had been read and approved, two treasurer's reports were read by Miss Chapman in the absence of Mrs. Pugh. On December 1st. we had a balance of \$361.33 and received dues from fourteen memberships amounting to \$20.00, making a total of \$381.33. After subtracting disbursements of \$17.75, the remaining balance totaled \$363.58 on January 1st. To this balance was added during the month of January \$18.06 received from dues and the interest on our savings account. Disbursements of \$10.90 were subtracted leaving on February 1st. a balance of \$370.74. There were 88 renewals of membership in the League and 53 new members were added making a total of 141.

Mrs. Gourley then announced that she had formed a study group to study civil service in preparation for the national conference on public personnel which is to take place in Chicago the end of this month. The group is to have four weekly sessions beginning on Wednesday morning, February 3rd.

Mrs. Blossom declared that Miss Pearl Hart would address

the League on Tuesday afternoon, February 16th on the subject of the Woman's Court. Mrs. Blossom then informed us that Swift & Company intend to reject all married women from their employ and discussion of this statement followed.

It was decided that from among the League members should be chosen a Social Chairman who would make all necessary arrangements about our monthly teas. Several members' names were suggested for this position.

Mrs. Scott then reported briefly on a meeting of the Highland Park League which she attended last month.

There being no further business the meeting broke up.

March 2, 1937.

The regular monthly Board meeting of the Lake Forest League of Women Voters was held at the home of the president, Mrs. Donald Scott, Tuesday morning, March 2, 1937 at 9:30, the president presiding.

Members present were Mesdames Scott, Yonce, Read, Pugh, Allan, Webb, Gourley, and the Misses Harrison and Hixon.

The minutes of the last meeting were read and approved. The treasurer's report was read and ordered placed on file.

Mrs. Pugh moved that the League pay \$100.00 on its quota to the State League. Seconded by Mrs. Yonce and carried.

Mrs. Gourley moved that at the next general meeting, the question of raising the dues be brought up. Seconded by Miss Harrison; carried.

Mrs. Yonce reported on Membership and said she thought a few more new members were coming in.

Mrs. Gourley reported about the study class on Personnel held under the Department of Government and Its Operation.

Mrs. Scott gave an interesting report on the National Personnel Conference held in Chicago. Miss Harrison added to it.

Mrs. Scott announced a meeting which would be held in the Library on March 9 at 10:00 o'clock in the interest of peace. Also that the next general meeting would be held at the home of Mrs. Keith Carpenter on March 16, the speaker to be Mrs. Eugene S. Lawler of Evanston who is Co-chairman of the Department of Education of the Cook County League. Mrs. Scott and Mrs. Yonce would assist Mrs. Carpenter.

The Social chairmanship being still unfilled it was decided to wait until next year to appoint a chairman.

Mrs. Scott read the last, "Legislative Letter" after which the meeting was adjourned.

The regular board meeting of the Lake Forest League of Women Voters was held on Tuesday morning, April 6th, at the home of the president, Mrs. Scott, who presided. Others present were Mrs. Gourley, Mrs. Peter, Mrs. Webb, Miss Chapman, Mrs. Yence, and Mrs. Byron.

There was much discussion about changing the day and possibly the hour of the afternoon meetings so as to avoid conflicting with the Coterie and other organizations.

The minutes of the last meeting were read and approved. Then a motion was made by Mrs. Peter and seconded by Mrs. Webb that when the bill arrives for the literature purchased from the office and which will include the tax for literature bought last autumn the whole amount be paid from funds on hand in the treasury. Motion carried.

The monthly afternoon meeting in April is to be held at the home of Mrs. George Richardson and Mrs. W. W. Ramsey is to speak.

It was decided that at the May meeting a voting machine would be demonstrated.

There was discussion of the annual State Convention which is to be held this year in Jacksonville, Illinois, from April 26th to 28th. Mrs. Scott urged all who could do so to attend.

There being no further business, the meeting was adjourned.

May 4, 1937

The regular monthly board meeting of the Lake Forest League of Women Voters was held on Tuesday morning, May 4th, at the home of Miss Chapman and presided over by Mrs. Scott, the President. Others who attended were Mrs. Carpenter, Mrs. Pugh, Mrs. Blossom, Mrs. Yonce, Mrs. Gourley, Mrs. Webb, and Miss Harrison.

The minutes of the last meeting were read and approved. Then Mrs. Pugh gave the Treasurer's report showing a balance of \$204.76 in the bank.

In the absence of Mrs. Richardson, Mrs. Yonce gave the Membership Committee's report announcing that in April we received one new member, Mrs. Montgomery. The Lake Forest League was happy to learn that at the annual State Convention we had been honored as the League that had acquired the greatest number of new members during the past year. Accordingly we were awarded as a prize Professor T. V. Smith's book, "The Promise of American Politics". Professor Smith, who spoke at the Convention, very kindly autographed this book for us.

Mrs. Blossom then gave the report for the Department of Legal Status of Women and explained the opposition of the League of Women Voters to the unfairly discriminatory amendment that has just been attached to the bill that would allow women to sit on juries in the State of Illinois.

Miss Chapman then gave a brief report from the Department of Government and Foreign Policy which hopes next winter to

concentrate its study upon two problems: International Cooperation and the Far East.

The program adopted at the State Convention for the Department of Government and its Operation, outlining efforts to be made in the legislative field and also topics for study for the coming year, was then read by Mrs. Gourley. A similar report for the Department of Government and Child Welfare was next read by Mrs. Carpenter.

Mrs. Scott then read a letter from the State League requesting us to write our senators and representatives in the General Assembly asking them to vote favorably upon the Voting Machine enabling legislation which is now under discussion in Springfield.

There then arose the question of where to hold the afternoon May meeting. It was decided that this would take place at the Deerpath Inn. It was also decided to change the date from the third Tuesday of the month (May 18th) to the fourth Tuesday (May 25th) as the former day conflicted with a large Junior League Convention which is being held in Chicago at that time and which many of our members wish to attend. Our next meeting, at which a Voting Machine will be demonstrated, will be opened to members of the Young Woman's Christian Association, the Parent-Teacher Association, the Lake Forest Woman's Club, the various church societies, and to all interested citizens.

There being no further business, the meeting was adjourned.

June 1, 1937

The regular monthly board meeting of the Lake Forest League of Women Voters was held on Tuesday, June first, in Chicago at the Woman's Athletic Club. It was presided over by Mrs. Scott who was also our hostess. Others present were Mrs. Gourley, Mrs. Blossom, Mrs. Byron, Mrs. Waldo Allen, Miss Harrison, Miss Chapman, and Mrs. Gertrude Lieber from the Winnetka League of Women Voters.

The minutes of the last meeting were read and approved. Mrs. Scott then welcomed Mrs. Lieber.

Next followed discussion of a change in the by-laws which would enable the membership dues to be raised to \$3.00 of which \$1.00 is to be paid to the National League of Women Voters and \$1.00 to the State League, this change, however, not to take effect until the spring of 1938. It was moved by Mrs. Gourley and seconded by Mrs. Blossom that we raise our membership dues to \$3.00 a year. This question will now come up for debate and final action at the Annual Meeting which this year is to be held on June fifteenth.

It was then moved by Miss Harrison and seconded by Mrs. Allen that we delete the section of the by-laws calling for board meetings once a month, this section to be amended to read: "Regular meetings of the Board of Directors shall be held at the call of the President." This question, too, will be taken up at the Annual Meeting.

Mrs. Lieber then gave an interesting talk surveying briefly various fields in which it is felt that the League as a whole ought to take action. She first considered Old Age Security, a question of which, thanks to Dr. Townsend, the entire United States has now become conscious.

Next she discussed Nebraska's non-partisan, uni-cameral legislature which has lowered the taxes in that state and has succeeded in abolishing much of the patronage and stools in which politicians formerly indulged.

Colorado's problem is its invasion by Mexican truck farmers whose children are kept out of school to work in the fields.

In Illinois the League has been working hard for a Motor Driver's License Law. This is now dangling between the office of the Secretary of State and that of the Highway Commissioner. Each department wishes to be allowed to administer it because a vast amount of patronage is involved. The result is no license law.

We are also concerned with the bill that would permit women to sit on juries — a right which the women of Connecticut have recently acquired. Unfortunately this will not be placed on the statute books in

the present session of the General Assembly.

In the field of national politics there is some feeling that the Electoral College should be abolished.

There is also the question of retiring public servants who have reached a certain age limit. This has for many years been done in the army and navy and now the Supreme Court is being considered. If this high tribunal is to be ruled out then why should not the same principle be applied also to elderly congressmen?

After this rapid but exceedingly interesting review of our political situation the meeting adjourned for a most delightful lunch to which our president invited us.

The Annual Meeting of the Lake Forest League of Women Voters will be held on Tuesday afternoon, June fifteenth, at two-thirty o'clock, at the home of Mrs. A. A. Carpenter, 745 East Barberry Lane.

The following revision of the by-laws will be considered:

Article III, Section 1. This now reads "Any woman residing in Lake Forest and vicinity shall be eligible for membership and may become a member by the payment of one dollar annual dues to the Lake Forest League of Women Voters. One half of each membership is to be paid to the Illinois League of Women Voters which includes subscription to the State League Bulletin."

This is to be amended to read: "Any woman residing in Lake Forest and vicinity shall be eligible for membership and may become a member by the payment of three dollars annual dues to the Lake Forest League of Women Voters. Two dollars from each membership are to be paid to the Illinois League of Women Voters (one dollar of which will be forwarded to the National League of Women Voters) and this includes subscription to the State League Bulletin."

Article V, Section 1, which now reads "Regular meetings of the Board of Directors shall be held once a month during the League year," shall be amended to read "Regular meetings of the Board of Directors shall be held at the call of the President."

ANNUAL MEETING OF THE LAKE FOREST LEAGUE OF WOMEN VOTERS

The Annual Meeting of the Lake Forest League of Women Voters was held on Tuesday, June 15th at the home of Mrs. A. A. Carpenter with Mrs. Scott presiding. The minutes of the last Annual Meeting of June 30, 1936 were read and placed on file. Then followed reports from the Vice President, Mrs. Gourley, from the Secretary, Miss Chapman, and from the Treasurer, Mrs. Pugh. This last showed a balance of \$191.66. It was moved by Mrs. Gourley and seconded by Mrs. Keith Carpenter that the Treasurer's report as audited be accepted and placed on file. Motion carried. In the absence of Mrs. Richardson her co-chairman, Mrs. Yonce, gave the membership report which showed a total membership of 149 of which 59 were new this year.

An interesting report on the Department of Government and its operation was then read by Mrs. Gourley who told something of the origins of this Department founded by Mrs. Carrie Channan Catt. This report was placed on file. The State program for the Department of Government and Child Welfare as adopted at the Annual State Convention was next read by Mrs. Keith Carpenter. Miss Chapman then read the report of the Department of Government and Foreign Policy which was afterwards placed on file. A report of the annual State Convention which met this year in Jacksonville, Illinois was then given by Miss Chapman. This report also was filed.

It was then moved by Miss Chapman and seconded by Mrs. Webb that Article III, Section 1 of the by-laws of the Lake Forest League of Women Voters be amended to read: "Any woman residing in Lake Forest and vicinity shall be eligible for membership and may become a member by the payment of \$3.00 annual dues to the Lake Forest League of Women Voters. Two dollars from each membership are to be paid to the Illinois League of Women Voters (\$1.00 of which will be forwarded to the National League of Women Voters) and this includes subscription to the State League Bulletin." Some debate followed as to whether the dues should be raised to \$3.00 or only to \$2.50, but at length the motion was passed as originally read by the almost unanimous vote of those present.

It was now moved and seconded that Article V, Section 1 of the by-laws be amended to read: "Regular meetings of the Board of Directors shall be held at the call of the President." This motion was carried unanimously.

The Nominating Committee, composed of Mrs. Richardson, Mrs. Yonce, and Mrs. Keith Carpenter, proposed the following officers for the coming year:

President: Mrs. Scott	Secretary: Miss Chapman
Vice President: Mrs. Gourley	Treasurer: Mrs. Pugh

Directors: Mrs. Peter, Mrs. Keith Carpenter, Mrs. Byron, Mrs. Stanley Yonce and Mrs. Philip Allen.

Mrs. Scott gave her President's report for the year and then appointed Mrs. Gourley and Mrs. Byron a committee to approve these minutes.

There being no further business to come before the meeting we adjourned to enjoy a delightful tea provided by Mrs. A. A. Carreter with Mrs. Warren Hall and Mrs. Ewing Webb as co-hostesses.

Glancing over America's foreign policy of the past year, two things of importance stand out: neutrality and reciprocal trade agreements. Though the Senate preferred the Pittman neutrality bill while the House voted for the McReynolds measure, a compromise was finally worked out whereby in time of war automatic embargoes are placed on arms, loans, and credits; all embargoes shall apply to international war and civil conflict, only American states fighting against a non-American state or states to be exempt; "cash and carry" provisions are to be invoked at the discretion of the President — these "cash and carry" provisions to expire in two years; and American citizens are automatically prohibited from traveling on belligerent ships.

Approval was at last given to Secretary Hull for his reciprocal trade agreements and permissive legislation was extended. Sixteen treaties are now in effect (9 of these with various countries in the two Americas). Negotiations are, I believe, now being carried on with Ecuador and there is talk of Norway also.

The Good Neighbor Policy has vastly improved our relations with Latin America. Although the peace treaties and conventions signed at Buenos Aires (not yet ratified by our Senate) did not produce a binding neutrality program for the western hemisphere, nevertheless the principle of consultation between American republics is considered a major step forward.

Of interest also in the international field is the World Textile Conference which was held in Washington from April 2nd through April 17th. Twenty-four textile-producing nations were represented and delegates came from all three of the different groups concerned with this industry: employers, employees, and governments. The conference did not intend to reach any conclusions, merely to explore and study, nevertheless it is felt that an advance has been made by this attempt to solve an industry's problems on an international scale.

Nearer to home and visited by a number of us was the Conference on the Cause and Cure of War which met in Chicago last Winter.

Even our own Lake Forest League has taken an interest in foreign affairs. Last January Mrs. Clifton Utley, Chairman of the Department of Government and Foreign Policy of the Illinois League of Women Voters, paid us a visit which we all remember with pleasure and later we joined forces with the Y. W. C. A. to form a Marathon Round Table devoted to the study of Peace. The discussions were very ably led by Mrs. Warren Hall whose wide reading, knowledge, and enthusiasm stimulated all who had this opportunity of working with her.

This all-too-brief survey of the Foreign Policy Department's aims and achievements during the past year leads us to the new program of work that is to be taken up next fall. Among our continuing responsibilities (which the League as a whole will support when necessary) are:

(1) Reduction of arms by international agreement; (2) International economic cooperation; and (3) Downward revision of war debts. The program of study calls for (1) The evolving foreign policy of the United States; (2) Conduct of foreign policy by the President, Senate and House of Representatives; and (3) Domestic policies affecting international relations such as immigration, national defense, and monetary policies.

Let me close with the words of our State Chairman, Mrs. Utley:

"The League of Women Voters seeks the prevention of war by international cooperation.

"It believes that much international friction could be avoided by dealing with controversial issues in international conferences and commissions. Furthermore, the League believes that, if disputes develop, they could be satisfactorily settled by such pacific methods as arbitration, conciliation, and judicial settlement.

"In order to make the citizen's interest in international cooperation more effective, the League of Women Voters considers as a primary function the creation of an informed public opinion upon international affairs."

The department of Government and its Operation assisted at the poles in the November election. Several women went to the poles and acted as "checkers" and "watchers".It was an interesting and instructive experience.

On February 24th and 25th,the Illinois League held a nation-wide conference on the Merit System in Civil Service in Chicago at the Palmer House. In preparation for this meeting,this Department held a study class and used an outline prepared by the Personnel Department of the State which brought out the importance of the Merit System in Civil Service and emphasized the interdependance of Civil Service and good government administration. A number of the women who attended this class went to the conference in Chicago.

Two general meetings have brought you interesting speakers on subjects from this department. Mrs. W.W.Ramsey at the home of Mrs. George Richardson and our last meeting at the Deerpath Inn when Miss Lucy Harrison brought a voting Machine and gave a demonstration of its use and benefits.

On Friday, September 10th, the Lake Forest League of Women Voters held its first monthly board meeting for the year 1937-38 at the home of Mrs. Frank Hixon who gave a delightful luncheon before the meeting. Others present were Mrs. Scott, Mrs. Gourley, Mrs. Pugh, Miss Chapman, Mrs. Webb, Mrs. Yonce, Mrs. Waldo Allen, Mrs. Peter, Mrs. Trowbridge, Mrs. Hardin, and Mrs. Blessen.

Mrs. Scott, our president, welcomed us and then Miss Chapman, the secretary, read a list of the members of the board and their positions. There followed a discussion of whom to elect as Chairman of Publicity, but no decision was reached.

Then the subject of the membership tea was discussed. It was decided to hold this on October 4th (though the date was later changed to October 11th). Mrs. Hixon generously offered to have the tea at her house. Everyone in the League is to be invited, though the first part of the program will be devoted to the new members. After tea the various officials of the City of Lake Forest will join us and tell us about the offices they hold.

At the same time that the invitations to tea are mailed a letter will be sent out to the present membership telling that the dues are now \$3.00 and explaining once more the reason for their being raised.

The question of having a Social Chairman, which was debated last Spring, was brought up again. It was decided not to create a new office but to rotate these duties among the Directors on the board.

As many of our members have been unable to attend our Tuesday afternoon monthly meetings it is now planned to hold these on Monday afternoons instead.

There being no further business brought up the meeting was adjourned with many thanks to Mrs. Hixon, our charming hostess.

October 11, 1937

The Lake Forest League of Women Voters held its first monthly afternoon meeting for the year 1937-38 at 3:30 Monday afternoon, October 11th, at the home of Mrs. Frank Hixon. There were 21 women present including our hostess. The President, Mrs. J. Donald Scott, presided.

Mrs. Scott announced an Opportunity Sale to be held on October 22nd at the home of Mrs. Clifton Utley for the benefit of the Illinois League of Women Voters. She also told us of an invitation extended to us by the Wilmette, Winnetka, and Kenilworth Leagues to hear Mrs. Gelhorn speak on October 29th.

We were all very sad when Mrs. Scott told us that she must temporarily resign her position as President as she is to be in Florida all winter. Her place will be taken by Mrs. Hixon.

It was then announced that on Tuesday mornings a study group on election laws will be conducted by Mrs. Ramsay. Later, another study group will consider the problem of civil service.

Mrs. Bogert, the President of the Illinois League of Women Voters, then spoke to us about the aims and activities of the League as a whole. The League tries to make intelligent citizens. These Democracy must have if it is to continue. This vast, nation-wide organization has won the respect of professors, editors, legislators, and others because of its selfless interest in government, its non-partisanship, the active participation of its members, its impartial information on countless topics, and its field trips and study groups which give to the members first-hand acquaintance with facts.

After Mrs. Bogert's inspiring speech we set out to acquire "first-hand acquaintance with facts" from Mayor Chandler and eleven of the officials of the City of Lake Forest: Mr. Bauman, Fire Chief; Mr. Burgess, Police Magistrate; Mr. Campbell, City Engineer; Mr. Clark, Alderman from the First Ward; Mr. Hoffmann, Alderman from the Second Ward; Mr. Jackman, City Clerk; Mr. McNicol, Head of the Water Works; Mr. Owsley, Head of the Public Safety Committee; Mr. Paase, Mr. Tiffany, Chief of Police; and Mr. Trowbridge, City Attorney. A delightful tea was served during which we pressed our guests with questions.

Mayor Chandler then spoke briefly about the Town Meeting which obtains money for poor relief and for roads and bridges. He told us also about the charter granted to the City of Lake Forest in 1861. He talked a little about the officials and the boards that govern us and outlined the duties of the Council.

October 11, 1937 Contd.

Mr. Jackson then spoke briefly about the duties of the City Clerk and strongly urged the League to watch very carefully what type of Aldermen are elected to the City Council. We then heard from the Water Department, the Fire Department, and the Police Department. We were asked to sell to our fellow citizens the idea of having all automobiles inspected once or twice a year. We were also informed that residents of Lake Forest enjoy a very low rate of fire insurance, but that the number of conflagrations has increased badly in the past two years and that if this continues insurance rates will be raised.

Because our guests were kind enough to linger late and answer the multitude of questions we put to them, the meeting did not adjourn until six o'clock.

November 1, 1937

The second of the monthly afternoon meetings of the Lake Forest League of Women Voters was held at half past two on Monday, November first, at the home of Mrs. Frank Hixon. There were thirty persons present, Mrs. Hixon presiding.

Mrs. Pugh gave the Treasurer's report which showed 52 renewals of membership, 3 resignations, 1 death, and 5 members who had moved to other cities. A final payment of \$29.50 was made to the State League on our \$200 quota for the year 1937.

The minutes of the last meeting were read and approved.

Mrs. Hixon then announced that Chief Tiffany of the Police Department had offered to take any interested League members for a ride in the squad cars to show us their equipment. Twelve women volunteered and arrangements were made for them to take this drive the following morning.

Mrs. Hixon also announced that preparations are being made for an investigation of the merit system as it has been applied to Lake County officials. She read us a list of questions which we are to ask our precinct and ward committeemen.

We were then subjected to a quiz of fifty questions on the general purpose of the League. When this ordeal was over we all agreed we had learned a great deal about the organization and methods of the League as a whole.

The meeting was then adjourned and, as a reward for our labors, Mrs. Hixon gave us a delicious tea.

The regular monthly meeting of the Lake Forest League of Women Voters was held at the home of Miss Elinor Chapman on Monday, December 6th. The minutes of the last meeting were read and placed on file. Then the Treasurer's report, showing a balance on December 1st. of \$263.14, was read and approved.

It was announced that the Illinois League of Women Voters has changed the hour of its weekly radio broadcasts to Thursday evenings from 8:45 till 9:00. Members of the League are urged to listen to these programs which are given over station WJJD.

The position of Membership Chairman which Miss Lucy Harris resigned when she moved to Chicago still remains unfilled. There was some discussion of possible candidates, but no decision was reached.

We were glad to hear that the information about the prevalence of the spoils system in Lake County politics, which had been compiled at a League meeting held in Highland Park in November, will be sent to the National League to furnish them with facts for their reports on the need of Civil Service reform.

Mrs. Nixon invited the chairmen of departments and their co-chairmen to lunch with her in order to plan the programs of future League meetings for the year 1938.

The meeting was then turned over to Miss Elinor Chapman, Chairman of the Department of Government and Foreign Policy. A pamphlet was passed around to show how small are our investments in the Far East and our trade with this part of the world compared with our total foreign investments and our total foreign trade.

Lists of twelve names of men prominent in the news of today were then handed out to each of the members who were asked to write opposite each name its owner's nationality and the position he held in the public affairs of his country.

It was announced that on January 25th Miss Martha Gellhorn, the daughter of Mrs. Gellhorn, Personal Chairman of the National League of Women Voters, will speak at the New Trier High School. The title of her lecture is "Both Halves of the World."

Proposed additions to the present program of the Department of Government and Foreign Policy were next submitted to the membership for discussion and a vote. The vote for or against these additions is reported by the Department Chairman

December 6, 1937

to the State Chairman of Government and Foreign Policy, Mrs. Clifton Utley, who in turn submits it to the National Chairman. When these expressions of opinion come in from local leagues all over the country, the National League alters its program according to the wishes of the majority.

It was moved and seconded that we place on the support program of this department item No. 7: "Participation in collective sanctions against a designated aggressor nation." After some discussion, a unanimous vote was recorded in favor of this motion.

It was then moved and seconded that we also add to the support program of this department item No. 8: "Removal of racial discriminations in immigration laws and placing of all foreigners on the quota basis." This motion was carried by a vote of 11 to 5.

Finally it was moved and seconded that we add to the study program of this department the item "nationalization of the munitions industry." This motion was carried by a vote of 14 to 3.

Miss Francis Hughes then spoke briefly on the Collective System and the Pact of Paris. Mrs. Bwing Webb next discussed the Permanent Court of International Justice and the League of Nations, Miss Ellen Glasgow talked of Neutrality and War Debts, and Miss Chapman commented on the Tariff, Disarmament and Munitions Traffic as they concern governmental relationships.

Miss Eloise Requa, Director of the Library of International Relations, was then introduced. Miss Requa talked most interestingly of the Library, its five-fold service of newspaper clippings, domestic pamphlets, foreign pamphlets, official documents and popular books on international themes, all of recent value, of its experienced staff who give free assistance by personal interview, telephone or mail. Members who heard for the first time of this service, established in the Crerar Library, resolved to make use of the treasure house of information without delay.

Following the meeting Mrs. Chapman and her daughter entertained at tea.

These minutes were taken by Mrs. Chapman and Miss Hughes and were later written up by Miss Chapman.

January 3, 1938

The regular monthly meeting of the Lake Forest League of Women Voters was held on Monday afternoon, January 3, 1938 at the home of Mrs. Frank Dixon. There were 23 persons present and Mrs. Dixon presided.

The preliminary business included the reading and approving of the minutes of the last meeting; an agreement reached that the February meeting would be held at the home of Mrs. William Peter, while in March we were to be the guests of Mrs. Frank Read; and finally a report from the Chairman of Publicity, Miss Merva Wilkins, that the Lake Forester is cooperating nicely in giving the League publicity.

The meeting was then taken over by Mrs. Ross Byron, Chairman of the Department of Government and its Operation. This department is stressing the urgent need for better personnel in government. Civil Service needs to be widely extended to include many government employees which it does not now reach. We need to amend or modify our present civil service laws, both state and federal, to eliminate many abuses such as the unfair discriminations against women or those that favor war veterans to an unreasonable extent.

Our present election laws are far from perfect. Among the changes advocated by the League of Women Voters are permanent registration, the short ballot, and suffrage for the inhabitants of Washington D. C.

The issue between the supporters and the enemies of the merit system has been clearly defined by the McKellar bill which would put all postmasters under the patronage system. This would repudiate both the Democratic and the Republican party platforms and also the report of the President on administrative reorganization. All League members are urged to write their senators (James Hamilton Lewis and William Dieterich) to vote against the McKellar bill (S 3082) and to vote for the Ramsack Postmasters Bill (already passed by the House of Representatives) which would place postmasters of the first, second, and third classes permanently under civil service.

After Mrs. Byron had finished her interesting talk, there being no further business, the meeting adjourned and a delightful tea was served by our hostess, Mrs. Dixon.

The second board meeting of the Lake Forest League of Women Voters was held on Monday, January 3, 1938 at the home of Mrs. Hixon who presided. Others present were Mrs. Carpenter, Mrs. Phillie Allen, Mrs. Waldo Allen, Mrs. Pugh, Mrs. Shea, Mrs. Younce, Miss Chapman, Mrs. Ingram, and Mrs. Trowbridge.

The minutes of the last meeting were read and approved and the Treasurer's report given by Mrs. Pugh told of a balance in the bank of \$265.00.

There was some discussion of the relief problem in North Chicago.

Announcement was made of a contest among the local leagues in the State of Illinois offering prizes to the leagues who had the greatest number of membership renewals.

The meeting adjourned temporarily for a delicious buffet luncheon given by our President. Afterwards we reconvened to listen to the City Budget read by the City Clerk, Mr. Jackman. The appropriations ordinance for the fiscal year (May 1, 1937 through April 30, 1938) equalled approximately \$570,000.00. Of this money about \$413,000.00 is raised by taxes and the rest comes from other sources of revenue. The main items in the budget include: Administration, Buildings and Public Property, the Street Department, Street Lighting, Bridges, Sewers, Sanitation, Forestry, Water for Public Uses, Board of Health, Police Department, Fire Department, Incinerator and Garbage Collection, Public Parks, and the Public Benefit Fund.

When Mr. Jackman left other members of the League arrived and the regular monthly afternoon meeting was held.

February 7, 1938

The regular monthly meeting of the Lake Forest League of Women Voters was held on Monday afternoon, February 6th at the home of Mrs. Peter. There were 23 persons present. Mrs. Hixon presided.

The minutes of the last meeting were read and approved. Mrs. Pugh then gave the Treasurer's report showing a balance in the bank of \$277.77. This report has been attached hereto.

Mrs. Byron then declared that the Lake Forest Public Library now has several League of Women Voter booklets about the Department of Government and its Operation. Mrs. Byron also spoke briefly of the study group on Election Laws which now meets on Wednesday mornings under the able leadership of Mrs. Ramsey.

Mrs. Blossom stated that the Equal Rights Amendment (which is opposed by the League of Women Voters) is being vigorously pushed in Congress by the National Woman's Party, a comparatively small group but with a loud voice. Hearings on this bill are being held today, February 7th.

The meeting was then turned over to Mrs. Ingram, Chairman of the Department of Government and Economic Welfare. This Department "studies the problems of citizens as producers and as consumers, of women gainfully employed -- a new and a minority group in our economic life. The League adheres to the fundamental principle of collective bargaining as a means of giving the workers a share in the control of the conditions of their employment." This Department, in true League style, has a program for support and a program for study. Important items on the former are: protection of consumers, including adequate food, drug and cosmetic laws; adequate housing programs; unemployment compensation; old age security; legislation improving conditions of work, wages and hours for women workers, and a woman's division in the Illinois Department of Labor. The study program covers conservation and flood control; regulation of public utilities; state and local regulation of milk; housing standards; wages and living standards; and the cooperative movement.

Mrs. Trowbridge, Mrs. Ingram's co-chairman, spoke briefly about certain welfare activities such as unemployment insurance, old age insurance, and governmental housing plans.

Then Miss Kate O'Connor, Supervisor of the Women's and Children's Division of the Department of Labor in Illinois was introduced. Her department administers the child labor laws, minimum wage legislation, and the eight-hour day for women. In Illinois each industry is studied carefully and minimum wages are decreed for each separately. Illinois has no legislation governing either minimum wages or maximum work hours for men.

Miss O'Connor went on to tell of the State free employment service which has an agent in almost every one of our large industrial cities.

After Miss O'Connor had answered our many eager questions, there being no further business, the meeting was adjourned and a delightful tea was served by Mrs. Peter.

March 7th meeting.

The March 7th meeting of the Lake Forest League of Women Voters was held at the home of Mrs. Frank W. Reed. There were sixteen present.

Mrs. Wm. Gowley presided. Mrs. Gowley appointed Mrs. Reed to act as secretary in the absence of Miss Chapman.

Mrs. Gowley then announced a "Candidates meeting" originated by Mrs. Rubens of Highland Park and sponsored by the Highland Park, Lake Bluff and Lake Forest ^{and Waukegan} Leagues. The meeting will be a luncheon ⁷⁵ held at the Am. Legion rooms on Sat. Apr. 2nd at 10:30 P. M. The meeting

will be open to guests. The
Candidates for town and county
offices will be given two months
in which to present qualifications

and their standing in the merit system.
Mrs Shea offered to send out
the return postals in the absence
of the secy. Acceptances to be in
the hands of Mrs. Rowley by Wed.

The meeting was then turned
over to Mrs. Peter local chairman
of Government and Education.
Mrs. Peter presented Mrs. Reiger of
Highland Park.

Mrs Reiger developed the
activities of the League along
state educational lines
through the Support program
of the League and also gave
a short resume of the study

program. The idea of
the program is to give
every child equal educational
advantages as far as possible
and to distribute the cost
of education more evenly
throughout the state, keeping
the handling both of finances
and educational program
out of the hands of politicians.

It seems a long hard pull.

At the close of her talk Mrs.

Pruett exhibited the ^{finished} map made
by her committee showing the
^{present} complicated school district plan.

Mrs. Gouley then asked for the
Seery's report. It was read and
approved. The treasurer's report
was read & approved after.

which the meeting adjourned
for tea.

April 4, 1938

The board meeting of the Lake Forest League of Women Voters was held at 12:30 on Monday, April 4th, at the home of Mrs. Frank Nixon. Others present were: Mrs. Gourley, Miss Chapman, Mrs. Pugh, Mrs. Carpenter, Miss Glasgow, Mrs. Hardin, Miss Wilkins, and Mrs. Yonce. A delicious luncheon was given by our ever-generous President.

Mrs. Nixon then told of the National Convention of the League of Women Voters which meets every two years and which will be held this spring in St. Louis from April 25th to 29th. This will be followed by the State Convention of the Illinois League of Women Voters which is coming this year to Winnetka, from May 2th to 31th.

There was some discussion of the Reorganization Bill now under heated debate in the House of Representatives. The League's only stand on this bill is in regard to the item of civil service administration. Mrs. B.gart, President of the Illinois League, asks us all to write our representatives asking that the Civil Service be headed by a single administrator rather than by a board of three.

Mrs. Nixon then suggested that during May and June we should gather every two weeks for a combined board meeting and study group to learn the interrelation of the various departments of the League and to plan a more comprehensive program for next winter. This suggestion met with hearty approval.

As it was then half past two we hastily adjourned and hurried over to the home of Mrs. Stanley Yonce where the monthly afternoon meeting was to be held.

Miss Chapman

April 4, 1938

The Regular monthly meeting of the Lake Forest League of Women Voters was held at 2:30 on Monday afternoon, April 4th, at the home of Mrs. Stanley Yonce. There were sixteen women present. Mrs. Hixson presided.

Mr. Hiltman, editor of the "Lake Forester", gave a short talk on publicity. He asked that the news about the League be as local as possible, that it feature names of various members, and that it be brief, for newspaper space is always limited. After this talk Miss Wilkins, Chairman of Publicity, asked if she might use the names of the different department chairmen whenever she wished to release news about their particular departments.

Mrs. Gourley then gave a report on the candidates luncheon sponsored by the Lake County Council of the League of Women Voters which was held on April 2nd at the American Legion Hall. Mrs. Bubens of Highland Park originated the idea and inspired and directed the work, but we were all delighted to have Mrs. Hixson return from her vacation in the West in time to conduct the actual meeting.

The Leagues of Highland Park, Lake Forest, Lake Bluff, and Waukegan participated and a cordial invitation was extended through the press to all voters wishing to attend. Only the 38 candidates seeking offices in Lake County were invited as we paid for their luncheon so we could not ask everybody, nor would there have been time to hear any more speeches; moreover, the newspapers give a good deal of information about those running for the General Assembly or for Congress. Twenty-one candidates and two Highland Park editors were present.

Two questions were asked of each speaker: what were his qualifications for the office he was seeking and what was his stand on the merit system.

At the close of the report Mrs. Hixson added that candidates meetings similar to this have been held by local leagues for many years. They are greatly appreciated not only by the voters but especially by those seeking public office.

Mrs. Hixson then asked us to do everything possible to persuade people to go to the polls in the coming primary election on April 29th. It was then decided that on the afternoon of election day eight women, two from each ward in the City of Lake Forest, should go to their respective polling places, look over the lists, and telephone to the persons registered who have not already cast their ballots to remind them of their civic duty.

Miss Elmer Chapman then spoke briefly about the Administration's Reciprocal Trade Program and the present negotiations with Great Britain which the National League of Women Voters endorses heartily for three reasons: "The Program is of direct aid to consumers: - - it is a step toward the removal of

economic friction between nations; and it provides a scientific method for the adjustment of tariff schedules."

Mrs. Hixon spoke briefly about the Reorganization Bill now being violently debated by the House of Representatives. The League takes no stand on this measure except in regard to the item of civil service administrator. We believe that responsibility should be centered in one man rather than in a board of three as the bill now advocates.

Copies of the "Assembly Bulletin of the Legislative Voters' League" were then passed around. These booklets give the voter valuable information about the past record of our representatives and senators in the Illinois General Assembly, some of whom are now seeking re-election.

The meeting then adjourned for a delightful tea furnished by our hostess, Mrs. Lince.

REPORT OF ANNUAL STATE CONVENTION

Splashing through the driving rain, skidding round corners, we raced to Jacksonville for the Annual State Convention of the Illinois League of Women Voters which was held this year from April 26th to 28th. Mrs. William Gold Hibbard of Winnetka very kindly offered to take almost all of the Lake Forest delegates — Mrs. Scott, Mrs. Blossom, and Miss Chapman — leaving Mrs. Webb ^{to be driven} down herself.

Despite a brief stop at the airport to pick up Mrs. George Bogert we were able to reach Jacksonville in plenty of time to register at our headquarters, the Dunlap Hotel, and then proceed in quest of lunch which was served at the Colonial Inn, a delightful old white-pillared house with true Southern charm. Afterwards, walking back to the hotel, we were much interested in the enormous old houses elaborate with stained-glass windows, gables, turrets, balconies, and other architectural fantasies.

Arrived at the hotel, we immediately separated into six different departmental groups and the Lake Forest delegates tried to spread themselves around in order to cover as many of these as possible. All the Foreign Policy Chairmen assembled about our State Chairman, Mrs. Clifton Utley, who gave us each a lengthy summer reading list, explained next winter's program of work, and besought us all to conduct study groups in our local leagues next fall. Finally she administered a written quiz which quickly revealed our woeful ignorance of current events and prominent names. We struggled over Chiang Kai-shek and Chang Hseuh-liang trying to remember which was the kidnapper and which the kidnapped.

Six-thirty p. m. assembled everyone for the President's Dinner in honor of Mrs. Frank Hixon. Many little speeches were made praising the splendid work she has done for the Illinois League and several amusing, tiny presents were given her.

Then we settled down to serious business and opened the first session of the Convention. Mrs. Hugh Beggs, President of the Morgan County League, welcomed us all to Jacksonville. Next we heard brief reports of the Convention Committees on Credentials, Rules, Nominations, and By-laws.

The budget was now presented by Mrs. E. Olney Herman, the Treasurer of the Illinois League. A deficit of \$850 was revealed, though we were cheered to find that our debt had declined to this figure from \$5,766.11 to which peak it had risen in November 1934. I must add here that during the Convention the entire sum of \$850 was collected through gifts and pledges from the individual delegates so that we are now proud to be out of the red. It was voted, however, that in order to avoid future debts each local league be asked to contribute \$2.00 per member — \$1.00 to be given to the State League and \$1.00 to the National. In addition to this \$2.00 contribution each local league would be expected, as usual, to raise its own revenues to cover its individual expenses. This could

be done either by assessing each member a total of \$3.00 annual dues or through a rummage sale or some such money-raising scheme. The 1937 finances will be raised in the clumsy quota manner now employed as the new plan is not to take effect until the spring of 1938. After much discussion and some grumbling this resolution was passed.

Reports were then given by the various State Department Chairmen and each outlined her program of work for the coming year. Though by now we had all begun to be weary we were still to sit through a lengthy discourse on the need for civil service reform. None of us felt inspired to take action on behalf of this cause when at long last the session was closed at 11:00 p. m.

The following morning a brief two hours sufficed to cover the Legislative Report, the Publications Report, the Handbook Report, the Illinois Voter Report, Reports from the Auditor and Treasurer, the Acceptance of Quotas as now paid into the State Treasury, Acceptance of the budget, and an interesting talk on Unemployment Compensation by Dr. Peter Swansh of the Illinois Department of Labor.

Then followed an all-too-hasty visit to the State School for the Blind and the State Hospital for the Insane, both of which are located in the city of Jacksonville. We watched little children who could not see learning their geography by putting together puzzle maps of the world. They read braille for us and demonstrated a talking book (a machine closely resembling a phonograph).

As our procession of forty cars wound slowly through the pleasant gardens about the Hospital for the Insane a gaily dressed band struck up a welcoming tune. Time did not permit us to visit more than one of the women's dormitories whose rooms were clean though bare of all but necessary furniture. On the walls brilliantly colored drawings and samplers struggled bravely to maintain an atmosphere of cheerfulness. We took a hasty glimpse at the workshop where the women paint or sew at regular hours of the day and then the band played once more as we departed.

During luncheon in the Dunlap Hotel prizes were given to deserving local leagues. The Lake Forest delegates were proud to bring home the reward presented to the League which showed the greatest increase in membership during the past year. Our trophy was a book, "The Promise of American Politics," by Professor T. V. Smith.

After this excitement the session was resumed, this time in the Methodist Church, one of Jacksonville's eleven churches. I am afraid neither Mrs. Webb nor I paid close attention to the report Mrs. Hixon now gave because Mrs. Utley had asked us both to take part in a skit (written by our own Mrs. Pearson) featuring the importance of America's foreign trade. Young Mrs. Sydney Stein of Chicago and Dr. Ziegler from North Western University completed the cast.

When this ordeal was over Mrs. Roscoe Anderson, National Chairman of the Departments of Government and Education and of Child Welfare spoke on "The County Unit for Education and for Child Welfare Services."

Then the setting up of an ideal county unit was described by Mrs. Walter Bellatti, Chairman of the Department of Government and Economic Welfare of the Morgan County League.

At half past four we became the guests of Illinois College for tea in the quaint old David A. Smith House.

In the evening a grand banquet was served in the dining hall of McMurray College. Mrs. Hixon presided and the guests of honor included celebrities from the League, from Jacksonville's two colleges, and from the General Assembly. Unfortunately Governor Horner was unable to be with us, but we were addressed by State Senator T. V. Smith. In his speech entitled "A Legislator Looks at the League" he praised the two years of careful study which we make of any problem before we take action upon it; he also expressed the flattering opinion that women make good politicians because through the centuries they have learned the art of compromise; and finally he summed us up as being excellent "sweethearts, wives and mothers." At the close of his speech Senator Smith very kindly autographed his book which our league had won.

On Wednesday morning at 9:00 we returned to the Methodist Church where a voting machine had been set up. We all cast our ballots for the new officers of the State League and then listened to reports from the Credentials Committee and the Executive Secretary, the Radio Report, and the Membership Report. Then followed discussion and acceptance of the programs of work of the various departments, the report of the Elections Committee, introduction of the new officers and directors and the report of the Resolutions Committee. As all of the regular business before the Convention had now been finished, there followed an hour in which individual delegates explained problems that had arisen in their local leagues and asked for advice that would help toward their solution. This afforded an interesting exchange of different views and policies.

At noon we returned to the Hotel for a Foreign Policy Luncheon over which Mrs. Clifton Utley presided. Mr. Ernest Price, Director of International House at the University of Chicago, spoke on "Forces in the Far East." He described the Chinese as feeling superior to all other nations because of their ancient culture and civilization. They wish merely to be let alone to work out their own problems by themselves. The Japanese too, have a feeling of scornful superiority and wish to force the doctrines of the Machine Age upon their neighbors. The Russians likewise wish to evangelize and so these three forces oppose each other in the Orient.

The meeting disbanded at 2:00. Suitcases were hastily packed. I found myself once again in the same automobile with Mrs. Bogert, our charming new President; Dr. Ziegler piloted us through fair weather and snows; and all agreed that this had been such a stimulating, interesting and delightful convation we wished we could hold another one in the fall.

The Committee on Government and its operation adopted the working program of the League specifically related to government and personnel and in October planned a study group to work on election laws under the most able tutelage of Mrs. Ramsey. The study group consisted of a series of weekly meetings during the month of February. It was well attended and all those present learned a great

deal about both the historical background of our system of election laws in Illinois and the present day application of those laws. Party organization was studied and special emphasis laid on the primary type of nomination which held up in particularly well due to the April 12th primary held in this state.

At a general meeting on Oct. 11th, the officials of the City of Lake Forest were present and gave us most illuminating information about our

own local government. At a later date, Mr. Jankman, city clerk, gave a study group an analysis of the city budget.

On January 3rd the general meeting was devoted to a study of the McKellar postmaster bill, then before the Senate, ^{a bill} which the League opposed very strongly. Members were urged to write their senators immediately to vote against this bill as it was a direct blow to civil

service ~~interest~~ furtherance.

Mr. Ryan also spoke on this bill before the S. F. Council Club at this meeting dealing with personnel and civil service.

The chairman and vice-chairman attended the opening department day meeting at the University of Chicago and others held at the League office and also were present at the sessions of the state convention held in Winnetka when the program of work for the new year was adopted.

ANNUAL MEETING OF THE LAKE FOREST LEAGUE OF WOMEN VOTERS.

The annual meeting of the Lake Forest League of Women Voters for the year 1937 - 38 was held on June 13, 1938 at the charming new home of Mrs. Waldo Allen.

The minutes of the April meeting were read and approved. (There had been no meeting in May so that we could all have time to attend the annual State Convention which was held in Winnetka during that month.) The Treasurer's annual audited report was then read by Mrs. Pugh. A motion was made and carried that this report be approved. It is attached hereto.

Then followed the Secretary's report given by Miss Chapman, the Chairman of Publications' report from Miss Glasgow, and Miss Wilkins' report on Publicity. In the absence of Mrs. Byron, her co-chairman, Mrs. Shea, gave the report of the Department of Government and its Operation which is filed herewith. As Mrs. Ingram was also absent, the report for her Department of Government and Economic Welfare was read by the Secretary. Miss Chapman then described the activities of the Department of Government and Foreign Policy. These last two reports and also that of the Secretary are filed herewith.

Mrs. Yance then spoke briefly of the trip about the city which last fall some of the League members had taken in the squad cars of the Lake Forest Police.

The report of the Nominating Committee (which consisted of Mrs. Carpenter, Mrs. Gourley, and Mrs. Hixon) was then read by Mrs. Hixon. The nominations were as follows: for President: Mrs. J. Donald Scott
Vice President: Mrs. Ross Byron
Secretary: Miss Elinor Chapman
Treasurer: Mrs. Robert Pugh

Those selected to serve as directors were: Mrs. Philip Allen, Mrs. George Blossom, Mrs. Keith Carpenter, Mrs. William Gourley, Mrs. Frank Hixon, and Mrs. Stanley Yance. The motion was made and carried that the Secretary be instructed to cast a unanimous ballot for these nominees.

Mrs. Gourley then described the campaign to clean up Lake Forest and it was moved and carried that the Lake Forest League of Women Voters cooperate with this movement and accept the so-called "Fifth Ward" as their responsibility.

Vague recollections of the National Convention and the State Convention of the League of Women Voters were then given by Miss Chapman aided by Mrs. Hixon, Miss Glasgow, and Mrs. Pugh.

A motion was carried that \$102.00 be sent from our treasury to the Illinois League of Women Voters.

The meeting then adjourned for a delightful tea furnished
by our hostess, Mrs. Allen.

REPORT OF THE SECRETARY OF THE LAKE FOREST LEAGUE OF WOMEN VOTERS

1937 - 1938

The Lake Forest League of Women Voters held seven monthly meetings during the year 1937-38. The first of these, on October eleventh, was held at the home of Mrs. Frank Hixon with Mrs. Scott presiding. Mrs. Bogert, President of the Illinois League of Women Voters, spoke about the aims and activities of the League as a whole. Mayor Chandler and eleven officials of the City of Lake Forest were our guests at tea after which they told us a little about the duties of the Council and the various boards that work with it to govern the city.

We were all sorry to say good bye to Mrs. Scott who was leaving for the sunnier climate of Florida.

On November 1 we met again at the home of Mrs. Hixon who gave us a quiz of 50 questions on the general purpose of the League.

The third meeting, devoted to the Department of Government and Foreign Policy, was held on December 6 at the home of Miss Elmer Chapman.

We started off the New Year on January 3 — once more at the home of the ever-generous Mrs. Frank Hixon who, as usual, presided. Mrs. Ross Byron, Chairman of the Department of Government and its Operation, discussed the urgent need for better personnel in government and desired changes in the election laws of the State of Illinois.

Mrs. William Peter was our hostess at the meeting on February 7th when Mrs. Dwight Ingram and her co-chairman, Mrs. Calvin Trowbridge, described the activities of the Department of Government and Economic Welfare. Miss Kate O'Conner gave an interesting talk on her work as Supervisor of the Women's and Children's Division of the Department of Labor in Illinois.

In the absence of Mrs. Hixon, Mrs. William Gourley presided over the meeting held on March 7 at the home of Mrs. Frank Read. Mrs. Ringer of Highland Park described the League's activities in the field of education.

On April 4 Mrs. Stanley Yonce entertained us at tea and Mr. Heitman, editor of the "Lake Forester" gave a short talk on publicity.

It was decided to omit the May meeting so that as many of us as possible could attend the State Convention of the Illinois League of Women Voters which was held this year in Winnetka.

We also held three board meetings during the year and a candidates' luncheon before the April primary. Twenty-nine men running for offices in Lake County were invited and asked to tell us their views on the merit system and their qualifications for the offices they were seeking.

REPORT OF THE DEPARTMENT OF GOVERNMENT AND FOREIGN POLICY OF
THE LAKE FOREST LEAGUE OF WOMEN VOTERS: 1937 - 38.

The Department of Government and Foreign Policy has spent an intensely interesting year studying the underlying causes of the present conflict in the Far East under the inspiring leadership of the Cook County Chairman, Mrs. Paul Douglas.

One of the monthly afternoon meetings of the Lake Forest League was devoted to foreign policy. Each member present was handed a list of names of men prominent in the news of the day and was asked to write opposite each name its owner's nationality and the position he held in the public affairs of his country. Proposed additions to the program of this department were then submitted to the membership for discussion and a vote. Miss Hughes, Mrs. Webb, Miss Glasgow, and Miss Chapman spoke briefly on different aspects of the problem of international cooperation. Miss Eloise Requa then gave an interesting talk on the Library of International Relations.

A fall and a spring Department Day were held at the University of Chicago at which the program to be submitted to the National Convention was discussed with animation.

A study group was held in Lake Forest in which our League cooperated with the Public Affairs Department of the Y. W. C. A. Under the able leadership of their chairman, Mrs. Warren Hall, the pamphlet "Peaceful Change, the Alternative to War", was read with enthusiastic interest. It is hoped that more of this kind of cooperation will be carried on to a larger degree next winter.

Your chairman also attended the National and the State Conventions of the League of Women Voters.

REPORT OF THE GOV'T AND SOCIAL WELFARE DEP'T
LAKE FOREST LEAGUE OF WOMEN VOTERS

During the last year the most important item on the program of the Government and Social Welfare Department of the Illinois League of Women Voters, has been the discussion of child adoption in the state of Illinois and the importance of a new Adoption Law. May we quote from the office of the Illinois League; "Illinois does not require an investigation, either of the adopting parents or the child to be adopted. Nor does it require a trial period in the adopting home. Most adoptions are completed a few minutes after the petition is filed." On the other hand we all know the care that is taken when an adoption is made through a licensed agency. In 1942, of the 3998 adoptions in the state of Illinois, only 773 came through licensed agencies. Thus 74% of our adoptions were made without benefit of any social service. "It is for the protection of this very large group of independent adoptions that new legislation is needed, immediately. We must remember that there are more good homes wanting to adopt children than there are children available. The best possible kind of home should be found, without difficulty at all, to satisfy the needs of each type of child to be adopted, and the only way to be sure of this is to write it into a law.

Miss Jenrose Gehri who came out to talk to the Lake Forest League of Women Voters from the Church Mission of Help, at the request of Mrs. Fred J. Koch, gave us a most interesting and elucidating explanation of the Illinois State Adoption Law at our
January

January League meeting at the home of Mrs. Koch. That was the regular meeting arranged for by the Social Service Dep't. of the Lake Forest League of Women Voters which takes care of one meeting every year.

The board of the Lake Forest League of Women Voters started the year 1938-39 with a luncheon given on Wednesday, September 21st by the President, Mrs. Scott, at her home. Those present were: Mrs. Philip Allen, Mrs. Walden Allen, Mrs. Keith Carpenter, Miss Charman, Miss Glasgow, Mrs. William Gourley, Mrs. Frank Hixon, Mrs. Dwight Ingram, Mrs. Robert Pugh, Mrs. Donald Scott (who presided), Mrs. Fwing Webb, Miss Merva Wilkins, and Mrs. Stanley Yonce.

Mrs. Hixon described enthusiastically a new pamphlet called "Know Your League". It was decided to use this in the first three of our regular afternoon meetings. Different board members are to be held responsible for the answers to certain questions at the end of each of these three studies.

The League's well-liked booklet "Know your Town" will also be studied at our afternoon meetings during the coming year. This is divided into ten topics: History and Population of Lake Forest, Industry and Workers, Public Welfare, Education, Health, Recreation, Courts and Juries, Housing and Living Costs, and Local Government.

Since none of these items concerned foreign policy, it was decided to allow the chairman of that department five minutes at each monthly meeting to discuss developments in this field in which the National League of Women Voters is actively interested.

The secretary was asked to post in the public library a complete list of members of the Lake Forest League so that all might consult this and interest their own friends in coming to meetings.

Plans were made to hold study groups before each of our afternoon meetings so that at least a few of our members will become well acquainted with the different topics and will be able to present them to the general membership.

There being no further business we adjourned with thanks to our hostess for a very delightful luncheon.

The Lake Forest League of Women Voters held the first of its monthly afternoon meetings for the year 1938-39 on October tenth at the home of Miss Eliner Chapman. There were 26 persons present. Mrs. Scott presided and welcomed us back at the end of the summer.

Miss Chapman spoke briefly on the need of revising our present neutrality law so that if war should break out again in the world the President might at his discretion cooperate with other countries to punish the aggressor nation by refusing to sell to it any "implements of war", while at the same time we would continue to trade with the victim of aggression.

Mrs. Warren Hall then announced that a group was being formed to study American foreign policy under the able leadership of Dr. Hartzel, professor of political science at the Lake Forest College. This group meets at the library on Wednesday mornings at nine thirty; it has been formed through the cooperation of eight different women's organizations in the city, all of whom are interested in international affairs. The League of Women Voters is heartily supporting this project and urges all of its members to join and learn as much as possible about the causes and probable consequences of the present chaotic scene.

The League then took up the problem to which it hopes to give most serious attention this winter. Copies of the pamphlet "Know your town" were distributed and Mrs. Philip Allen piloted us through a lively discussion of questions concerning the history and population of Lake Forest.

We then turned to the booklet "Know your League" which we plan to use in our first three meetings this fall and Mrs. Scott told us all about the purpose of the League of Women Voters.

As there was no further business to be considered, the meeting adjourned for tea.

November 7, 1938

The monthly afternoon meeting of the Lake Forest League of Women Voters was held on November 7th at the home of Mrs. Dwight Ingram with Mrs. Scott presiding. There were 25 members present.

The meeting opened with an interesting discussion of the chapter "Industry and Workers" in the study pamphlet "Know your Town." This was ably led by Miss Glasgow assisted by Mrs. Philip Allen, Mrs. Byron, Mrs. Carpenter, and Mrs. Johnson. The suggestion was made that the answers to these questions which had been obtained by diligent research should be kept on file by the secretary.

Mrs. Charles Brown then told us about the structure of the League of Women Voters answering questions in the second chapter of the booklet "Know your League".

The minutes were then read by the secretary and were approved.

Mrs. Hall announced that "armaments" would be the subject of the next meeting of the International Relations Study Group on Wednesday morning, November 16th at the library. The last three meetings of the group are scheduled for November 30th, December 14th, and January 11th. Mrs. Hall announced further that in the chapel of the Lake Forest College Mr. Grant would discuss "Hitler and Chamberlain."

Mrs. Scott then declared that our \$3.00 annual dues are now due and should be paid to the treasurer, Mrs. Robert Pugh. She also stated that anyone who does not already subscribe to

the National News Letter, full of up-to-the-minute information on the progress which the League program is making in Washington, could obtain this for only \$1.00 a year.

A further announcement was made of a radio skit which the Illinois League of Women Voters will broadcast at 10:45 on Saturday morning, November 19th.

League members who find themselves in Chicago on Mondays without any particular place to lunch are asked to go to Henrici's where at 12:30 a special table will be reserved for the League of Women Voters.

The meeting ended with a discussion of the election to take place on the following day. It was carefully explained that while League members may as individuals make recommendations about certain candidates great care must be taken not to let people think the League itself is favoring some candidates above others.

After the meeting a delightful tea was given us by our hostess.

The Lake Forest League of Women Voters held its regular monthly afternoon meeting on December 5th at the home of Mrs. Frank Read. There were fourteen members present. Mrs. Scott presided.

The minutes of the last meeting were read and approved. As Mrs. Pugh, the treasurer, was absent, the secretary read her report which showed a balance in the bank of \$283.42 although dues have been received from only 40 members.

Miss Elinor Chapman then spoke briefly on neutrality and the changes which the League of Women Voters would like to have made in the present law when it comes up for discussion in the next session of Congress.

Mrs. Warren Hall then delighted us with the announcement that the International Relations Study Group had secured Mr. Carrol Binder as the speaker for its last meeting to be held on January 17th. This will take the place of our regular January meeting. All members of the eight organizations which have taken part in the study group are urged to attend. All interested citizens are cordially invited and as this will be an evening meeting it is hoped that many men will attend. The secretary was asked to announce this to the Highland Park, Lake Bluff, and Waukegan Leagues.

Mrs. Scott asked again that those who have not paid their annual dues of \$3.00 please do so immediately. She reminded us also that subscriptions are again being taken for the News Letter from Washington.

The Lake Bluff League of Women Voters has invited us to join with them on December 14th at the Village Hall to hear Miss Grace Benjamin speak on the Juvenile Court.

Announcement was made of another League radio program to be broadcast at 11:15 on the morning of December 17th.

Mrs. Dwight Ingram, Chairman of the Department of Government and Education, helped by her co-chairman, Mrs. Philip Allen then answered questions on the chapters "Public Welfare" and "Education" in the booklet "Know Your Town." Discussion of some of these problems followed and then the meeting was adjourned for a delightful tea furnished by our hostess.

The board of the Lake Forest League of Women Voters met for luncheon on Thursday, January 5, 1939 at the home of Mrs. Frank Hixon.

Mrs. Pugh announced that the Treasury contained \$296.42.

A motion was made by Mrs. Gourley and seconded by Mrs. Allen that \$40.00 be sent to Mrs. Warren Hall to help defray her expenses as a delegate to the Conference on the Cause and Cure of War in Washington D. C. The motion was carried.

There was some discussion of the lecture on American Foreign Policy which Mr. Carroll Binder will give on January 17 in the auditorium of the Gorton School. A motion was made by Mrs. Gourley, seconded by Mrs. Allen, and carried that we contribute our share towards the expenses of this lecture, not to exceed the sum of \$25.00.

The League's regular meeting for the month of February was then discussed. As the topic to be considered that afternoon will be the chapter, "Health" in the booklet "Know your Town" it was decided that members of the Board of Health of the City of Lake Forest be invited to attend.

A plan was made to have at least two members of the League attend each meeting of the City Council. Mrs. Hixon and Mrs. Scott were chosen to represent us at the February session.

The meeting then adjourned so that a general discussion of the problems of education could take place with the teachers and principals of the schools of Lake Forest who had been invited to tea.

February 6, 1939

On Monday, February 6, Mrs. Hixen gave a delightful luncheon so that members of the board of the Lake Forest League of Women Voters could meet Mrs. Bogert, President of the Illinois League. We then adjourned to the home of Mrs. Bremner for the regular monthly afternoon meeting. Mrs. Scott presided; there were twenty others present and also Dr. Bissinger of the Board of Health and Miss Head, the school nurse.

The questions in the chapter "Health" of the booklet "Know Your Town" were taken up immediately, the discussion being led by Dr. Bissinger, Mrs. Scott, Mrs. Gourley, Miss Charman, Mrs. Ingram and Mrs. Philip Allen. Though we in Lake Forest are justly proud of our high standards of health and cleanliness we were shocked to discover that certain of our stores are not fully living up to the city ordinances governing sanitation.

Miss Head then spoke briefly of her work and declared she wished that there were time for her to contact children of pre-school age so that they might be given smallpox vaccination and immunized against diphtheria. Complete physical examinations are now given children at the beginning of school and in the past few years Dr. Bissinger has given freely of his time and effort to vaccinate them. In addition to this strenuous work the doctor has been vigilant in protecting the milk supply of Lake Forest. He is working now on a new ordinance to raise the standards of dairies and prophesies that at some future date all milk will be sold in paper containers as their bacteria count is exceedingly low compared to that of our present glass bottles.

Mrs. Bogert then described briefly her visits to local leagues outside of Chicago. She suggested that since Lake Forest is so well governed that fortunately we can find little to criticize here we might start to investigate conditions in Lake County.

She added that Democracy is on the defense not so much against Hitler and Mussolini as against our own inertia, the corruption of local politics, and general indifference to government. Educated women such as we need to be concerned about questions of government even when these problems seem far away and do not appear to touch us immediately. We as individuals, have more power than we realize to influence local, state, and national governments when we unite into organizations such as the League of Women Voters. A minority of the people can gain their ends if they are sincerely and alertly interested in attaining good government.

In state and federal problems we are accomplishing much by getting at cold facts, but Mrs. Bogert is always impatient

to see these facts applied. We must strive for better laws (such as the City Manager Enabling Act, the Women on Juries bill, etc.) and then follow carefully the administration of these laws.

A brief period for questions followed during which it was stated that the state League of Women Voters is cooperating wholeheartedly with the Illinois Committee for Women on Juries.

Mrs. Hixon then spoke briefly about the new League committee of Legislation Chairmen.

Mrs. Scott reminded us that the Lake Forest City Council was to meet that evening. Two of our board members were to be appointed to attend this meeting and all of us were urged to go.

Mrs. Gourley described the statistics about Lake Forest that Mr. Neil Campbell has collected.

Mrs. Byron announced a tea to be given on February 18 by the Evanston Birth Control Clinic.

The meeting then adjourned for a delightful tea furnished by our hostess, Mrs. Bremner.
